Earth Keeper N. Scott Momaday, 2020-11-03 Dazzling. . . . In glittering prose, Momaday recalls stories passed down through generations, illuminating the earth as a sacrosanct place of wonder and abundance. At once a celebration and a warning, *Earth Keeper* is an impassioned defense of all that our endangered planet stands to lose. — *Esquire* A magnificent testament to the earth, from Pulitzer Prize-winning novelist and poet N. Scott Momaday. One of the most distinguished voices in American letters, N. Scott Momaday has devoted much of his life to celebrating and preserving Native American culture, especially its oral tradition. A member of the Kiowa tribe, Momaday was born in Lawton, Oklahoma and grew up on Navajo, Apache, and Pueblo reservations throughout the Southwest. It is a part of the earth he knows well and loves deeply. In *Earth Keeper*, he reflects on his native ground and its influence on his people. “When I think about my life and the lives of my ancestors, he writes, I am inevitably led to the conviction that I, and they, belong to the American land. This is a declaration of belonging. And it is an offering to the earth.” In this wise and wondrous work, Momaday shares stories and memories throughout his life, stories that have been passed down through generations, stories that reveal a profound spiritual connection to the American landscape and reverence for the natural world. He offers an homage and a warning. He shows us that the earth is a sacred place of wonder and beauty, a source of strength and healing that must be honored and protected before it’s too late. As he so eloquently and simply reminds us, we must all be keepers of the earth.

**House Made of Dawn** N. SCOTT. MOMADAY, 2020-08-06 The Pulitzer Prize-winning masterpiece set against the landscape of the American Southwest. 'Superb' New York Times A young Native American, Abel has come home to New

Mexico from war to find himself caught between two worlds. The first is the world of his grandfather's, wedding him to the rhythm of the seasons, the harsh beauty of the land, and the ancient rites and traditions of his people. But the other world - modern, industrial America - pulls at Abel, demanding his loyalty, claiming his soul, and goading him into a destructive, compulsive cycle of depravity and despair. An American classic, *House Made of Dawn* is simultaneously a tragic and hopeful tale about a stranger in his native land, finding his way back to all that is familiar and sacred.

**The Names** N. Scott Momaday, 1977 Of all of the works of N. Scott Momaday, *The Names* may be the most personal. A memoir of his boyhood in Oklahoma and the Southwest, it is also described by Momaday as an act of the imagination. When I turn my mind to my early life, it is the imaginative part of it that comes first and irresistibly into reach, and of that part I take hold. Complete with family photos, *The Names* is a book that will captivate readers who wish to experience the Native American way of life.

*N. Scott Momaday* Phyllis S. Morgan, 2010 N. Scott Momaday, Pulitzer Prize-winning author of *House Made of Dawn* (1969) and National Medal of Arts awardee, is the elder statesman of Native American literature and a major twentieth-century American author. This volume marks the most comprehensive resource available on Momaday. Along with an insightful new biography, it offers extensive, up-to-date bibliographies of his own work and the work of others about him. Phyllis Morgan's account of Momaday's life and career and her chronology of his accomplishments, including his many awards and honors, are based on wide-ranging research and recent interviews in which she elicited Momaday's thoughts on topics and periods of his life that he has not previously touched on. The biography captures his formative years, expands on his academic career, and reflects a deep understanding of his work. The comprehensive annotated bibliography of Momaday's published work catalogs his output through mid-2009, including books, stories, essays, poems, newspaper columns, forewords and introductions, play scripts, and interviews. Morgan has also compiled an extensive listing of works about Momaday and his multifaceted output, including books, critical essays, reviews, newspaper articles, reference sources, online resources, and dissertations and theses. In the introduction, literary scholar Kenneth Lincoln offers additional insight into Momaday's poetry and prose. With Momaday having observed his 75th birthday in 2009, this book showcases his accomplishments as it captures his dedication to family and ancestors, to the sacredness of Earth, and to the traditions of

Native and indigenous peoples. It is an indispensable and foundational research tool and a worthy tribute to a literary icon.

