

# Black September In Jordan

**Peter Gubser**

**Black September** ,1971

**Black September** Charles River Charles River Editors,2017-12-17 \*Includes pictures \*Includes online resources and a bibliography for further reading We had thousands of incidents of breaking the law, of attacking people. It was a very unruly state of affairs in the country and I continued to try. I went to Egypt, I called in the Arabs to help in any way they could - particularly as some of them were sponsoring some of these movements in one form or another - but without much success, and towards the end I felt I was losing control. In the last six months leading up to the crisis the army began to rebel. I had to spend most of my time running to those units that had left their positions and were going to the capital, or to some other part of Jordan, to sort out people who were attacking their families or attacking their soldiers on leave. I think that the gamble was probably the army would fracture along. - King Hussein of Jordan On May 14, 1948, the British Mandate officially expired. That same day, the Jewish National Council issued the Declaration of the Establishment of the State of Israel. About 10 minutes later, President Truman officially recognized the State of Israel, and the Soviet Union also quickly recognized Israel. However, the Palestinians and the Arab League did not recognize the new state, and the very next day, armies from Egypt, Syria, Lebanon and Iraq invaded the former British Mandate to squelch Israel, while Saudi Arabia assisted the Arab armies. Jordan would also get involved in the war, fighting the Israelis around Jerusalem. Initially, the Arab armies numbered over 20,000 soldiers, but the Zionist militia groups like the Lehi, Irgun and Haganah made it possible for Israel to quickly assemble the Israel Defense Forces, still known today simply as the IDF. By the end of 1948, the Israelis had over 60,000 soldiers and the Arab armies numbered over 50,000. In early 1949, Israel began signing armistices with Egypt, Jordan, and Syria, which left Israel in control of nearly 75% of the lands that were to be partitioned into the two states under the 1947 plan. Jordan now occupied Judea and Samaria, which later became known as the West Bank due to its position on the western bank of the Jordan River. Jordan also occupied three quarters of Jerusalem, with the Israelis controlling only about a quarter in the western part of the city. To the west, Egypt occupied the Gaza Strip. The new armistice lines became known as the Green Line, and the conflict has continued to involve those lines and the issues that were contested in a war now nearly 70 years old. In early June 1967, the Israelis captured Jordanian intelligence that indicated an invasion was imminent. On June 5, the Israelis launched a preemptive attack that knocked out the air forces of its Arab neighbors. Over the next six

days, the Israelis overwhelmed the Egyptians in the west, destroying thousands of tanks and capturing the Gaza Strip and the entire Sinai Peninsula. At the same time, Israel drove the Jordanians out of Jerusalem and the West Bank, and it captured the Golan Heights from Syria near the border of Lebanon. With realities changing on the ground, Palestinian resistance changed tactics and locations, and the tension caused by Palestinian attacks originating from Jordan would eventually lead to the expulsion of the PLO from Jordan. In conjunction with that, the notorious Palestinian group, Black September, would launch one of the most famous terrorist attacks of the 20th century at the Olympics in Munich in 1972, and that would touch off some of the Israeli Mossad's most legendary operations as the Israelis sought to track down those responsible for the attack. *Black September: The History and Legacy of the Conflict Between the Palestinians and Jordan in 1970* looks at the fighting and its effects on the Middle East. Along with pictures and a bibliography, you will learn about Black September like never before.

*Middle East Conflicts from Ancient Egypt to the 21st Century* Spencer C. Tucker, 2019-08-27 With more than 1,100 cross-referenced entries covering every aspect of conflict in the Middle East, this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world. This authoritative and comprehensive encyclopedia covers all the key wars, insurgencies, and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty-first century. It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present. In addition to the hundreds of entries on major conflicts, military engagements, and diplomatic developments, the book also features entries on key military, political, and religious leaders. Essays on the major empires and nations of the region are included, as are overview essays on the major periods under consideration. The book additionally covers such non-military subjects as diplomacy, national and international politics, religion and sectarian conflict, cultural phenomena, genocide, international peacekeeping missions, social movements, and the rise to prominence of international terrorism. The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco-Persian Wars, the Crusades, and the Arab-Israeli Wars.

*Encyclopedia of Intelligence and Counterintelligence* Rodney Carlisle, 2015-03-26 From references to secret agents in *The Art of War* in 400 B.C.E. to the Bush administration's ongoing War on Terrorism, espionage has always been an essential part of state security policies. This illustrated encyclopedia traces the fascinating stories of spies, intelligence, and counterintelligence throughout history, both internationally and in the United States. Written specifically for students and general readers by scholars, former intelligence officers, and other experts, *Encyclopedia of Intelligence and Counterintelligence* provides a unique background perspective for viewing history and current events. In easy-to-understand, non-technical language, it explains how espionage works as a function of national policy; traces the roots of national security;

profiles key intelligence leaders, agents, and double-agents; discusses intelligence concepts and techniques; and profiles the security organizations and intelligence history and policies of nations around the world. As a special feature, the set also includes forewords by former CIA Director Robert M. Gates and former KGB Major General Oleg Kalugin that help clarify the evolution of intelligence and counterintelligence and their crucial roles in world affairs today.

