*Civilization's Quotations* Richard Alan Krieger,2002 These 8,000 clever and insightful sayings, organized by theme, will enrich the prose of writers, public speakers and anyone seeking to lead or persuade. It also provides a wealth of inspirational affirmations to guide us in our lives. Chinese proverbs, Roman maxims and the wisdom of writers from William Penn to Kahlil Gibran cover themes from humility and patience to courage, will and action. The topics are arranged in a sequence that begins with birth and progresses through the seasons of the Ideal Life. When possible, each quotation flows into the next one so that the whole section reads almost like a speech given by one person. In other sections, one quotation plays off another, creating a lively discussion amongst the authors.

**Hot Contention, Cool Abstention** Stephanie Dornschneider,2021 Why did people mobilize for the Arab Spring? While existing research has focused on the roles of authoritarian regimes, oppositional structures, and social grievances in the movement, these explanations fail to address differences in the behavior of individuals, overlooking the fact that even when millions mobilized for the Arab Spring, the majority of the population stayed at home. To investigate this puzzle, this book traces the reasoning processes by which individuals decided to join the uprisings, or to refrain from doing so. Drawing from original ethnographic interviews with protestors and non-protestors in Egypt and Morocco, Dornschneider utilizes qualitative methods and computational modeling to identify the main components of reasoning processes: beliefs, inferences (directed connections between beliefs), and decisions. Bridging the psychology literature on reasoning and the political science literature on protest, this book systematically traces how decisions about participating in the Arab Spring were made. It shows that decisions to join the uprisings were hot, meaning they were based on positive emotions, while decisions to stay at home were cool, meaning they were based on safety considerations. Hot Contention, Cool Abstention adds to the extensive literature on political uprisings, offering insights on how and why movements start, stall, and evolve.

*Feeling Left Behind* Kim Murdock,2019-08-01 2020 Colorado Authors' League Finalist 2020 Book Excellence Awards Finalist Kim's words, ripped from her diary, are raw, painting a picture of the excruciating anguish that so many left behind by the physical departing of a loved one express. —Duck White-Petteruti, Founder, Domus Pacis Family Respite It will give you, the reader, permission to remember, never forget, and to slowly live from the place of heart again. —Patty L. Luckenbach, MA, DD, associate minister and author of *I Only Walk On Water When It Rains* The grief that accompanies the loss of a loved one is crippling. In *Feeling Left Behind*, author Kim Murdock relates and empathizes with that pain because she's been there. She knows what it feels like to be woefully blindsided by music or at the grocery store, to reconsider the future alone, and to connect with a person who is no longer alive. You will relate to her chapters as she describes: • The crushing desire to freeze time and isolate yourself • The unstable phase of “firsts”— first holidays, birthdays, anniversaries • The anger and sadness at seeing other couples • The loss of self, empathy, security, and tolerance • The heartbreaking sadness of getting rid of their belongings • And so much more This is not a step-by-step guide on how to grieve. Kim outlines every detail of her experience as well as the experiences of her widow/widower friends to show you that you are not alone. You are normal. And you deserve as much time as possible to figure out how to survive in your own way. Kim's words, ripped from her diary, are raw, painting a picture of the excruciating anguish that so many left behind by the physical departing of a loved one express. —Duck White-Petteruti, Founder, Domus Pacis Family Respite

Uncle John's Colossal Collection of Quotable Quotes Bathroom Readers' Institute,2004 Aficionados of the Bathroom Reader have long remarked on Uncle John's ability to select quintessential quotations. The ever-accommodating Uncle John has responded to this shameless praise by flushing out the all-time best and most hilarious quotes to form this cunning compilation.
