After several years, she decided to convert this short story into a novel. It was a long process of three years, and consequently the novel *The Secret Life of Bees* was produced. While writing the book, she used to put together a collage of photos which were related to the plot of the novel. She used those photos as a source or her inspiration. However, when she began to write, she was not sure how she would connect all of the photos. Eventually, she included three African American Women, a pink house, and a wailing wall in the story.

The Book of Longings Sue Monk Kidd, 2021-03-23 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

Faith and Fiction Anita Gandolfo, 2007-08-30 In recent years, there has been an explosion in the market for fiction on religious topics and themes, most notably Dan Brown's *The Da Vinci Code*. The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, Gandolfo examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available. The phenomenon surrounding Dan Brown's *The Da Vinci Code* has led to a cottage industry of interpretations, attacks, and commentaries, but one thing is certain: the book has had an enormous impact on American society, culture, and religious understanding, not to mention the publishing industry, which scrambles to find similar religious books to feed to an eager public. But *The Da Vinci Code* is not the only book of its type on the market today. In recent years, there has been an explosion in the market for fiction on religious topics and themes, with an entire series devoted to the impending Rapture as described in the *Left Behind* series. Some fiction does not take an explicitly religious theme as these books do. Instead, writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters. Regardless of the specific approach, what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies. Why the recent surge of interest in Christian fiction? How does it reflect trends in our culture and our lives? How has it changed our society and our understanding of spirituality and religion? How accurate are these books in terms of the theology they espouse? The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any

overt religious meaning and is significant in its political and social implications; it is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available.
