Walt Hopkins,George F Simons

Seven Ways to Lighten Your Life Before You Kick the Bucket Walt Hopkins,George F Simons,2015-12-07 A bucket list is a list of things to do before you die. This book is a guide to ways to live before you die. Whether you have a bucket list or not, the stories and insights in this book offer you seven clear ways to lighten--and enlighten--your life before you kick the bucket. George Simons and Walt Hopkins (international consultants in their mid-seventies) have learned a lot about living well while getting older--and they generously and intimately share those learnings with men and women concerned about aging.

Live the Journey Joseph A. Primm,2010-11-10 If life were easy, there would be no need for mentors, friends, or family. Inspiration and motivation would come naturally. Everything we ever wanted would simply come to us. But the reality is that life is a difficult journey we must travel. Sometimes the road will be smooth with a gusty wind at our back. At other times we will find ourselves mired in the mud. During those travels we use a map to find our way to the destination. This book is also a map to help guide you to that destination. It aims to inspire, motivate, and pull you from being mired in the mud. The stories you will find inside are like the many different routes on a map. While each has purpose and meaning, like the many different routes on a map, the stories will have different meanings for each of us. Simply allow the stories to be a guide for you to choose your own path. And while we may be on different paths; we each have the same destination in mind, which is a great life we all seek. So grab hold of the stories and allow them to be your guide as you travel through life. Live the journey and experience all the goodness that you pass along the way.

Seek First, Teach Second Danielle Lee,Danielle Zee,2025-09-02 Very few things are more frustrating in the world of education than attending professional development events run or written by individuals so far removed from the classroom that the practicality of what they're presenting is largely useless. Seek First, Teach Second is a five-week devotional full of real-life stories based on real classroom experience as well as motherhood, showcasing how educators can put their faith into

practice in a professional setting. However, more than sharing a collection of heartwarming and sometimes heartbreaking tales, the overarching goal is to give teachers, specifically those serving in a public-school setting, a resource to help validate the work of their calling, reflect on their effectiveness from an eternal perspective, encourage them to capitalize on the power of prayer, and rightly prioritize their faith, their family, and the high demands of their profession. Christian programs in public schools such as Fellowship of Christian Athletes and See You at the Pole solely focus on student leadership. While it is often assumed and expected that the adult sponsors of said programs are believers, where are they getting their Biblical leadership training? If the Church does not encourage and equip the soldiers on the front lines of the battlefield of the classroom, it's a missed opportunity to stand in the gap and intercede on behalf of these children.
