I Know a Rhino Kevin Harrison,1999-10-01 He takes his tea each day at three, but he also mambos, sings the blues and plays a mean saxophone. She sleeps under a heart-covered quilt, but she loves to play basketball, fly high on her snowboard and hang-glide on windy days. These two rhinos will appeal to everyone.

I Know Better Now Richie Ramone,2018-11-18 It's 1982 and the Ramones are in a gutter-bound spiral. Following a run of inconsistent albums and deep in the throes of internal tensions, the legendary quartet is about to crash and burn. Enter Richie Ramone. Then a 26-year-old from New Jersey named Richard Reinhardt, he's snapped up by the group to be their new drummer and instantly goes from the obscurity of the underground club scene to membership in the most famous punk-rock band of all time, revitalizing the pioneering outfit with his powerful, precise, and blindingly fast beats – composing classic cuts like the menacing anthem “Somebody Put Something in My Drink” and becoming the only Ramones percussionist to sing lead vocals for the group. With the Ramones, he performs over five hundred shows at venues all around the world and records three storming studio albums – before abruptly quitting the band and going deep underground. To most fans, this crucial figure in the band's history has remained a mystery, his tale untold. Until now. *I Know Better Now: My Life Before, During, and After the Ramones* is the firsthand, four-on-the-floor account of a life in rock 'n' roll and in one of its most influential acts – straight from the sticks of the man who kept the beat.

A Poison Tree M. C. Wilkinson, 2019-12-16 Alabaster must find where she fits in to the city's new dynamics after the rebellion of the Clones took the lives of so many and nearly took hers. She is called upon to help rebuild by her mother Eliana, who is now running the city. Alabaster can't help but feeling like a puppet again as she struggles to find her own identity. Then there's the problem of Cameron. He is being held by Eliana and the new Clone leaders for murder. The only reason he hasn't been executed like so many others is Alabaster's denied attachment to him. Alabaster starts having dreams from another life that may hold the key to all her problems, or will they lock her fate to this path of destruction?

Zoe & Zak and the Ghost Leopard Lars Guignard, Some say all children are born with magic inside of them. Zoe Guire is about to find out if that's true. Zoe doesn't believe in ghosts. She doesn't believe in mythical creatures. And she definitely doesn't believe in magic. But it's amazing how quickly everything you think you believe can change when you're confronted by the impossible. When Zoe finds herself lost, halfway around the world, her first thought is that she needs to get back to where she came from. Fast. But her friend Zak has other ideas, and when a peculiar snake charmer directs them deep into the Himalayan Mountains in search of a mythical leopard, what began as an accident soon takes on a life of its own. Zoe isn't worried. Not at first anyhow. Sure the talking elephant is strange, and the snake charming yogi is stranger, but she's a big girl. She figures she can handle it. But then, somewhere between the living statues and the screeching monkeys, Zoe realizes that what is happening to her and Zak is no accident. It's the result of something Zoe has deep within her, an energy so powerful, yet so personal, that she alone can right a deadly wrong. But nobody said confronting an ancient evil would be easy. And Zoe and Zak will have no chance at all unless they put aside their differences and believe. Discover the magic inside of you. Join Zoe and Zak on their Himalayan adventure today. *The adventure continues. When you've finished *Zoe & Zak and the Ghost Leopard*, be sure to read Book Two in the Zoe & Zak Series: *The Yogi's Curse*, followed by Book Three, *The Tiger Temple*. And yes, Book Four is coming soon!