**The Journey of Tai-me** N. Scott Momaday, 2011-10-16 Tai-me is a traditional medicine bundle used by the Kiowa in their Sun Dance. The bundle has been handed down from generation to generation, through the nineteenth century and into the twentieth. N. Scott Momaday made this discovery when he began his journey to learn about the Kiowa and his paternal lineage. Following the death of his beloved Kiowa grandmother, Aho, in 1963 Momaday set out on his quest to learn and document the Kiowa heritage, stories, and folklore. His Kiowa-speaking father, artist Al Momaday, served as translator when Scott visited tribal elders to ask about their memories and stories. Scott gathered these stories into *The Journey of Tai-me*. Originally published only in a limited edition in 1967, *The Journey of Tai-me* is recognized as the basis from which Momaday's more popular *The Way to Rainy Mountain* grew. When compiling *The Way to Rainy Mountain*, published by the University of New Mexico Press, Momaday added his own memories and some poems.

**Dream Drawings** N. Scott Momaday, 2022-05-03 “[Momaday] must be ranked among the greatest of our contemporary writers.”—American Scholar Momaday’s poems are rich with description, lush with dreaming, and filled with magic. — Library Journal (starred review) From Pulitzer Prize winner and revered literary master N. Scott Momaday, a beautiful and enchanting new poetry collection, at once a celebration of language, imagination, and the human spirit. “Language and the imagination work hand in hand, and together they enable us to reveal us to ourselves in story. That is indeed a magical process. . . . We imagine and we dream, and we translate our dreams into language.” —from the Preface A singular voice in American letters, Momaday’s love of language and storytelling are on full display in this brilliant new collection comprising one hundred sketches or “dream drawings”—furnishings of the mind—as he calls them. Influenced by his Native American heritage and its oral storytelling traditions, here are prose poems about nature, animals, warriors, and hunters, as well as meditations that explore themes of love, loss, time, and memory. Each piece, full of wisdom and wonder, showcases Momaday’s extraordinary lyrical talent, the breadth of his imagination, and the transformative power of his writing. *Dream Drawings* is also illustrated with a selection of black-and-white paintings by Momaday that capture the spirit of his prose. Poignant, inspired, and timeless, this is a collection that will nourish the soul.

**Encyclopedia of the Essay** Tracy Chevalier, 1997 A hefty one-volume reference addressing various facets of the essay. Entries are of five types: 1) considerations of different types of essay, e.g. moral, travel, autobiographical; 2) discussions of major national traditions; 3) biographical profiles of writers who have produced a significant body of work in the genre; 4) descriptions of periodicals important for their publication of essays; and 5) discussions of some especially significant single essays. Each entry includes citations for further reading and cross references. Annotation copyrighted by Book News, Inc., Portland, OR

**Three Plays** N. Scott Momaday, 2019-06-05 Long a leading figure in American literature, N. Scott Momaday is perhaps

best known for his Pulitzer Prize-winning *House Made of Dawn* and his celebration of his Kiowa ancestry, *The Way to Rainy Mountain*. Momaday has also made his mark in theater through two plays and a screenplay. Published here for the first time, they display his signature talent for interweaving oral and literary traditions. *The Indolent Boys* recounts the 1891 tragedy of runaways from the Kiowa Boarding School who froze to death while trying to return to their families. The play explores the consequences, for Indian students and their white teachers, of the federal program to kill the Indian and save the Man. A joyous counterpoint to this tragedy, *Children of the Sun* is a short children's play that explains the people's relationship to the sun. *The Moon in Two Windows*, a screenplay set in the early 1900s, centers on the children of defeated Indian tribes, who are forced into assimilation at Carlisle, Pennsylvania, where the U.S. government established the first off-reservation boarding school. Belonging with the best of Momaday's classic writing, these plays are works of a mature craftsman that preserve the mythic and cultural tradition of unique tribal communities in the face of an increasingly homogeneous society.

*Ancient Child* N. Scott Momaday, 1990-09-12 In his first novel since the Pulitzer Prize-winning *House Made of Dawn*, N. Scott Momaday shapes the ancient Kiowa myth of a boy who turned into a bear into a timeless American classic. *The Ancient Child* juxtaposes Indian lore and Wild West legend into a hypnotic, often lyrical contemporary novel--the story of Locke Setman, known as Set, a Native American raised far from the reservation by his adoptive father. Set feels a strange aching in his soul and, returning to tribal lands for the funeral of his grandmother, is drawn irresistibly to the fabled bear-boy. When he meets Grey, a beautiful young medicine woman with a visionary gift, his world is turned upside down. Here is a magical saga of one man's tormented search for his identity--a quintessential American novel, and a great one.

