Apprenticed to a Himalayan Master Sri M, 2022-07-18 In this tell-all autobiography, Sri M writes about his fascinating journey as a young man from the southern coast of India to the mystical Himalayan Mountains. At the age of nineteen and a half, he felt an irresistible urge to go to the Himalayas in quest for his great Master. He finally met his Master at the Vyasa Cave, beyond the Badrinath shrine. After spending three and half years with his Master, wandering freely across the length and breadth of the Himalayan ranges, he was instructed to go back to live in the plains and lead a normal life. He started working for a living, fulfilled his social commitments and prepared himself to teach others all that he had learned and experienced. This book reveals the spiritual journey of a young lad from Kerala, who by his sincerity and dedication evolved into a living yogi. Sri M shares his knowledge of the Upanishads and spiritual insights born out of first hand experiences in his autobiography. *Apprenticed to a Himalayan Master* will make for an engaging and riveting read for those interested in the life and teachings of Sri M.

The Journey Continues Sri M, 2022 SRI M WAS BORN in Trivandrum Kerala in 1949. At the age of nine he had a strange encounter in the backyard of his house. Under the jackfruit tree he saw a matted-haired yogi. The yogi blessed him saying 'you will get to know our connection in time' and walked away. After this incident the mind of the young boy, born of Deccani Muslim parents, turned towards Vedanta and the great Indian tradition of yoga that led to deep contemplation. Meeting many known and unknown sages and yogis as if by design, Sri M at the age of 19 left home and went off to the Himalayas. There, at the Vyasa Guha beyond Badrinath, he met the great yogi Sri Maheshwaranath Babaji belonging to the Nath sampradaya. As an apprentice to this great being, his mind underwent a profound transformation. Travelling with this bare-footed yogi, he had many wonderful experiences. A detailed account of his almost unbelievable experiences from childhood to the present can be found in Sri M's autobiography, *Apprenticed to a Himalayan Master: A yogi's Autobiography*. On the instructions of his master, he returned to the plains and lived incognito for a long time. Meanwhile, he got married and has two children who are themselves grownup and married now. Sri M wears no grand robes, has no special hair style, is often found wearing jeans and T-shirt or dhoti and white shirt. He lives in Madanapalle, travels around the world conducting retreats and giving talks on yoga, Upanishads, Sufi teachings - in short, inner core of the religious traditions of most religions including the Jewish, the Christian, Buddhist and so on. He calls himself a practising yogi. Sri M

heads the Satsang Foundation which runs the Satsang Vidyalaya - a free school for the underprivileged and an IIC-ICSC boarding school called Peepal Grove School, a rural school in a remote village 20 kms from Madanapalle and a Swasthya Kendra - a free medical service for the poor. The Satsang Foundation has recently initiated the MYTHRI programme involving large scale re-forestation and is in the process of setting up a modern hospital to cater to the needy on the outskirts of Bangalore.

Sri M Sri M., 2017 Sri M was born in Trivandrum, Kerala. At the age of nineteen and a half, attracted by a strange and irresistible urge to go to the Himalayas, he left home. At the Vyasa Cave, beyond the Himalayan shrine of Badrinath, he met his Master and lived with him for three and a half years, wandering freely, the length and breadth of the snow clad Himalayan region. What he learnt from his Master Maheshwarnath Babaji, transformed his consciousness totally. Back in the plains, he, as instructed by his Master, lived a normal life, working for a living, fulfilling his social commitments and at the same time preparing himself to teach all that he had learnt and experienced. At a signal from his Master he entered the teaching phase of his life. Today, he travels all over the world to share his experiences and knowledge. Equally at home in the religious teachings of most major religions, Sri M, born as Mumtaz Ali Khan, says Go to the core. Theories are of no use. Sri M is married and has two children. During 2015-16 Sri M undertook the Walk of Hope, from Kanyakumari to Kashmir for 15 months covering a distance of 7500 kms, spreading the message of peace and harmony to restore the nation fit enough to be bequeathed to the future generations. He leads a simple life - teaching and heading the Satsang Foundation, a charitable concern promoting excellence in education. At present he lives in Madanapalle, Andhra Pradesh, three hours drive from Bangalore.

The Collected Works of Chögyam Trungpa: Volume 7 Chogyam Trungpa,2010-09-28 The Collected Works of Chögyam Trungpa brings together in eight volumes the writings of one of the first and most influential and inspirational Tibetan teachers to present Buddhism in the West. Organized by theme, the collection includes full-length books as well as articles, seminar transcripts, poems, plays, and interviews, many of which have never before been available in book form. From memoirs of his escape from Chinese-occupied Tibet to insightful discussions of psychology, mind, and meditation; from original verse and calligraphy to the esoteric lore of tantric Buddhism—the impressive range of Trungpa's vision, talents, and teachings is showcased in this landmark series. Volume Seven features the work of Chögyam Trungpa as a poet, playwright, and visual artist and his teachings on art and the creative process, which are among the most innovative and provocative aspects of his activities in the West. While it includes material in which Trungpa Rinpoche shares his knowledge of the symbolism and iconography of traditional Buddhist arts (in Visual Dharma), this richly varied volume primarily focuses on his own, often radical creative expressions. The Art of Calligraphy is a wonderful showcase for his calligraphy, and Dharma Art brings together his ideas on art, the artistic process, and aesthetics. Tibetan poetics, filmmaking, theater, and art and education are among the topics of the selected writings.
