666 The Number of the Beast Dabiri Timothy, 2019-09-18 Then I saw a beast coming up out of the sea. (Rev13:1a) Who is this beast? What is the purpose of its coming? What is its mystery number 666 all about? What is the secret about its mark which it will force upon humanity? These and many others are questions being asked about this expected alien, the evil one, who is coming to tempt the whole human race and, thus bring as many as possible to destruction. Ever since the creation of time, there has been a battle going on the struggle over winning human race between God and devil. God wants man for eternal joy, but devil wants man for eternal destruction. Devil deceived man to sin in the beginning, and the sin brought condemnation to mankind. God sent His only begotten Son to the world to destroy the work of sin, and the punishment it brought, and thus established the work of salvation. Devil was not pleased with the establishment of the work of salvation. For this reason he is sending his own son and heir, beast to the world with a clear purpose to destroy the work of salvation.

The beast is the expected alien, the evil one, who is coming to tempt the whole human race, and thus bring as many as possible to destruction. The scripture, especially the book of Revelation prophesies about its coming, leaving many questions in the minds of many. This book provides practical solution and answers to many questions that might have developed in the minds of many people over the time. The book depths into many hidden mysteries about the beast who the beast is the purpose of its coming its mystery number 666,its evil mark, its work, and " the biblical revealed secret to overcoming its antics".

The Beast and His Number (666) On the Calculator John R. Garay,2023-12-14 About the Book The Beast and His Number (666) On the Calculator was written for the expressed purpose of compiling more data amongst the readers of those who have a mathematical mind, and who are of a religious nature. This compendium shows how to derive the Beast's number, 666, and other relevant numbers pertaining to the number 666. 666 is, of course, the Antichrist's number, and His rise in today's societies is becoming more prevalent right before our eyes! The Beast's number is cleverly hidden on the keypads: of calculators and iPhones as a subliminal number that goes directly into the mind of the person who looks upon the keypad! The subconscious mind can add, and subtract, and can come up with the number 666. Since the subconscious mind accepts this number, the conscious mind tends to accept it as well. It is written in Revelation of the Holy Bible that whoever accepts this number will not be found in the Lamb's Book of Life, but God's wrath abides on them! About the Author John R. Garay was in the Navy for six years, stationed in Guam. He belonged to the Fleet Ballistic Missile Program. As a 3rd class petty officer, his duties were wide and varied. His job was to see that the Polaris missile was ready to fly. Garay's education in the Navy was very intensive in electronics, and computer logic. He spent most of his free time on his hobby, which was electronics, until he moved to the Ohio Veterans Home.