Guns Gerald Hausman, N. Scott Momaday, Jane Lindskold, GUNS Edited by Gerald Hausman This anthology with more than 20 contributors from a variety of authors has something to please for every fan. Editor and contributor Gerald Hausman introduces the anthology with a brief history of GUNS. Stories range in tone from *The Momaday Gun* by Pulitzer Prize-winning author N. Scott Momaday, to *Choice of Weapons* by New York Times bestselling author Jane Lindskold. There is a spiritual history of firearms as well as a historical one. The truth is, they have been with us for a very long time. Every family has a gun story, a firearm anecdote that bares the bones of the oldest argument there is--the one about the plain old cussedness of the human race. In this unusual and varied collection of tales written by masters of the word, we begin with America's legendary past--with the pirate Blackbeard and the gunslinger Billy the Kid, followed by Teddy Roosevelt and moving forward in time to Andy Warhol. Here are stories that will shock and bewilder. N. Scott Momaday Hilary Hemingway Jeff Lindsay Trent Zelazny Jane Lindskold Aram Saroyan Jan Wiener AND MORE Stories of bravery and murder, stories of love, betrayal and suicide. Sometimes it seems that the gun is doing the talking--not for itself--but for all of us.

The Death of Sitting Bear N. Scott Momaday, 2020-03-10 "These are the poems of a master poet. . . . When you read these poems, you will learn to hear deeply the sound a soul makes as it sings about the mystery of dreaming and becoming." — Joy

Harjo, Mvskoke Nation, U.S. Poet Laureate Pulitzer Prize winner and celebrated American master N. Scott Momaday returns with a radiant collection of more than 200 new and selected poems rooted in Native American oral tradition. One of the most important and unique voices in American letters, distinguished poet, novelist, artist, teacher, and storyteller N. Scott Momaday was born into the Kiowa tribe and grew up on Indian reservations in the Southwest. The customs and traditions that influenced his upbringing—most notably the Native American oral tradition—are the centerpiece of his work. This luminous collection demonstrates Momaday's mastery and love of language and the matters closest to his heart. To Momaday, words are sacred; language is power. Spanning nearly fifty years, the poems gathered here illuminate the human condition, Momaday's connection to his Kiowa roots, and his spiritual relationship to the American landscape. The title poem, "The Death of Sitting Bear" is a celebration of heritage and a memorial to the great Kiowa warrior and chief. "I feel his presence close by in my blood and imagination," Momaday writes, "and I sing him an honor song." Here, too, are meditations on mortality, love, and loss, as well as reflections on the incomparable and holy landscape of the Southwest. The Death of Sitting Bear evokes the essence of human experience and speaks to us all.

**The Collected Poems of N. Scott Momaday** N. Scott Momaday, 1960

**In the Bear's House** N. Scott Momaday, 2011-10-04 Let me say at the outset that this book is not about Bear (he would be spoken of in the singular and masculine, capitalized and without an article), or it is only incidentally about him. I am less interested in defining the being of Bear than in trying to understand something about the spirit of wilderness, of which Bear is a very particular expression. . . . Bear is a template of the wilderness.--from the Introduction Since receiving the Pulitzer Prize in 1969 for his novel *House Made of Dawn*, N. Scott Momaday has had one of the most remarkable careers in twentieth-century American letters. Here, in *In the Bear's House*, Momaday passionately explores themes of loneliness, sacredness, and aggression through his depiction of Bear, the one animal that has both inspired and haunted him throughout his lifetime. With transcendent dignity and gentleness, *In the Bear's House* celebrates Momaday's extraordinary creative vision and evolution as one of our most gifted artists.

**In the Presence of the Sun** N. Scott Momaday, 2013-02-15 *In the Presence of the Sun* presents 30 years of selected works by [N. Scott] Momaday, the well-known Southwest Native American novelist. His unadorned poetry, which recounts fables and rituals of the Kiowa nation, conveys the deep sense of place of the Native American oral tradition. Here are dream-songs about animals (bear, bison, terrapin) and life away from urban alienation, an imagined re-creation based on Billy the Kid, prose poems about Plains Shields (and a fascinating discussion of their background), and new poems that utilize primary colors ('forms of the earth') to express instinctive continuities of a pre-Columbian vision.--Library Journal The strong, spare beauty of *In the Presence of the Sun* is compelling evidence that Scott Momaday is one of the most versatile and distinguished artists in America today.--Peter Matthiessen . . . the images, the voices, the people are shadowy, elusive,

burning with invention, like flames against a dark sky. For behind them is always the artist-author himself . . . a man with a sacred investiture. Strong medicine, strong art indeed.--The New York Times Book Review
