## V.C. Andrews

*The Mirror Sisters* V.C. Andrews, 2016-10-25 As identical twins, their mother insists that everything about them be identical: their clothes, their toys, their friends ... the number of letters in their names, Haylee Blossom Fitzgerald and Kaylee Blossom Fitzgerald. If one gets a hug, the other must, too. If one gets punished, the other must be, too. Homeschooled at an early age, when the girls attend a real high school they find little ways to highlight the differences between them. But when Haylee runs headfirst into the dating scene, both sisters are thrust into a world their mother never prepared them for--causing one twin to pursue the ultimate independence. The one difference between the two girls may spell the difference between life ... and a fate worse than death.--

**Mirror Sisters** Virginia Andrews, 2019-12-31 Alike in every single way...with one dark exception. As identical twins, their mother insists that everything about them be identical: their clothes, their toys, their friends...the number of letters in their names: Haylee Blossom Fitzgerald and Kaylee Blossom Fitzgerald. If one gets a hug, the other must, too. If one gets punished, the other must be, too. Homeschooled at an early age, when the girls finally attend a real high school they find little ways to highlight the differences between them. But when Haylee runs headfirst into the dating scene, both sisters are thrust into a world their mother never prepared them for--causing one twin to pursue the ultimate independence. The one difference between the two girls may spell the difference between life...and a fate worse than death. Written with the taboo-breaking, gothic atmosphere that V.C. Andrews is loved for, *The Mirror Sisters* is the latest in her long line of spellbinding novels about mysterious families and tormented love.

**Broken Glass** Virginia Andrews, 2017-02-23 From the New York Times bestselling author of the *Flowers in the Attic* and *My Sweet Audrina* series, now Lifetime movies, comes book two of the haunting saga of identical twin sisters tortured by their perfectionist mother--until one of them snaps. Haylee and Kaylee Fitzgerald are twin sisters who have been forced to be identical in every way by their domineering mother. She insists they wear the same clothes, eat the same food, get the same grades, and have all the same friends. But both are growing weary of her obsession with their similarities, so when they finally attend high school, they find little ways to highlight their independence. The transition isn't as easy as expected, however, and soon both sisters are thrust into a world that their mother never prepared them for--a world with far more dangerous consequences than just upsetting Mother.

Shattered Memories Virginia Andrews, 2017-11 They share an unbreakable bond... An inescapable bond. As identical twins, Haylee and Kaylee Fitzgerald have always done things in exactly the same way. With Kaylee back at home after her sister's betrayal, her life has been turned inside out. Both her mother and Haylee are away and Kaylee's alone and more lost than ever. Her father suggests going to a new school where she can have a fresh start, and where no one will know about her dark past. *Seeds of Yesterday* V.C. Andrews, 2011-02-08 Now a major Lifetime movie event—Book Four of the Dollanganger series that began with *Flowers in the Attic*—the novel of forbidden love that captured the world's imagination and earned V.C. Andrews a fiercely devoted fanbase. They escaped their mother's hellish trap years ago, but a cruel history of lies and deceit has come full circle... The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger family's darkest secrets. Now, with three grown children and even a new last name, the pair seem to have outlived a twisted legacy. But on their son Bart's twenty-fifth birthday, when the spiteful and disturbed young man claims his rightful inheritance, the full, shattering truth of their tainted past will be revealed at Foxworth Hall—the place where the nightmare began, and where Christopher and Cathy were once just innocent flowers in the attic...

*Whitefern* V.C. Andrews, 2016-07-26 The long-awaited sequel to *My Sweet Audrina*, one of V.C. Andrews's strangest, most beloved books—and now a Lifetime movie! *Whitefern* swallowed Audrina's childhood—and now the sprawling Victorian mansion threatens her adult life too... Audrina remembers a better time, when her husband, Arden, was a young man with a heart filled with devotion for her. He didn't used to be this ambitious, expansive...this cruel. But then, the death of Audrina's father changed a great many things. When the reading of her father's will reveals that Audrina herself will control fifty-one

percent of the family brokerage—the halls of Whitefern again don't feel safe. Arden's protestations become frantic, nearly violent. And while Audrina didn't anticipate running the family business, she's curious to do so. And she can't help but wonder what had made her father change his will at the last minute? What did he know about Arden that she didn't? Trapped in the middle of it all: her fragile, simple sister—the beautiful, trusting Sylvia. Audrina promised her father she'd watch over the young woman. But after years of relative quiet, the dark days of Whitefern may have returned...
