Justin Spizman

Coach: The Greatest Teachers in Sports and Their Lessons for Us All Justin Spizman, 2022-02-08 Every great sports coach is a life coach. This book identifies 168 outstanding coaches who have much to teach us about optimizing our performance, our character, and our lives. Coaches build winning teams and enable each athlete they mentor, guide, cajole, and nurture to achieve top performance. More than this, every great sports coach is first and last a life coach. Sportswriter Justin Spizman identifies and profiles 168 of the greatest coaches and managers of all time. They have much to teach us about optimizing our performance, our character, and our lives. *Coach: The Greatest Teachers in Sports and Their Lessons for Us All* profiles coaches in every significant sport, from football, basketball, baseball, and hockey to gymnastics, skating, rowing, rugby, soccer, and more. From field to court, diamond, rink, and pitch, the big leagues to the Olympics, college, and high school, Coach delivers the most teachable moments and methods—for play, for competition, and for life. Rich in quotations, each profile ends with lessons for top performance on and off the field, in and beyond the arena. Justin Spizman tracks all the relevant stats—for every sport keeps score—but he seeks first and last to disclose the mind, the heart, and the force of character that drive each of the indispensable men and women behind the world’s most envied and admired athletes. His profiles range from the likes of Cardinals manager Tony La Russa (already an MLB legend), to Aimee Boorman and Cecile Canqueteau-Landi (who both coached gymnastics phenom Simone Biles), Bill Belichick (the take-no-prisoners field general of the New England Patriots), Pat Summitt (who racked up 1,098 wins as coach of the University of Tennessee Lady Vols basketball team from 1974 to 2012), Marián Vajda (the coach behind tennis titan Novak Djokovic), and David Leadbetter (golf guru to champions Kathy Baker, Nick Faldo, and Michelle Wie).

'Bama Football Myths Jacob M. Carter, 2021-02-16 Alabama Fans Understand. The Crimson Tide football team is part of who we are. It isn’t so much that we want the team to win. We need them to win. When they lose, we lose. When they taste victory, we taste it with them. When we talk about the program, we don’t say “they.” We say “we.” It’s an Alabama thing. In his book, *'Bama Football Myths*, bestselling author Jacob M. Carter (The Rip Tide) statistically defends why he believes the University of Alabama offers the greatest college football program of all time. Commonly heard opinions such as “they don’t play anybody” or “the refs favor them” are put to rest. If you’re an Alabama football fan, this book was written for you.

Coach Me Paul D. Barchitta, 2021-04-01 One of the core courses that I teach is Management 101. Introduction to business. The discipline of Management has evolved over time and the current trend in Corporate America is how does an organization morph from Management into Coaching. Society has become sensitive, and if you were to ask me, too sensitive, where the emotional wellbeing of the employee has been thrust to center stage. Corporate America has realized that you are not just an employee anymore, you are a resource, hence the change from "Personnel" to "Human Resource Management". If we are going to view the employee more as a resource and less as a disposable component of an organization. Hence, the need for coaching. The need for the metamorphosis and paradigm shift away from management towards coaching is front and center. A goal of this book is to identify the foundations of management, the backbone of my management lectures every day in my management classes, and infuse the wisdom of the greatest coaches in the history of team sports. This book chronicles the foundations, concepts and theories of management and sprinkles in the quotes from coaches whether they were famous or not and explain how that quote relates to the management theories identified in the book.

Just Breathe is a compilation of my thoughts, observations, experiences, and even questions, sprinkled with truth from others about leading yourself. At the end of each entry, I invite you to meditate on the main takeaways, using controlled breathing to inhale what is to remain and exhale what needs to be released. My hope and prayer is that these words will prompt your reflection on the topics shared and encourage you to think intentionally, so that you gain the momentum to move forward in your life and your leadership.

The Best College Football Quotes from Down South Derek D. Williams,2013-09-02 This is a collection of the most memorable college football quotes from Down South. We're talking SEC Country, folks. Way down in Dixieland. Legendary coaches like Paul Bear Bryant, Steve Spurrier, Les Miles, John Heisman, General Robert Neyland, Lou Holtz, Gene Stallings, Shug Jordan and Nick Saban. Classic quotes from unforgettable players like Tim Tebow, Bo Jackson, Peyton Manning and Joe Namath. Journalists, announcers and personalities like Charles Barkley, Frank DeFord, Brent Musberger and Beano Cook. Plus some Bobby Bowden quotes - because even through Florida State isn't in the SEC, you've gotta love some good ol' Bobby Bowden homespun country wisdom.A sample of some of the quotes you'll find in *The Best College Football Quotes From Down South*:“Well, the Southeastern Conference season has begun. I have it on good authority that other college football teams around the country will also be playing games this fall.”- Sports Illustrated columnist and NPR contributor Frank Deford in 2012“The national championship trophy has been in the South so long it has a sunburn.”- Ray Glier, Atlanta-based national journalist and Author“I don't know when exactly the SEC took over America. I know this is hard to believe, but the epicenter of college football used to be in the Midwest. I'm so old, I can remember when Notre Dame actually mattered, and the real tough players were supposed to come from Western Pennsylvania and Ohio.”- Sports Illustrated columnist and NPR

contributor Frank Deford in 2012“Football mania is still intensifying throughout the South. ... Though football is a national game, the ability to play it well is inordinately concentrated in the South.”- John F. Rooney Jr., Oklahoma State professor and author of Geography of Sports“It's easier to win the national championship than the SEC. Ask Nick Saban.”- Former Florida & current South Carolina coach Steve Spurrier“In the East, college football is a cultural exercise. On the West Coast, it is a tourist attraction. In the Midwest, it is cannibalism. But in the South, college football is a religion, and every Saturday is a holy day.”- Marino Casem, Alcorn State University professor“The SEC is a downhill, man on man game, and you gotta line up and play.”- Florida coach Will Muschamp“They got a little bit different athlete running around out there. Look at their defensive linemen. Standing next to them, walking off the field, they don't look like a lot of the guys we see. That's the common trait.”- Former Oregon and current Philadelphia Eagles coach Chip Kelly“If you are a fan of Tennessee or Alabama football there are two rules to live by: Don't get married on the third Saturday in October, and try not to die... because in either case, the preacher might not show.”- ESPN college football expert Beano Cook“Our fans, to say that they are excited about us being in the SEC would be a complete understatement. They've become fanatical about it.”- Missouri coach Gary Pinkel on the Tigers' inaugural season in the SEC“The girls are prettier, the air is fresher, and the toilet paper's thicker.”- Missouri wide receiver T.J. Moe, when asked about the Tigers moving from the Big 12 to the Southeastern Conference and what he'd heard about the SEC.“The SEC has moved out into Texas and up into Missouri. Basically, though, the SEC has always been Deep South, plus Kentucky. Kentucky is apparently allowed in the conference so that everybody else but Vanderbilt gets a guaranteed win — plus, Kentucky bourbon can fuel those famous Southern tailgate parties.”- Sports Illustrated columnist and NPR contributor Frank Deford in 2012“It's a pretty damn hard league.”- Texas A&M coach Kevin Sumlin, when asked by reporters about playing his first SEC West schedule.
