The Incident Report Martha Baillie, 2014-09-22 Strikingly original in its structure, composed of highly distilled, lyric reports in which you discover if Rigoletto, the hunchbacked jester from Verdi's opera is alive and living in Toronto. In a Toronto library, notes appear, written by someone who believes he is Rigoletto, the hunchbacked jester from Verdi's opera. Convinced that the young librarian, Miriam, is his daughter, he promises to protect her. Little does he know how much loss she has already experienced; or does he? Strikingly original in its structure, composed of 140 highly distilled, lyric "reports," the novel depicts the tensions between private and public storytelling and the subtle dynamics of a socially exposed workplace. Reports on bizarre public behavior intertwine with reports on the private life of the novel's narrator. Both mystery and love story, *The Incident Report* daringly explores the fragility of our individual identities.

The Penguin Guide to Compact Discs and DVDs Yearbook Ivan March, Edward Greenfield, Robert Layton, 2006 The essential companion volume updating Penguin's most recent CD/DVD guide This yearbook supplements *The Penguin Guide to Compact Discs and DVDs*, the largest and most comprehensive survey of classical music on digital audio and video discs ever published. Together, the two books cover thousands of recordings and films, offering candid evaluation of their relative artistic and technical merits, highlighting notable performances, and pinpointing best buys. This yearbook not only reviews the many hundreds of CDs that have appeared since the publication of the main guide in 2005, but it also takes a close look at some of the more unusual areas of the classical music repertoire and includes an extensive section on instrumental concerts and recitals. Designed to help select the very best classical music and video discs available to date, *The Penguin Guide to Compact Discs and DVDs Yearbook* is an invaluable resource for any classical music lover.

The First Book of Classical Horror Stories D F Lewis, 2012-06-27 An anthology of Horror Stories by various authors on the theme of Classical Music. ----- Editor's potentially biased appraisal: A basic reasonably priced paperback in the good-hearted tradition of the Small Press of yesteryear, with all its mixture of good and potential characterful 'idiosyncracies'. ----- The 'Classical' in 'Classical Music' entails Romantic and all manner of other styles ancient and new: a Marriage of Heaven and Hell from Baroque to Broke. Indents and spacings-out with ligetis or ligottis and other knots of text that create new visions, new meanings: ugly or sublime, rarely neither, often both. a quotation from 'Thumper-Monster: The Phenomenology of Music' (2001) by Tokkmaster Clerke ----- Classical music is the music that is sold from the Classical Music department of

HMV in Oxford Street, London. a quotation from 'Simple Definitions' (1996) by Nial Hopper

The Power of Emotional Intelligence Molly Potter,2024-08-08 We've all been told emotional intelligence is a good thing, but are we really clear about what it is and how we can all get more of it? We know it helps children self-regulate, be more motivated, maintain relationships and be more resilient, but how do we go about accessing these benefits? The Power of Emotional Intelligence will help primary school teachers and leaders to increase their awareness and use of emotional intelligence to improve the wellbeing of the whole school community. It includes everything you need to embed emotional intelligence at the core of your school's ethos. This practical book: • explores key issues relating to emotional intelligence to help develop adults' understanding; • contains a wealth of activities that can be used with children to help develop their emotional intelligence, with extra focus given to anger and anxiety, as well as the impact emotions can have on learning and relationships; • covers the beneficial impact of emotional intelligence when supporting challenging behaviour; • outlines a straightforward emotional intelligence curriculum that ties into the personal, social, health and economic education (PSHE) schemes of work; and • provides ideas for developing a whole-school approach to putting emotional intelligence firmly on the agenda. This comprehensive resource has been written with teachers and school leaders in mind – particularly PSHE leads, special educational needs coordinators and those who work in pupil referral units and alternative provisions; but it is a useful tool for all adults working with children who are looking to improve children's self-awareness and wellbeing.

Gnossienne No. 1 Erik Satie,Philip Seguin,2011-04-01 Crowned by some as the champion of the musical miniature, Satie found formality annoying, as is clearly evident in the manuscript for his quaint Gnossiennes. Appearing for the first time are humorous indications to the performer, in lieu of traditional Italian directives. This is another great example of this famous French composer's unique style that lends itself well to the brass quintet.
