**In the Arms of Baby Hop** Kenneth Attaway, 2006-10 Many times in my adult life, I have had what I would call an awake out-of-body experience. During these times, I was peeking in at my life in a dream state; thinking this cannot be my life. I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot, and the young adult who never settled for can't. Well, somewhere along the way, the only thing left of who I was once was, were just shreds of an almost non-existent life. Now, don't get me wrong, there were some good times along the way, but it certainly was not always smooth sailing. But what came later in life was no comparison to the early years. Not that long ago, my life was filled with disappointment, brokenness, worry, anxiety, and fear. I survived breakups and breakdowns, sadness and pain, grief and loss beyond description, all of which led to a one-way ticket to Depression Central. Getting off the road to depression was very difficult for me, but there is no job too hard for God. If you can relate to the paralyzing despair that I went through, then please know that I fellowship with you and understand the grip depression and anxiety can have on your life. However, I want you to know that your destination does not have to be a one-way ticket to the land of despair, instead, your journey can bring you to a place of joy and peace if you simply trust and believe in God.

**I Am Someone Special** Belinda Hernandez, 2016-03-12 In the book I Am Someone Special, the author shares the story of her dysfunctional childhood her journey through the road of drug addiction and drug dealing and how she struggled to leave her dark past behind and move on to a new and better life. Ms. Hernandez did not experience the kind of childhood others enjoy by being adopted into a wealthy, well-off family. She failed to receive the affection she wanted from her parents, particularly from her adoptive mother. The author was the youngest among seven children and the one who received the worst treatment from her alcoholic mother, who was also addicted to drugs. Her birthmother had stabbed her in the head when she was a nine-month-old baby. After an incident that almost robbed the author of her life, she was placed into an orphanage, where her adoptive parents rescued her. The authors adoptive family gave her the love she had long wanted, along with everything she and her adopted brother and sister could ask for. But despite it all, Ms. Hernandez became rebellious, especially as a teenager. Her rebellious teenage years eventually led her to the wrong path as she started using drugs and selling it as well. She worked further into the drug business until she got caught and sentenced for a couple years in prison. After serving her sentence, the author strived to live a clean life and start anew. With the help of her faith in God and the support of the man she loves, she managed to reinvent herself into a better and strong person. I Am Someone Special might appeal to a reader interested in stories that have changed the lives of individuals who recovered from drug addiction and made the decision to rebuild their lives away from drugs. If you would like to get ahold of the author for questions or for

advice, contact her through Belindahernandez664@yahoo.com. You can buy my books at Amazon, Barnes and Noble, and Books-A-Million.

**In Search of Us** Ava Dellaira, 2018-03-06 Ava Dellaira's *In Search of Us* is a sweeping multi-generational love story. To seventeen-year-old Angie, who is mixed-race, Marilyn is her hardworking, devoted white single mother. But Marilyn was once young, too. When Marilyn was seventeen, she fell in love with Angie's father, James, who was African-American. But Angie's never met him, and Marilyn has always told her he died before she was born. When Angie discovers evidence of an uncle she's never met she starts to wonder: What if her dad is still alive, too? So she sets off on a journey to find him, hitching a ride to LA from her home in New Mexico with her ex-boyfriend, Sam. Along the way, she uncovers some hard truths about herself, her mother, and what truly happened to her father. A rare and special book. Part mother-daughter love story, part road trip journey, part compelling mystery, and one hundred percent beautiful, spellbinding tearjerker. I'm in love with every page. —Jennifer Niven, New York Times bestselling author of *All the Bright Places* and *Holding Up the Universe*
