

Quotes From Ravi Zacharias

William T. James

The 'Ism' Dilemma George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually, and by improving the quality of their relationships with others

You Will Be Made to Care Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under attack in America. Your freedom to believe may not last much longer. To all those who say they don't care about the culture war, Erick Erickson has only one response: The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor-in-Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion—secularism—one intent on systematically imposing its agenda and frightening doubters into silence. The book features first-hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening—not anymore. *You Will Be Made to Care* offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.

The Choice Thomas E. Trask, Wayne I. Goodall, 1999 This stirring book urges believers to realize that everyone is responsible to reach the lost and that everyone can have the power to do all that God has asked them to do.

Jesus Among Other Gods Ravi Zacharias, 2002-02-06 In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of "tolerance," our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. *Jesus Among Other Gods* provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. "In *Jesus Among Other Gods*, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition." — David Aikman, author of *Great Souls*

Recapture the Wonder Ravi Zacharias, 2005-03-30 Break free from the weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder—to experience God's amazing promise of childlike joy.

Walking from East to West Ravi Zacharias, 2006 Renowned Christian thinker Ravi Zacharias shares the intimate account

of his journey beyond a turbulent childhood and the Eastern culture of his homeland.

In Search of the Real Spirit of Christmas Dan Schaeffer, 2003 Every year we resolve to get into the real Christmas spirit. Yet Christmas seasons come and go, leaving us with vague pangs of regret. Why does it seem so hard? What are we missing? Familiarity can blind us to the unique power and glory of Christmas. Dan Schaeffer takes us beyond traditional trappings and into the wonder of the best gift of the season - the essence of Christmas. He offers a new lens of insightful observations about the first Christmas, addresses burnout in contemporary Christmas preparations, and gets beyond the story of Christmas to help us experience the spirit of Christmas.

Why Jesus? Ravi Zacharias, 2012-01-25 The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In *Why Jesus?*, Ravi Zacharias looks at the impact of this storm by discussing the 60s-70s Age of Aquarius, actor Shirley MacLaine's book and TV series *Out On a Limb*, author James Redfield (*The Celestine Prophecy*), Rhonda Byrne (*The Secret*), Dan Brown (*The Da Vinci Code*), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

Beyond Opinion Ravi Zacharias, 2010-01-10 A definitive master work from the world's leading Christian apologist. Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked: If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know? The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity—from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world.

God's Top Ten List Glen S. Martin, 1999-06 There are no absolutes. Absolutely. Many people in today's society believe that all truth is relative and that they have the final authority to choose for themselves what is right and wrong. But that's not what God says. According to the Bible, God is the final authority and He has made clear how we are to live and what is right

and wrong. In God's Top Ten List, Glen Martin takes an in-depth look at the Ten Commandments. He examines what God said, and the reasons why He said it. God is not some sort of 'cosmic killjoy.' Rather, He knows our hearts and minds because He made us. He knows how we operate. So God put together an instruction list that, if followed, provides for a full life and healthy and happy relationships. Learn more about your Maker and His loving plan for the people He created. Study each of the Ten Commandments to discover how they were designed to show us God's character and lead us to a rich and happy life. Follow the ten commandments given to Moses at Mt. Sinai so many years ago. You won't be disappointed.

With inspiring stories and thought-provoking questions, Ravi Zacharias traces the multiple threads of our lives, describing how the unseen hand of God guides our joys, our tragedies, our daily humdrum to weave a pattern of divine providence and meaning.

Can Man Live Without God Ravi Zacharias, 2004-08-30 In this brilliant and compelling defense of the Christian faith, Ravi Zacharias shows how affirming the reality of God's existence matters urgently in our everyday lives. According to Zacharias, how you answer the questions of God's existence will impact your relationship with others, your commitment to integrity, your attitude toward morality, and your perception of truth.

Prophecy at Ground Zero William T. James, 2002-10-25 Readers will learn about Christ's ascension, Pentecost, the spread of the Gospel, and the rapid growth of the church.

The Real Face of Atheism Ravi Zacharias, 2004-09 This analysis of atheism, drawn from a wide range of philosophy and history, exposes its flaws while defending the purpose and meaning that Christ brings to one's life.
