*Antichrist Osiris: the History of the Luciferian Conspiracy* Chris Relitz, 2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood. Many cultures also claim that someday the world will again be destroyed in a similar fashion. In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed a sign. Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

Imperium Christus Obinna C. D. Anejionu, 2025-11-25 The world is at the verge of an impending cataclysmic clash between the forces of Light and Darkness. The quest for global dominance has spanned generations of humanity, fueling unending global conflicts that have orchestrated the rise and fall of empires. The Imperium Christus presents a fascinating story about the emergence of the Empire of Christ--the last empire the world will witness and how this links to current global conflicts. It delves into the underlying dynamics of global events and explores the thought-provoking idea that the historic quest for global dominance transcends the physical and emanates from conflicts between opposing cosmic entities tussling to have absolute control of the earth. Linking these cosmic conflicts to current global events, the Imperium Christus hints at a looming clash between the rising Empire of Christ and the emerging world system--the New World Order. It winds through the intricate tapestry of cosmic intrigues that have spanned generations of creations, to unravel deep mysteries and truths carefully hidden in sacred texts about the upheaval that would trail the establishment of the Empire of Christ on earth. The book prudently unpacks the undercurrents of the emergence of the Empire of Christ and its links to eschatological events and the destiny of humans. It explores the connections between the rise of this empire and the coming global wars, emergence of AI superintelligence and posthumans, the return of the renegade gods and Nephilim, establishment of the beast system, impending record-breaking pandemic episodes, extreme weather events and global natural disasters the world is about to experience.

*Flood Legends: Sorted* R. Pilotte, 2019-07-16 There are hundreds of ancient flood legends around the world that tell of vast inundations in ancient times caused by catastrophic events. It's often assumed that these legends refer to the flood of Noah and his ark. Although many do mirror this biblical story, some people say these legends simply refer to local floods that only affected the world of the locals, not the whole globe. There are three types of flood legends: global, local, and a confusion of global mixed with local floods. We sorted these legends into categories, presented the evidences, and exhibited the causes of each type. From this discussion emerges a frightful picture of the ancient world where civilizations were affected time and time again by vastly destructive cataclysmic events. The world changed—mountains rose, continents shifted, cities and islands sunk, species were obliterated, and whole populations were wiped off the face of the earth. Legends regularly validate others as true histories. If the floods they spoke of were not global, their effect was. This roller coaster ride of evidence will challenge the worldview of ancient and geologic history that have been taught to us. Legends of the floods often mentioned God or the gods, which were considered to be either responsible for the floods or saved people from them. The age when the gods ruled is associated with advanced technology and flood legends. Atlantis is considered central in flood legends, and many researchers have incorrectly linked its destruction with all flood legends. The gods, too, are related to Atlantis and are frequently tied with floods, which necessitated a section devoted to the age of the gods wherein we discover their origins and who they are.

*Genesis - Where It All Began!* Lori Boteler, 2018-05-12 This book is a compilation of the book of Genesis from the 21st Century King James Version of the Bible and the King James Bible. I have changed the names of God according to the same version with these names in the Hebrew from the Hebrew Roots Bible. Along with my study notes from 2018 and a book I wrote back in 2007 called *A Common Sense Approach to Genesis*. I am also inserting sections from the Books of Jasher, Enoch and Jubilees which fill in events during the time period Genesis occurs.

*Cast April* Paterson, 2015-10-20 Emelina Rose is one of the few residents of Wells, a small mundane town in Maine.

Knowing all of the locals wasn't possible, but recognizing them was, and she would've known if she'd ever seen his face before. Her small town becomes intoxicatingly interesting as the mysteriously captivating face shows up again as a new student at her school. She soon realizes that he is something more than human. Tristan Bello possesses Emelina at first sight. After being unable to deny his own forbidden desires, he risks exposing the secret of his identity and they teeter on the edge of danger to satisfy desires that could yield grave consequences. Just as Lina gets what she most wants, she is pulled into his secret world and she jeopardizes much more than she ever knew she had to risk.

**Pre-Apocalypse I** Jeremy Westerman, 2018-01-02 Gage Moorland, a Delta Force leader's son, gets recruited by a military academy's secret side. The brightest, most capable cadets are recruited to go to space to hopefully find ways to beat the reptilians. The reptilians have been humanity's nemesis for eons, and this battle comes to the fore as Gage must meet a personal challenge from the head reptilian over the earth and moon. Gage's innovative training from the age of twelve—he is now seventeen—gives him a shot at overcoming reptilian dominance. The Serpent's control over humanity is exposed through analysis of secret societies and how they seek to permanently enslave mankind through the New World Order. CERN's influence is also exposed with their plans to resurrect their former god Nimrod so that he can either become the antichrist or the beast of Revelations. His resurrection is set for September 23, 2017, with Revelation 12's fulfillment in the stars.

*Where Was God When?* Brenda Maynard, 2010-06 This book was written using certain scenes both good and bad, ups and downs, in's and out's throughout life. This book is also meant to help you understand that God is always by your side even when you don't believe He is there. GOD BLESS ALL OF THE PEOPLE WHO HAVE CONTRIBUTED TO GOD AND DO NOT ASK FOR ANYTHING IN RETURN BECAUSE AS YOU KNOW THAT THERE ARE GIVERS IN THIS WORLD AND THERE ARE TAKERS IN THIS WORLD. HOWEVER, THERE SEEM TO BE MORE TAKERS, SO JUST KNOW THIS AND DO NOT EXPECT ANYTHING IN RETURN FOR WHAT YOU DO.
