**Choose Your Enemies Wisely** Patrick Bet-David, 2023-12-05 National Bestseller! What's the difference between your competitor and your enemy? You know who your competitors are. You keep tabs on them regularly, and can list them calmly, along with their strengths and weaknesses. But your enemies are a whole other matter. They're the haters and the doubters who said you'd never make it, the ones who stomped on your dreams. When you think about your enemies, you get emotional. You feel like you won't let anything—or anyone—stop you. In *Choose Your Enemies Wisely*, Patrick Bet-David, #1 Wall Street Journal bestselling author, founder of Valuetainment, and host of The PBD Podcast, shows how to harness that emotion to turbocharge your business, dominate this year, and grow for generations after. But first, you need to choose your enemies wisely. Bet-David has spent years perfecting the system that led to the knockout success of his own financial services company. Now, Bet-David shares the secret behind this system: his 12 Business Building Blocks, which will teach you how to seamlessly blend emotion and logic in your business plan. Both a practical document for achieving goals and the fuel needed to fire up yourself and your team, this plan goes beyond the “how” and digs deeper into the “why”: not only how you'll get funding, but why you need long-term vision; why you must build a culture that makes employees want to run through walls; why you have to know the enemy you're out to prove wrong. Straightforward and simple, the steps in this book will lead you to move the levers that create exponential growth and lasting success. Read *Choose Your Enemies Wisely* if you are a visionary, dreamer, and big thinker. Where you are now in your business journey doesn't matter. By following Bet-David's plan, you will set up your business for sustainable success and accomplish your most audacious goals.

relationship with the American Jewish community and the State of Israel. Addressing the various dimensions of his personal and political connections with Jews and Israel, this publication is designed to provide an assessment of how the Trump presidency has influenced and altered American Jewish political behavior. Writers from different backgrounds and political orientations bring a broad range of perspectives designed to examine various aspects of this presidency, including Trump's particular impact on Israel-US relations, his special connection with Orthodox Jews, and his complex and uneven relationship with Jewish Republicans. For liberal American Jews, these four years represented a fundamental revolution, overturning and challenging much that a generation of activists had fought to achieve and protect. For Trump's supporters, it afforded them an opportunity to advance their priorities, while joining the forty-fifth president in changing the American political landscape. The "Trump effect" will extend well beyond his four-year tenure, creating an environment that has fomented the politics of hate and exposed a deeply embedded presence of anti-Semitism. How Americans understand this moment in time and the ways society will adapt can be reflected through the prism of the Jewish encounter with Trumpism that this volume seeks to explore.
