

# Is Russia Called The Motherland

**R. A. Mullerson**

Russia in Search of Its Future Amin Saikal, William Maley, 1995 The contributors to this book analyse a Russia which is searching for its future amid a maelstrom of complex forces - political, economic, socio-cultural, and international.

RUSSIA - The Land of my Forefathers Valery Walter Lebedew, OAM, 2016-01-28 A Russian revisits his family nearly 50 years after fleeing the Soviet Union, just as Perestroika is about to start.

**Russia** David K. Shipler, 2016-02-17 A classic portrait of life in Soviet Russia by Pulitzer Prize-winning journalist David Shipler During the Cold War, David Shipler spent four years in Moscow as a New York Times correspondent and bureau chief. Out of that experience came *Russia*, a book that probed beneath the usual surface observations, stereotypes, and official rhetoric to present a subtle, multi-layered depiction of the tenor of the country behind the Soviet façade. In 1989, Shipler returned to write an updated edition, retaining his focus on the durable features of Russian life and spirit, while taking into account the changes wrought by Gorbachev and glasnost at the end of the Cold War. The result is a memorable, incisive, and eminently human portrait of the Russian people that remains as vital as ever amid increased tensions between Russia and the United States.

**Russia & Eurasia Documents Annual**, 2004

Free Russia, 1895

**Struggling Russia**, 1920

Russian Life, 2003

**From German Königsberg to Soviet Kaliningrad** Jamie Freeman, 2020-11-10 This book explores how the Soviet Union, after capturing and annexing the German East Prussian city of Königsberg in 1945 and renaming it Kaliningrad, worked to transform the city into a model of Soviet modernity. It examines how the Soviets expelled all the remaining German people, repopulated the city and region with settlers from elsewhere in the Soviet Union, destroyed the key remaining German buildings and began building a model Soviet city, a physical manifestation of the societal transformation brought about by communism. However, the book goes on to show that over time many of the model Soviet buildings were uncompleted and that the citizens, aware of their Polish and Lithuanian neighbours to both the east and the west and appreciating their place in the wider Baltic region, came to view themselves as something different from other Soviet and

Russian citizens. The book concludes by assessing present developments as the people of Kaliningrad are increasingly rediscovering the city's pre-Soviet past and forging a new identity for themselves on their own terms.

**Current History and Forum** ,1920

*Russian Nationalism from an Interdisciplinary Perspective* Daniel Rancour-Laferriere, 2000 This study examines how Russians imagine Russia in the 21st century and for the last three centuries. It looks at Russian history and modern day conflicts, such as ethnicity, to see how Russian people identify themselves. This study sheds light on many topics in Russian history, such as nationalism, anti-Semitism, Orthodox Christianity and ethnic others and reaction to NATO actions in Kosovo.
