My Friend's Hot Mom: Get Lucky! Laura Lovecraft, 2023-03-29 Sean loves going to Finn's, an Irish pub known for its friendly staff and fun crowd. But the big draw is the owner, Molly, a gorgeous red-haired lady who believes in drinking, being merry, and the luck of the Irish. Sean never bought into that superstition, but when Molly asks him to help her set up the annual St. Patrick's Day party, he's about to learn the meaning of the expression Get Lucky! ~~~~~ PG Excerpt ~~~~~ "To our host!" Tom called out. "May the man she chases never escape, and may that man live to tell us if the carpet matches the drapes!" Molly clapped as the pub filled with raucous laughter. "Well, Tom, all I can say," she replied. "Is its far better to be red than gray." Putting her hands up, she addressed everyone around her. "Thanks for being here! You're not customers, but family, and like my family? I can only handle so much of you, now get back to your tables and have some fun. Booze isn't free, but after enough of it, the sex is!" Her eyes shifted to Sean as she spoke and when she was done, she extended her hands to him. Sean took Molly's hands as she hopped down from the bar, then gasped when she staggered into him. "Oops," she giggled. "Guess I'm feeling my liquor." "No worries," he told her, trying to ignore the way her hands moved up his forearms. "Feeling it a little myself." "It is fun to feel your licker," she gave him a sly smile, "Those were great toasts." "My grandmother taught me a lot of them." Molly was so close her breasts were touching his chest and her hands had now made their way to his biceps. "Good to see you get in touch with your heritage," Molly said softly. "You ever really touch it?" "What do you mean?" "Ever slept with an Irish girl? Pure Irish?" "Can't say that I have." "You should always love a person for them, but if you're just looking for a good time? You haven't been had one until you've been with an Irish woman," she leaned against the bar as two people passed by. The move gave him some relief, but her words continued to add to his tension. "Especially a red head, we have the reputation as being trouble," she sucked on her lower lip, "But we're good trouble, and you haven't tasted anything as sweet and smooth as Irish Cream, and I'm not talking about Bailey's." "Right." Jesus, she wasn't just flirting, but outright coming on to him. "So, when's Connor, coming in?" he gestured to Charlie who was busy serving people at the other end of the bar. "You must be buzzed, he's in Phoenix this week, URI made it into March Madness," she beamed with pride. "Oh, yeah," Sean nodded. "Maybe I am drunk," he joked. "Or just nervous," Molly

stretched her arms out along the bar. Her pose was relaxed, but also pushed her breasts out further and he struggled to keep his eyes up. "No, I just forgot." "I'm alone all week, no Connor to keep me out of trouble," the alluring smile came back. "Certain trouble I might not want to get into with him around, know what I mean?" This couldn't be happening. She'd just admitted she could never do this with Connor around. Do what? Him? "Pub's filling up," he followed her gaze to see a line forming in the foyer. "Have to go, but make sure you see me before you leave, I have a favor to ask." "Sure, whatever you need." "That's what I was hoping to hear. By the way, in case you're wondering, they do." "What does?" She leaned closer and whispered in his ear. "The carpet, it matches the drapes."

My Friend's Hot Mom: Christmas Eve Laura Lovecraft,2022-01-10 Evelyn Chambers has been the object of Sean's fantasies for as long as he's known her. A woman so hot that even with a son his age, she still works at a strip club. Going by the nickname Christmas Eve because she's the gift that keeps on giving, Sean's mother doesn't even want him near her, but he can't resist when she invites him over with the promise of spreading a lot more than holiday cheer! ~~~~~ PG Excerpt ~~~~~ Another look at the clock; 10:00. Maybe after a certain point she'd think he wasn't coming. She'd be pissed, probably calling him a spineless little kid, then going to sleep. She'd be right, what was he afraid of? A hot babe wanted him. Not just any babe, one hot enough to be swinging from a pole at a strip club. One so wild she'd been seen having sex in the damn parking lot and rumored to have been taken two men at once after work. That woman was waiting for him, and all he had to do was man up. Chet was his friend, but he was also treating Evelyn, his own mother, like crap because she was having fun, and what did he care if his parents ended up finding out? He was twenty, what were they going to do, disown him? His phone vibrated on the nightstand and he picked it up to see Evelyn had sent him a text. "Oh, man," he whispered as

he opened it to the selfie she'd taken in the mirror. Evelyn wore a short Santa coat complete with white trim and black buttons. Only the three middle buttons were closed however, leaving both her stomach and upper chest exposed. The red material was a sexy contrast to the round tops of her creamy breasts and the camera flash caught the silver pendent dangling from her naval. A red ribbon encircled her neck with a silver bow attached to the front and a Santa hat sat at an angle on her head, her long raven black hair flowing from beneath it. The hem of the coat was low enough to show off the end of her stockings and the garters attached to them, the red straps framing her toned thighs just as he'd imagined they would. The beneath it said: "Ready to come unwrap your gift, baby?" He scrolled back to the picture, now looking at her face. Evelyn's lipstick was as red as the coat, and she'd added red eyeshadow above her thick black eyeliner. She'd applied blush as well, and like the rest of her make up, rather heavily. The overall look said slutty, even trashy, and he knew that's exactly what she wanted him to think. Evelyn was making it clear she wasn't inviting him over for a romantic candlelit encounter. Her free hand was positioned on her hip and encased in a red glove. Sean imagined the gloves would be velvet or some other soft material, then wondered what they'd feel like touching him. The phone vibrated again, and this time it was a video. He clicked it to see Evelyn sucking on end of one of those thick footlong novelty candy canes. She made soft moaning sounds as she took it deeper, her red lips wrapped tightly around the candy. She removed it from her mouth and fluttered her tongue rapidly along the tip before asking; "Baby, are you really going to make this the only hard thing I have in my mouth tonight?" He received another text, this one a picture of Eve sitting backwards on one of her dining room chairs. Her arms folded over it, and her widespread legs visible on either side; a classic stripper pose. "Your private dance starts at 10:30, don't be late." Sean looked over to see it was now 10:15. "Remember, my back door is open." "Screw it," Sean kicked the comforter off, and swinging his legs off the bed leaned over and picked up his boots. Whatever happened after tonight, Evelyn was right about one thing. This was going to be the best Christmas ever.

Nelson Vs. the United States of America Marcus Giavanni, 1998 The book recounts day by day how the FBI investigators somehow centered the entire extortion plot around Nelson and another innocent man whose only mistake was to spend fifteen minutes chatting by the lake, and then to stop at a fast food restaurant for a hamburger. Nelson fit the profile that the FBI had in mind - a long pony tail, a cellular phone, and a red Corvette which he liked to drive fast. From this harmless set of facts grew an inconsistent FBI surveillance log, incredibly biased misstatements of the truth, and wholly contrived witness statements, all elaborately tailored to implicate Nelson. Other evidence of Nelson's innocence and the unreliability of the existing evidence was simply ignored, including an FBI wiretap conversation between the real extortionist and his accomplice discussing the extortion plot in detail. The real extortionist admitted that he had no idea who the FBI had arrested. Nevertheless, Nelson was indeed arrested with his photo plastered all over the Phoenix newspapers. Nelson's life would never be the same.
