**Bruce Lee The Tao of Gung Fu** Bruce Lee, 2015-09-08 In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts--collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world--by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do--combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master--and Lee was the first martial artist to attempt this. Today he is revered as the father of martial arts practice around the world--including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu scrapbook of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

**Chinese Gung Fu** Bruce Lee, 1987 This new edition of Bruce Lee's classic work rejuvenates the authority, insight, and charm of the master's original 1963 publication for modern audiences. It seamlessly brings together Lee's original language, descriptions and demonstrations with new material for readers, martial arts enthusiasts and collectors that want Lee in his purest form. This timeless work preserves the integrity of Lee's hand-drawn diagrams and captioned photo sequences in which he demonstrates a variety of training exercises and fighting techniques, ranging from gung fu stances and leg training to single- and multiple-opponent scenarios. Thought-provoking essays on the history of gung fu, the theory of yin and yang, and personal, first-edition testimonials by James Y. Lee, the legendary Ed Parker, and jujutsu icon Wally Jay round out this

one and only book by Lee on the Chinese martial arts. -- from back cover.
