Pi( ∅) Time and Nikola Tesla 369 Deepak Singh, 2021-09-03 In the Universe, the real value of Archimedes' constant  $\pi$  is calculated. It can be found in nature at all times, in the past, present, and future.  $\pi$  is born when the Universe and Galaxies are born, and its value ends. When a massive bang occurs. This means that I've figured out what  $\pi$ . In other words, according to my research, is time. Science has agreed that the Big Bang created everything in this and other

universes, as we all know. The birth and death of galaxies and other celestial bodies is a never-ending cycle. Our forebears wanted to communicate to us a hidden pattern. After a tremendous bang, everything goes back to zero and things start to form anew. God's mathematical fingerprint of God. My proofs are mentioned in this study book.

**Journal to Fulfill Wishes with Method 369** N. N. Tesla,2020-12-08 SECRET CODE 369Journal (45 days) HOW TO USE 369 METHOD (Nikola Tesla Secret Code 369)Do you want to manifest your dreams using the power of your mind? If YES then you must understand how the great inventor and scientist Nikola Tesla was using his power of the mind.According to the law of attraction, your thoughts directly affect your reality. Learning how to manifest something is as easy as thinking

it into existence, and there are supposedly different techniques you can use to attract your wants. One of these is the 3, 6, 9 manifestation method popularized by Nikola Tesla. First, you have to write down a statement which is longer than 17 seconds, and encapsulates what you want to achieve. Then, every morning you have to write down that statement three times. Around midday, you will write out the same statement six times, then just before you go to bed you will write it out nine times. Most people agree that it is important to get super duper clear on exactly what it is that you want to invite into your life. You need to be as specific as possible in describing your desired manifestation. And you need to be able to imagine your wish coming true, in as clear and as vivid terms as you can. Just remember to keep your vibrations high, your desires clear and meaningful, and your patterns consistent. Wishing you a life filled with effortless manifestations. Thanks. Thanks. Thanks.
