Avery Monroe

Not Just Political Douglas Young, 2025-05-05 In this perceptive, provocative, and witty collection of fifty-nine essays, political science professor emeritus Dr. Douglas Young examines a variety of personal topics, educational and free-expression issues, and works of art and entertainment. On the home front, he explores family matters, comical dating mishaps, a hilarious tour of strip clubs, religion, how he earned his very own FBI file, his love of cemeteries, a fascination with UFOs, and many other offbeat interests and adventures. On the educational front, he focuses on the corrosive forces corrupting our vast educational-industrial complex. On the free speech front, Dr. Young details the mounting efforts to restrict our liberties and argues why we must zealously defend our constitutional rights. On the fine arts and entertainment fronts, he reviews many books, films, and records, including works by or about Bob Dylan, Brian Jones, Jimi Hendrix, George Harrison, Fleetwood Mac, Bernie Taupin, Woody Allen, Ron Howard, Mel Gibson, Kat Timpf, Greg Gutfeld, Tyrus, Jimmy Failla, and Bill Maher. Also touched on are artists as dissimilar as Emily Dickinson, F. Scott Fitzgerald, Salvador Dali, Bela Lugosi, Ed Wood, John Kennedy Toole, John Lennon, Sir Paul McCartney, Sir Ringo Starr, Nick Drake, Sir Mick Jagger, Keith Richards, Gene Hackman, Sir Elton John, and Kurt Cobain.

I Used to Like You Until... Kat Timpf, 2024-09-10 THE INSTANT NEW YORK TIMES BESTSELLER A “whip-smart” (USA TODAY) exploration of the dangers of binary thinking and how it threatens to take over our institutions, relationships, and freedoms—alongside hilarious and illustrative personal stories from New York Times bestselling author Kat Timpf. We’ve become a society of non-thinkers. After all, we’ve largely limited ourselves to just two options when it comes to complex issues. As an independent, libertarian voter who has spent the last ten years at Fox News, Kat has faced this phenomenon too many times to count. She’s learned that surprising things can happen when you refuse to choose a team, especially when you work at a place some people call an existential threat to America. Binary thinking is much more than just the enemy of critical thinking, it’s also an immediate danger to our political discourse, our institutions, our way of consuming news, our relationships, our creativity, and even to our freedoms. All too often, we will let a single difference in viewpoint, an assumption, or an association be enough to write off another person entirely. We miss out on opportunities to connect and collaborate, all while the people in power benefit from our division. Through humorous examples from her own life and insight only someone in her bizarre position can possess, Kat reminds us that the world doesn’t have to be so black and

white. In her signature witty voice, Kat inspires us to lean into thoughtful consideration, genuine conversation, vulnerability, and only hating people when they really deserve it.

You Can't Joke About That Kat Timpf, 2023-04-18 What happens when we can’t joke about some of the most important stuff in life? In a 2019 study, 40% of people reported censoring themselves out of fear that voicing their views would alienate them from the people they care about most. Those people should probably not read this book in public. In You Can’t Joke About That, Kat Timpf shows why much of the way we talk about sensitive subjects is wrong. We’ve created all the wrong rules. We push ourselves into unnecessary conflicts when we should feel like we’re all in this together. When someone says “you can’t joke about that,” what they really mean is “this is a subject that makes people sad or angry.” Hilariously and movingly, Timpf argues that those subjects are actually the most important to joke about. She shows us we can find healing through humor regarding things you probably don’t want to bring up in polite conversation, like traumatic break-ups, cancer, being broke, Dave Chappelle, rape jokes, aging, ostomy bags, religion, body image, dead moms, religion, the lab leak theory, transgender swimmers, gushing wounds, campus censorship, and bad Christmas presents. This book is Kat Timpf with her hair down, except since hers is mostly extensions, this book is Kat Timpf with her hair out. Read it because you want to get to know her better. Read it because it’s the best book on free speech and comedy in a generation. Read it because you want to laugh out loud... even at the kind of stuff we’re afraid to say out loud. Just read it, and you’ll be glad you did.

movement from acclaimed political journalist Tina Nguyen, who began her career--and her education--on the ground levels of the conservative recruiting machine--

Radicals, Resistance, and Revenge Judge Jeanine Pirro, 2019-08-27 Picking up where her #1 New York Times bestseller, *Liars, Leakers, and Liberals* left off, Judge Jeanine Pirro exposes the latest chapter in the unfolding liberal attack on our most basic values. Donald Trump's presidency has been under siege by the Left and their Deep State fellow travelers who concocted an outrageous case of conspiracy with Russia to keep him from doing what he was elected to do: secure America's borders, revive its economy, drain the Washington DC swamp, and restore our constitutional republic. Overturning presidential elections, nationalizing private industries like healthcare and education, destroying America's borders, erasing its national identity, and effectively silencing conservative voices in the cybersphere and public square are a few examples of the lengths to which the far-left progressives and socialists will go to destroy the America we love. *Radicals, Resistance, and Revenge* features Judge Jeanine's keen analysis of explosive information about the anti-Trump conspirators, their corrupt methods and possible crimes, and the Left's subversive plot against the foundation of American liberty. Judge Jeanine is sounding the alarm and calling out those who despise our most cherished ideals and institutions to warn patriotic Americans before it's too late.
