

More Than Wonderful Lanny Wolfe

Lanny Wolfe

Stories Behind 50 Southern Gospel Favorites Lindsay Terry, (Foreword by George Younce) An inspiring collection of stories behind fifty treasured songs of the faith, including Mansion Over the Hilltop, We Shall Behold Him, He's Still Working on Me, and Sweet Beulah Land.

Saved by Song Don Cusic, 2012-09-25 Saved by Song returns to print with its sweeping overview of the history of gospel music. Powerful and incisive, the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church. In America, gospel music has been divided between white and black gospel. Within these divisions are further divisions: southern gospel, contemporary Christian music, spirituals, and hymns. Don Cusic has provided background and insight into the developments of all these rich facets of gospel music. From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys, to the camp meeting songs of the Kentucky Revival, the spirituals that came from the slave culture, and the hymns from the great revival after the Civil War, gospel music advanced through the nineteenth century. The twentieth century brought the technologies of recordings and the electronic media to gospel music. Saved by Song is ultimately the definitive and complete history of a uniquely American art form. It is a must for anyone interested in the musical and spiritual life of a nation.

Could God Be This Good? Dr. M. Tyrone Cushman, 2014-04 This book represents my attempt and my exhortation to others to step back from the trees in order to see the forest. I believe we human beings were built to win. I believe we were fashioned in eternity, complete with built-in corrections for the flaws that would develop in the time realm because of the free radical of free will. I believe, therefore, that the flaws and sins of humankind have been accounted for and provided for from before the foundation of the world. All sins and their consequences and —from serial murder to self-murder; from heinous tortures, rapes, racism, and wars to all diseases and every sickness, whether physical, mental, or religious and —were laid on Jesus and borne away. the most important phrases Jesus uttered from the cross were, Father, forgive them, and It is finished. He spoke those words as He died the most horrible, unfair, and undeserved death any man could suffer. He was holy, just, and good. He died for us and —the unholy, the unjust, and the un-good and —and yet He said, Father, forgive them.

Southern Sounds From The North Richard L. Doran, 2008-11-06 Historically the state of Ohio has maintained an active

role in the promotion of southern gospel music. Many gospel artists, including some of the Nation's finest, were either born, or lived a portion of their life, in Ohio. Development of these ministries and the events that have taken place along the way has become a valuable part of Ohio's history. Over the past two years, desiring to preserve a portion of this history, I have completed extensive research interviewing gospel artists throughout the state. I then compiled this information into a unique collection of history to be shared with everyone. To help the reader more fully appreciate "life on the road" the stories of these gospel artists are presented within the context of eight road tours covering the entire state of Ohio. Travelling along on each tour we will experience a variety of emotions from laughter to frustration. At each stop we will learn some fascinating facts about the town and while in town we'll stop by and visit with a few of those southern gospel artists and/or groups who claim the town as part of their heritage. Each tour will end with a short walk down memory lane as we view photos of those gospel artists whom we have just visited. So come on! Open the book, climb on board and prepare yourself for eight exciting tours across the great state of Ohio where we'll meet some truly inspiring people. Hope you enjoy the book!

Encyclopedia of Contemporary Christian Music Don Cusic, 2009-11-12 The first comprehensive overview of contemporary inspirational music, covering its historical roots and dramatic growth into one of America's most vital music genres. The Encyclopedia of Contemporary Christian Music: Pop, Rock, and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize. It fills a major gap in the literature on American music and Christian culture, looking at this increasingly popular genre in the context of the overall history of religious music in the United States. With over 200 entries, The Encyclopedia of Contemporary Christian Music covers important performers and industry figures, songs and albums, concerts and festivals, the rise of Christian radio and television, and other issues related to the growth of inspirational music. Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music with musicians such as Elvis, Sam Cooke, Johnny Cash, Bob Dylan, and U2. The work also examines the use of fundamental rock, pop, and rap music templates in the service of songs of faith.

Wondrous Praise, Complete Collection - Favorites from the 1980s to the 2000s James Koerts, 2016-07-18 Wondrous Praise, Complete Collection is a comprehensive resource of easily prepared Contemporary Christian arrangements for services throughout the year.
