## Bradley Nelson

**The Emotion Code** Dr. Bradley Nelson, 2019-05-07 I believe that the discoveries in this book can change our understanding of how we store emotional experiences and in so doing, change our lives. The Emotion Code has already changed many lives around the world, and it is my hope that millions more will be led to use this simple tool to heal themselves and their loved ones.—Tony Robbins In this newly revised and expanded edition of The Emotion Code, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of trapped emotions—emotional energies that literally inhabit your body. These trapped emotions can fester in your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love. The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson's method gives you the tools to identify and release the trapped emotions in your life, eliminating your “emotional baggage,” and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of clinical practice, The Emotion Code is a distinct and authoritative work that has become a classic on self-healing.

**The Body Code** Dr. Bradley Nelson, 2023-02-21 A powerful new approach to natural, intuitive whole-body healing. The Body Code is a truly revolutionary method of holistic healing. Dr. Bradley Nelson, a globally renowned expert in bioenergetic medicine, has spent decades teaching his powerful self-healing method and training practitioners around the globe, but this is the first time his system of healing will be available to the general public in the form of The Body Code. The Body Code is based on the simple premise that the body is self-healing and knows what it needs in order to thrive and flourish. The Body Code method allows readers to tap into this inner knowing, and find imbalances in 6 key areas—Energies, Circuits and Systems, Toxicity, Nutrition and Lifestyle, Misalignments, and Pathogens—that are the root causes of our physical, mental and emotional issues. By identifying and releasing these imbalances, readers become empowered to activate their body's innate healing power. Featuring a foreword from George Noory, host of Coast to Coast AM, and filled with powerful first-hand accounts of healing, hundreds of color illustrations, and concrete, actionable steps, The Body Code is a road map to

healing based in deep study of the human body, time-proven ancient practices, and the unlimited power of the subconscious mind.

9 Lessons I Learned About The Emotion Code John Korsh, 2025-09-21 9 Lessons I Learned About The Emotion Code - How Releasing Trapped Emotions Transformed My Body and My Life (Personal Reflection Book) There's a curious moment in every person's life—a fracture in the pattern, a pause in the noise—where pain arrives but refuses to leave. Not in the loud, catastrophic way we expect, but as something quieter. A stiffness in the back. A short temper. An inexplicable sadness that shows up in the middle of a sunny afternoon. For me, that moment wasn't an epiphany. It was a question. Why did my body feel heavy, even when the tests came back fine? Why did my thoughts loop like a scratched record, stuck in emotions that didn't seem mine anymore? And why, no matter how much I worked, loved, or meditated, did a part of me still feel... jammed? It was in that curious space that I stumbled upon Dr. Bradley Nelson's *The Emotion Code*. Not stumbled, exactly. More like it whispered. And like most whispers, it didn't shout the solution. It merely hinted at the possibility that the weight I was carrying—physically and emotionally—was not mine to bear forever. That maybe, just maybe, it could be released.
