Summary of Sally Thorne's The Hating Game Everest Media,2022-02-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Love and hate are both intense emotions. They are similar in that they consume you and take over your life, but they are different in that love is something you choose, while hate is something you don't want. #2 The author hates Joshua Templeman, and for good reason. She is constantly harassed by him, and has no privacy. #3 The author used to work in a publishing house, and even dreamed of being a publisher herself. She now works in a different publishing house, and even though she used to dream of being a publisher, she now realizes that she can't let Joshua win. #4 The author and her colleague, Joshua, were matched perfectly in terms of work style. She is a Gamin who loves to sit down and discuss things face to face, while he is a Finisher who excels at working via email. They were matched perfectly in terms of work style, but completely opposed in terms of work goals.

Summary of 12 Rules for Life by Jordan B. Peterson Peter Cuomo,2022-01-03 A high-quality summary of Jordan B. Peterson book 12 Rules for Life, including chapter details and analysis of the main themes of the original book. About the original book: Dr. Peterson teaches us why skateboarding boys and girls must be left alone, what awful fate awaits those who criticize too readily, and why you should always pet a cat when you see one on the street in his hilarious, fascinating, and educational book. What can we learn about standing up straight (with our shoulders back) and achieving success from the neurological system of a lowly lobster? Why did the ancient Egyptians consider the ability to pay close attention to be the most important of gods? When individuals grow angry, arrogant, and vindictive, what horrible roads do they take? Dr. Peterson takes a broad trip, covering discipline, freedom, adventure, and responsibility, and reducing the knowledge of the world into 12 simple but profound life principles. 12 Rules for Life shatters current commonplaces in science, theology, and human nature while altering and ennobling its readers' minds and spirits.

You Deserve Each Other Sarah Hogle,2020-04-07 When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends

the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.