Green March, Black September John K. Cooley, 1973

**Syrian Support for International Terrorism, 1983-86**, 1987

**Black September** Christopher Dobson, 1974

*The Department of State Bulletin*, 1987

Green March, Black September (RLE Israel and Palestine) John K. Cooley, 2015-05-22 In March 1968 Palestinian guerrillas and Jordanian troops combined forces to respond to Israeli raids into Jordan, provoking visions of new unity and future military success. Yet by September 1970 mounting friction between the Palestinian guerrillas in Jordan and King Hussein's regime came to a head with the hijackings at Dawson's Field and the defeat by Jordan's forces of the Palestinians. The savagery of the fighting and the bitter consequences for the Palestinian guerrillas gave this month the name Black September: a name that was to reappear ominously in months to come. Who are the Palestinians? Many people only became aware of their existence because of terrorism, particularly the Black September operation at the Munich Olympics. Yet the Palestinians are at the very heart of the Middle East problem, and this book, first published in 1973, tells their story. The core of the book describes the emergence of the various guerrilla groups, joined by Palestinians hopeful of regaining lost land and lost dignity, and the ideologies and differences of the groups. There are personal interviews with some of the main leaders, and other chapters examine the relationships and interaction between the Palestinian groups and the Soviet bloc, the Chinese, the Third World, the West, and most important, the Israelis themselves.

**A Global Chronology of Conflict [6 volumes]** Spencer C. Tucker, 2009-12-23 This six-volume resource encapsulates the entire scope of conflict among human societies. Spanning nearly five millennia, from the earliest documented fighting to the present, *A Global Chronology of Conflict: From the Ancient World to the Modern Middle East*, provides a comprehensive survey of major military events. With coverage that reaches beyond the battles, this work examines the political and diplomatic forces driving world conflicts, revolutions, forced changes of governments, international treaties, and acts of aggression and terrorism. Written by acclaimed military historian Spencer C. Tucker, these six chronologically organized volumes offer an accessible, richly detailed timeline of military conflict across human history. The concise entries cover all important events on the battlefield and in the corridors of power, with special features highlighting hundreds of key leaders and weapon systems. From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war, *A Global Chronology of Conflict* is an essential resource for students, researchers, history buffs, and

general readers alike. - Publisher.

**Political Activism of Refugees in Würzburg and Irbid. Opportunities, Motivations and Challenges** Marija Vorona, 2020-05-05 Master's Thesis from the year 2018 in the subject Social Work, grade: 1,3, Würzburg-Schweinfurt University of Applied Sciences, language: English, abstract: The work will focus on forms of political activism taken on by refugees to partake in social discourse with their very own means and ways. By presenting their ideas, this work aims to give these people a voice and perceive them as individuals with their own history and opinion. The refugee political activism will be examined in the two cities Würzburg in Germany and Irbid in Jordan. The aim is not to compare but rather to find out the opportunities, challenges and motivations of refugee political activism in widely varying contexts. The analysis of those aspects is important for the role of social workers, which they can or should play in integrating refugees into society and the political system. The political discourse surrounding the refugee question is dominated by the negative sentiments in Germany and in Jordan. Through media refugees are often portrayed as victims, criminals or outsiders that are incapable of expression and void of agency. This work provides a different perspective, examining the refugee situation in Würzburg and Irbid. Based on empirical findings gained from qualitative interviews, visible and invisible forms of protest actions, employed by the refugees, are conceptualized and presented. The situation is complicated by structural challenges and the need to weigh possible gains and losses of visible opposition to the state. The work concludes with a proposition for a differentiated approach to the refugee problem, with emphasis on creativity, discussion and potential for human interactions.

**Revolutionary and Dissident Movements of the World** Bogdan Szajkowski, 2004 Covers the whole range of illegal political activity worldwide, ranging from terrorist and secessionist organizations to dissident groups operating clandestinely in authoritarian states. Resource of more than 5,000 organizations and individuals explains the history and contemporary significance of each organization and the political background against which it operates.

**Hussein of Jordan** James Lunt, 1989 An engaging, thought-provoking biography about the man on whom all hopes for a just peace in the Middle East may rest, King Hussein of Jordan. A lifelong opponent of Communism, Hussein believes passionately in Arab unity. 6 pages of photos.

**Historical Dictionary of the Hashemite Kingdom of Jordan** Peter Gubser, 1991 Jordan has been at the crossroads of Middle East events since Biblical times. In contemporary times, the recent Persian Gulf crisis and the long-simmering Arab-Israeli conflict have thrust Jordan into a troublesome but crucial role. But despite its unstable setting, it has experienced remarkably stable leadership since 1953, King Hussein has steered the country through the difficulties of internal strife, Middle East wars, and international pressure. This new historical dictionary provides in a convenient format a broad array of data and descriptive material on this crucial state. With the most comprehensive bibliography available on Jordan.

The World & I, 1987

**The ... Annual on Terrorism** ,1986

Record Book National Spotted Poland-China Record Association,1920

**Encyclopedia of World Terrorism** ,1997 A collection of articles that provide information about various aspects of twentieth-century terrorism; featuring background on the history of terrorism, examining specific groups responsible for terrorist acts, and analyzing six responses to the problem.

*An Historical Encyclopedia of the Arab-Israeli Conflict* Bernard Reich,1996-03-11 A team of authorities with varying backgrounds, interests, disciplines, and perspectives gives special attention to the period since the adoption of the Palestine partition plan in November 1947, the first Arab-Israeli War up to the Israel-PLO Declaration of Principles and subsequent agreements, as well as the Israel-Jordan Peace Treaty and implementation process.

The Enemy of My Enemy George Michael,2006 In the violent world of radical extremists, the enemy of my enemy is my friend. This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe. It provides an insightful and sane look at the possibilities for collaboration between these groups.

## Black September In Jordan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Black September In Jordan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Black September In Jordan has opened up a world of possibilities. Downloading Black September In Jordan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the

days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Black September In Jordan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Black September In Jordan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their

content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Black September In Jordan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Black September In Jordan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download Black September In Jordan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Black September In Jordan Books**

1. Where can I buy Black September In Jordan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online
- bookstores offer a wide range of books in physical and digital formats.
