JS Bruner

01 .Industrial Archaeology. European approach to recovery productive memory Mara Capone, Noelia Galván Desvaux, Luis Agustin Hernandez, Lucas Fernandez-Trapa, 2024-07-15 [Italiano]: Il libro raccoglie i contributi di un lavoro interdisciplinare svolto durante un BIP (Blended Intensive Program) finanziato dalla comunità europea. Il tema è quello dei siti industriali dismessi e tutelati per interesse storico. Partendo da un confronto tra i diversi approcci basati sullo studio delle best practice e dei diversi metodi e strumenti di analisi, sono state definite alcune premesse per la rappresentazione del sito e lo sviluppo di ipotesi di trasformazione per il riuso dell'ex Corradini a S. Giovanni. Stimolare il dibattito culturale, confrontarsi con realtà culturali diverse, definire percorsi metodologici replicabili sono gli obiettivi principali di questo lavoro./[English]: The book collects the contributions of an interdisciplinary work carried out during a BIP (Blended Intensive Program) funded by the European community. The topic is related to the abandoned industrial sites that are protected for historical interest. Starting from a comparison between the different approaches based on the study of the best practices and the different methods and tools of analysis, some premises have been defined for the representation of the site and the development of transformation hypotheses for reusing of the ex Corradini in S. Giovanni. Stimulating the cultural debate, dealing with different cultural realities, defining replicable methodological paths are the main objectives of this work.

Major Energy Companies of Europe 1989/90 Petar Sarcevic, 2012-12-06

Major Energy Companies of Europe 1994 Ruth Whiteside, 2012-12-06 This is the seventh edition of a major directory which aims to provide essential data on over 1000 of the largest energy companies throughout Europe including those in the following sectors: coal mining; electricity supply; fuel distribution; and oil and gas exploration and production.
