

Wren Martin Ruins It All

Dina Havranek

Wren Martin Ruins It All Amanda DeWitt, 2023-11-07 From the author of *Aces Wild: A Heist* comes a hilarious and compassionate romantic comedy for fans of Casey McQuiston and Netflix's *Love is Blind*! "My mouth still hurts from all the smiling." —Sonora Reyes, National Book Award Finalist Now that Wren Martin is student council president (on a technicality, but hey, it counts) he's going to fix Rapture High. His first order of business: abolish the school's annual Valentine's Day dance, a drain on the school's resources and general social nightmare—especially when you're asexual. His greatest opponent: Leo Reyes, vice president and all-around annoyingly perfect student. Leo has a solution to Wren's budget problem—a sponsorship from Buddy, the anonymous "not a dating" app sweeping the nation. Now instead of a danceless senior year, Wren is in charge of the biggest dance Rapture High has ever seen. He's even secretly signed up for the app. For research, of course. But when Wren develops capital F-Feelings for his anonymous match, things spiral out of control. Wren decided a long time ago that dating while asexual wasn't worth the hassle. With the big night rapidly approaching, he isn't sure what will kill him first: the dance, his relationship drama, or the growing realization that Leo's perfect life might not be so perfect after all. In an unforgettably quippy and endearingly chaotic voice, narrator Wren Martin explores the complexities of falling in love while asexual.

Giddy Barber Explodes in 11 Dina Havranek, 2024-10-15 The hilarious and heartening story of a teen girl who makes several astonishingly terrible decisions in an effort to find the support she needs. Giddy Barber knows with certainty she's going to become a mechanical engineer. What she doesn't know is the last time she smiled. With her parents overworked and unavailable, it falls to Giddy to make sure her siblings stay on track. But she's exhausted. When you're the person everyone else turns to, what do you do when you hit a wall? Giddy finds an answer online—if you can't handle how things are going, shake them up. Is it sound advice? Unclear. But is Giddy willing to try anything? Absolutely. Putting eleven days on the clock, she'll change her routine. But soon it becomes clear that some problems are bigger than what an online column can fix—her family is fracturing, her anxiety is mounting, and all she knows is this: Something. Has. To. Give. In Dina Havranek's *Giddy Barber Explodes in 11*, a long-time teacher dives into the issues of depression, overwork, and lack of support many of her students are dealing with. In a results-obsessed society, how much are we demanding of teens? And what happens when their burdens become too much?
