Love is a losing game Preston Nelson,2020-03-11 Love is an emotion that should not be given easily, before you give the emotion of love you should be conscious to make sure this person is giving you loyalty, respect, dedication and they are as committed to you as you are to them. Love is the number one reason people get married and love should not be the number one reason to get married, these other qualities should be in place first. If you give love too soon you can be with someone and love them but not trust them. A relationship like that is doomed from the start, there are many that are in toxic relationships that they should not be in. If you ask them why are they still with the person more times than not they will tell you it's because they love them. That's a clear sign that their priorities were not in order. I reiterate love is an emotion you should make your significant other earn first. If loyalty, trust, respect, commitment and dedication are there first in my opinion the marriage or relationship is solidified enough for love at that point.

The Song Remains the Same Andrew Ford,Anni Heino,2019-12-02 An illuminating history of the song for every kind of music lover Often today, the word 'song' is used to describe all music. A free-jazz improvisation, a Hindustani raga, a movement from a Beethoven symphony: apparently, they're all songs. But they're not. From Sia to Springsteen, Archie Roach to Amy Winehouse, a song is a specific musical form. It's not so much that they all have verses and choruses – though most of them do – but that they are all relatively short and self-contained; they have beginnings, middles and ends; they often have a single point of view, message or story; and, crucially, they unite words and music. Thus, a Schubert song has more in common with a track by Joni Mitchell or Rihanna than with one of Schubert's own symphonies. The Song Remains the Same traces these connections through seventy-five songs from different cultures and times: love songs, anthems, protest songs, lullabies, folk songs, jazz standards, lieder and pop hits; 'When You Wish Upon a Star' to 'We Will Rock You', 'Jerusalem' to 'Jolene'. Unpicking their inner workings makes familiar songs strange again, explaining and restoring the wonder, joy (or possibly loathing) the reader experienced on first hearing. 'As much about singing, musicianship and recording as it is about songwriting, this eclectic ride through a unique choice of songs (everyone will argue for alternatives) is cleverly curated and littered with intriguing details about the creators and their times, filled with loving cross-references to other songs and deft musical analysis. I defy anyone not to leap online to listen to the unfamiliar, or re-listen to old favourites in light of new detail. One of the best games in this book is figuring out why one song follows the other: there's always an intelligent, often

very funny, link.' —Robyn Archer

Love Unfolded Abdur Rahim,2019-08-08 Where there is love there is life. But what love is? To understand love at the deepest level, we need to know what love is and how it is explained? This book attempts to share inspiring insights, anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global cultures over time, which is presented precisely, easy to read, and understand to the readers on the matter of love, marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness. The book is for the general public of all sections of global society and culture. The three key messages readers shall take away from this book. They are: a) love is the essence, b) marriage is a bond, and c) sex is the ultimate supreme pleasure of life. Explaining these themes, attempts have been made to broadly discuss about the topics, bringing together various ideas from diverse sources, historical periods, cultures, and philosophical perspectives, along with contemporary empirical work from psychology, sociology, anthropology, and neuroscience. The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love, marriage, relationships, and observed or unobserved differences between men and women, and what social, historical, cultural, political, evolutionary, or biological factors might influence them. Nonetheless, the substance of the book tells the inner most words of every men and women that are being preserved since their young age. Finally, the book will be of good values and understanding with readers' own journey of love, marriage, and relationship. These are the reasons why the readers will buy the book. The main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time.

Amy Amy Amy: The Amy Winehouse Story Nick Johnstone,2011-09-23 Author Nick Johnstone unravels the all too short life and career of one of Britain's most brilliant and troubled stars. Amy Amy Amy tracks Amy Winehouse's erratic journey to fame from her North London Jewish family home, detailing her meteoric rise to stardom and the two albums that catapulted her to the top. Her well-publicised problems with alcohol and drugs, self-harm and personal relationships kept her in the headlines, always threatening to obscure her extraordinary musical gifts. Amy Amy Amy redresses the imbalance, giving full measure to Winehouse's talent while offering an honest account of her multiple personal crises. This updated edition of Amy Amy Amy takes the story up to July 2011 and Amy's tragic and unexpected death at her home in Camden Town following an aborted European tour and her final appearance on stage with her goddaughter at the Roundhouse in Camden.

Love's Loser Scott Antwan,2009-08-31 Love's Loser is a tale of love found and love lost. Told through a collection of soul baring poetry, it is one lonely heart's journey in search of someone to belong. In life we each find ourselves answering to the call of love, while walking towards it blindfolded. Love's Loser is a vivid portrait of the intense battle between heart and mind, body and soul. Never before has a love story been told so engagingly real through a collection of poetry. Poem by poem you will experience the love hunt from the beginning to the end, as if it were your own. Love is a losing game and sadly at some point, we all find ourselves to be known as Love's Loser.
