Lisa walks in the woods on a regular basis. But this time when she emerges, she is badly injured. Her wedding ring is missing. And her memory of the event is blank. Unsettled, she tells her husband that she was mugged by a young girl but insists he not call the police. It doesn't take long for fragments of the truth to come back, though, and when Lisa realises that she was assaulted by a man and left to die, she begins to live in fear, seeing threats everywhere she looks. What if he comes back for her—and she doesn't even recognise him? Even co-workers and neighbours could be suspects . . . Soon, Lisa discovers she is not the only victim and becomes fixated on pursuing the perpetrator. But is she really prepared for the horrifying truth she is about to discover? Content Warning: This book deals with themes of abuse and sexual assault.

Psycho Thrillers William Indick, 2013-10-18 Mind control, madness and altered states of reality can make for exciting nights at the movies--which explains the enduring popularity of a film genre that might be called the psycho thriller. Psychiatry and film came of age simultaneously, and characters such as the evil psychiatrist and the pathological killer were often developed in direct reference to the psychological themes that inspired them. For example, the penchants of Hitchcock's famously creepy Norman Bates represented real psychological disorders, and his actions were explained through psychoanalysis. The psycho thriller presents a world where psychology represents a dimension of supernatural and metaphysical wonders. The introduction analyzes what makes a psycho thriller, and subsequent chapters are devoted to each of the archetypal psycho thriller characters (the mad scientist, the psycho killer, the individual with psychic powers, and the psychiatrist) and themes (mind control, dreams, memory, and existential issues). The concluding chapter lists the top twenty psycho thrillers. Stills from classic films in the genre illustrate the text, which also includes filmography, bibliography, and index.

If She Were Dead J.P. Smith, 2025-09-09 Smith spins out a sensuous, sinuous psychological thriller that compels attention to the final line.— Booklist Amelie and Janet are in love with the same man: Janet's husband. One knows it; the other doesn't. Or does she? As bestselling novelist Amelie Ferrar knows, an affair with a married person is like a work of fiction: a kind of spy story with its rules and customs, negotiations and compromises, and many private rituals. But like any spy story, there will inevitably be a betrayal: something will slip, someone else will find out, someone may even die. As Amelie falls deeper into her obsession with the man she loves—and his wife—the line between the fiction she writes and the reality she lives begins to blur...and the twisted ending to this story is one that not even she could have seen coming.

The Avenging-Woman On-Screen Lara C. Stache,Rachel D. Davidson,2023-09-25 In *The Avenging-Woman On-Screen: Female Empowerment and Feminist Possibilities*, Lara C. Stache and Rachel D. Davidson demonstrate how the on-screen character of the avenging-woman offers a complex construction of femininity that serves as a representation of cultural conversations about female empowerment, female agency, and feminism. This character is both woman and hero, typically both physically appealing and physical aggressive—a dichotomy that goes against traditional gendered norms of femininity. Television and film narratives produced since 2010, the authors posit, offer an opportunity to reflect on and consider the evolution of cultural ideologies about women and power, given the significant cultural shifts in Hollywood that occurred amid the #MeToo explosion and post-Harvey Weinstein revelations. Stache and Davidson argue that depictions of the avenging-woman utilize a feminist language of empowerment that suggests the potential for a subversive message against the patriarchy while also recognizing that an alternative reading of some representations presents, at times, a hegemonic construction of empowerment that ultimately cautions against subversion within patriarchal systems. The authors question how these representations may limit social change or, in some cases, represent particularly progressive rhetorics about women and power. Scholars of communication, media studies, film and television studies, and women's studies will find this book of particular interest.

Film Out of Bounds Matthew Edwards,2018-07-24 Operating outside the commercial boundaries of Hollywood cinema, alternative and independent filmmakers have much to offer the discriminating viewer. Yet they struggle for a place in the popular culture, and even more for recognition by the scholarly community. The specific aim of this book is to provide much-needed critical examination of titles, particularly those by British filmmakers. In-depth commentary from such acclaimed writers as Maitland McDonagh, Jasper Sharp, Johannes Schonherr and Marcus Stiglegger considers filmmakers who work at the very heart of the independent medium, giving the reader specific insight into alternate cinema and the struggles its filmmakers endure. Featured are interviews with both rising and established filmmakers, including the infamous Guy Maddin and Herschell Gordon Lewis. Finally, this collection of interviews and essays boasts a 20th anniversary retrospective on the British cult classic *The Company of the Wolves*, complete with an exclusive interview with director Neil Jordan.

Abuse in Society Alan R. Kemp,2016-11-11 Today's headlines are filled with increasingly alarming accounts of abuse by coaches, religious leaders, institutional caregivers, family members, and others. *Abuse in Society* provides an illuminating and timely introduction to the physical, emotional/psychological, and sexual faces of abuse. The text presents a much-needed, in-depth assessment of child maltreatment, intimate partner violence, abuse by clergy, abuse of the elderly and disabled, and abuse in sports. Among the specific problems covered are bullying and sibling abuse, courtship violence and date rape, and abuse in the relationships of sexual minorities. The author explores these complex issues using an ecological approach, examining interacting explanations from a variety of perspectives and levels of analysis: societal and cultural, family, and

individual. The author's down-to-earth, conversational style is easy to understand, and his work is exceptionally well researched and thoroughly documented. Those who are pursuing careers in the fields of sociology, psychology, psychiatry, and human-service professions such as social work, pastoral counseling, mental health counseling, marriage and family therapy, and psychiatric nursing will find this text valuable. End-of-chapter resources include a Review Guide, Critical Thinking Questions, Recommended Reading, Internet Resources, and Suggested Activities.

The Plays and Films of Bahram Beyzaie Saeed Talajooy, 2024-01-25 Bahram Beyzaie is one of Iran's leading playwrights and auteur filmmakers. This book examines several of Beyzaie's films and plays and their preoccupation with the modalities and transformations of Iranian contemporary, historical and mythical identity from different perspectives. The chapters analyse Beyzaie's influential plays such as *Arash* and *So Dies Pahlevan Akbar* and his filmic magnum opuses such as *The Crow*, *Bashu*, *the Little Stranger* and *Killing Mad Dogs* from a range of critical perspectives including ecofeminist, sociopolitical, new-historicist, archetypal and psychoanalytical readings. They also explore Beyzaie's dialogue with filmic genres such as noir, different Iranian languages such as Gilaki, Iranian epics and ritual practices such as *ta'ziyeh* plays and *javanmardi* chivalry cults. Together, the chapters show how Beyzaie's works negotiate narratives of belonging and undermine the dominant exclusionist discourses in Iran, and how they use the resources of Iranian folk and performance traditions to comment on the position of women, children, intellectuals, and minorities in society.
