Master Your Emotions Louise Lily Wain, 2019-07-22 Buy the Paperback Version of this Book and Get the Kindle Book Version for FREE! Your Emotions tell a Story. But is it a Story that you are Listening to? Emotions are a huge part of who we are. Yet, we still don't pay enough attention to them the way we should. Are You the type of person that freely expresses your emotions? Or would you rather keep them buried somewhere, hoping to forget about them entirely? Anger, Joy, Happiness, Sadness, Excitement, Fear, Disgust. These are some of the basic emotions which researchers believe are built into our genetics. They are always going to be part of who we are, and rather than deny their existence completely, we should learn to embrace them instead. Emotional regulation is a crucial factor in determining how well you are able to master your emotions. You can't change the circumstances that happen to you, but you can control the way you choose to respond to. The choice is yours to react impulsively or otherwise. That choice always belongs to you, but it only becomes an effective choice when you know just how to effectively take control of your emotions, so they don't end up controlling you. Master Your Emotions will walk you through: A thorough understanding of what emotions are and how they are created. The impact your emotions can have on you, and the people around you. What you can do to change your emotions, and how they can be used to help you grow as a person. How mentally strong people are in control of their emotions. The repercussions of suppressing

or ignoring your emotions. How to overcome negativity, reduce anxiety and worry. What you need to do to master your emotions once and for all. And more... On their own, emotions are not a bad thing. It's what we do with them, and we manage them which determine whether our emotions are used for good or otherwise. What are you going to do with your emotions? Would You like to Know more? Master Your Emotions Justin Moore, 2020-04-23 □ □ Buy the Paperback version of this book, and get the kindle eBook version included for FREE** Emotions are a big deal. The good ones seem positive, fun, and enjoyable. But the negative ones? They can rip right through you and leave you feeling totally at their mercy. Then comes the shame. Emotions are a totally natural experience, yet the way we are intended to work through our emotions as evolved humans is far different from how our primal brain often encourages us to. Anytime you experience an emotion, you likely experience a flood of thoughts, impulses, and feelings that generally try to take over. Sometimes, they may even succeed. What can follow is stress, embarrassment, guilt, shame, and other painful feelings that are hard to navigate and release. Are you tired of dealing with these feelings? Are you ready to release them and heal from them once and for all? Are you ready to take control of your emotions, and your emotional expression? The solution lies in emotional mastery. Master Your Emotions is an entire guide book written to help you better understand your emotions so that you can stop feeling overruled by them, and start seeing the true value they hold. As you unlock the magic of emotions and learn how to use them to your advantage, you will begin to realize that emotions are an incredibly powerful tool, and that they have meant to serve you all this time. You will also

discover how to allow them to serve you in a way that actually fits in with our modern way of life. Every chapter of this book is full of practical information, actual tools you can implement to help you take control over your emotions, and food for thought to help you shift your perspective into a healthier and more productive one. Some of what you will learn in Master Your Emotions includes: What emotions are, how they affect your brain and body, and why they are so powerful What it means to be emotionally hijacked and why this phenomenon is so common (hint: you've probably experienced it more than once in your life!) Why emotions tend to be so challenging for you to deal with What emotional intelligence is, how to measure your EQ, and how to raise it Practical methods for increasing your self-awareness, identifying and navigating your emotions, and creating healthier emotional coping methods Real-life examples of how emotions can affect you, and what to do about them Day to day practices you can use to help you manage your emotions and maintain an overall sense of emotional wellbeing The power of mindfulness and how you can use mindfulness to amplify your emotional intelligence in several different ways And more!
