The Hangman's Row Enquiry Ann Purser, 2010-05-04 A new series and a new sleuth from Ann Purser-author of the Lois Meade mysteries! Ivy Beasley, the beloved cantankerous spinster from the Lois Meade mysteries, has found a silver lining in her golden years as an amateur sleuth. She teams up with Gus, a mysterious newcomer to the small English village of Barrington who can't resist a little excitement even as he strives to keep his past a secret, and her own cousin, a widow with time on her hands and money in her purse. Together they're determined to solve the murder of Gus's elderly neighbor.

About ... Time , 1996

*Singapore, ASEAN and the Cambodian Conflict 1978-1991* Ang Cheng Guan, 2013-09-10 This important study of the shifting diplomatic efforts around the response to and resolution of the Vietnamese invasion of Cambodia is based on the records of the Ministry of Foreign Affairs of Singapore, a key player in the complex diplomacy in the region at the end of the Cold War. The study provides a detailed account of the policies and decision-making of Singapore, as well as the diplomatic maneuverings of the other major parties and powers involved in the Cambodia conflict. It details one member country's input into the process of defining and developing a collective ASEAN position, a process which was formative for future diplomatic efforts by the regional grouping. Ang makes use of a variety of sources contemporary to the period under study, as well as records which have become available post-1991. The use of detailed records from one of the Southeast Asian players is a first for the study of the region's diplomacy. The book describes Singapore's role and illustrate how Singapore's management of the Cambodian issue was shaped by the fundamentals of Singapore's foreign policy. The account also reveals the dynamics of intra-ASEAN relations, as well as ASEAN's foreign relations in the context of the Cambodia problem.

**Congressional Record** United States. Congress, 1953 The Congressional Record is the official record of the proceedings

and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

*Auld lang syne: My Indian friends* F. Max Müller, 2025-03-02 In *Auld Lang Syne: My Indian Friends*, F. Max Müller presents a poignant reflection on his experiences and relationships formed during his scholarly pursuits in India. The book is a rich tapestry of anecdotes, blending personal narratives with critical insights into Indian culture, philosophy, and religion. Müller employs a lyrical prose style, indicative of his mastery in linguistic artistry, while simultaneously grounding his writings in the scholarly traditions of Orientalism and philology. The work emerges from the Victorian context, where fascination and romanticism towards Eastern cultures often intersected with colonial discourse. Friedrich Max Müller, a pivotal figure in the study of comparative religion and a prominent philologist, devoted much of his life to translating ancient texts and promoting an understanding of Indian spiritual traditions in the West. His deep respect for Indian culture, combined with his academic background in Sanskrit, equipped him with a unique lens through which he engaged with his Indian friends, highlighting the spiritual and intellectual ties that transcended cultural divides. Müller's personal anecdotes reveal not only his scholarly dedication but also his profound empathy and appreciation for his subjects. This text is an essential read for scholars, students, and anyone interested in understanding the complexities of cultural exchange during the colonial era. Müller's work resonates with timeless questions about friendship, identity, and understanding across cultures, making it a compelling exploration of both personal and societal relationships.

Communication and Organizational Changemaking for Diversity, Equity, and Inclusion Bobbi J. Van Gilder, Jasmine T. Austin, Jacqueline S. Bruscella, 2023-11-03 This book explores the opportunities, challenges, and effective approaches to organizational change regarding diversity, equity, inclusion, and belonging. Featuring application-based case studies and practical guidelines for meaningful organizational change, this book problematizes some of the current DEI initiatives in today's organizations. It examines multiple forms of diversity (e.g., race, age, and mental health) from a variety of perspectives (e.g., leadership and employee), with case studies that demonstrate how changemaking efforts can be reimaged and implemented in better, more nuanced, and more sustainable ways to produce meaningful organizational change. Through these case studies, readers learn from organizations' successes and failures in their attempts to implement DEI practices. Each chapter concludes with explicit practical implications and/or actionable recommendations for organizational changemaking. This text will make an impactful addition to courses in communication and diversity or organizational communication/change at the advanced undergraduate or graduate level, and will be an essential guide for professionals wishing to lead change in their organizations.
