Imparted Wisdom in Troubled Times Pastor Stephen Kyeyune, 2018-06-30 This book is written in the form of a devotional. It consists of my minisermos as posted daily on social media. It addresses the tussles we encounter daily. It is good for spiritual maturity, relationships, and wisdom. A devotional journal, compared to a memoir, should have some uplifting qualities and should be inspiring and illuminating. That's what this book is intended to accomplish. This book will help you discover your purpose for living and hence your divine destiny. What you believe about God defines your life. Losing sight of

God causes us to lose who we are really are. The Word is a prism through which we filter our changing self-image. God's primary goal is to change us so that we can see as He sees. Christ Himself became wisdom from God to us in order for us (the church) to display the multifarious wisdom of God to the whole universe. God may not fix everything broken in your life now, but He is willing to renew your thinking so that you are able to think as He would have you think, desire what He says is best, and do what He calls you to do. This book could be a viable clutch missing at your fingertips, greatly needed in a culture in which post-truth is the word of the year. I mean today's culture where people are economical with the truth, where people sweeten it or tell the truth improved.
