

Conte Di Saint Germain

I. Cooper-Oakley

I Am. The Words of Count Saint Germain (conte di) Saint-Germain,2024

The Comte De St. Germain Isabel Cooper-Oakley,1927 Among the strange mysterious beings, with which the eighteenth century was so richly dowered, no one has commanded more universal comment and attention than the mystic who was known by the name of the Comte de St. Germain. A hero of romance; a charlatan; a swindler and an adventurer; rich and varied were the names that showered freely upon him. Hated by the many, loved and revered by the few, time has not yet lifted the veil which screened his true mission from the vulgar speculators of the period. Then, as now, the occultist was dubbed charlatan by the ignorant; only some men and women here and there realised the power of which he stood possessed. The friend and councillor of kings and princes, an enemy to ministers who were skilled in deception, he brought his great knowledge to help the West, to stave off in some small measure the storm clouds that were gathering so thickly around some nations. Alas! his words of warning fell on deafened ears, and his advice went all unheeded.

The Count of Saint Germain Isabel Cooper-Oakley,1997

The Comte de St. Germain Isabel Cooper-Oakley,2014-06-27 The Count of St. Germain - The Most mysterious man in history! Who was he? Where did he come from? Where did he go? What did he do? What made him so famous? What was the big mystery? When was his birthday, and where? Did he really die?

The Comte de Saint Germain Isabel Cooper-Oakley,2021-04-15 The Count St. Germain was a man of mystery. An 18th century European aristocrat of unknown origin. He had no visible means of support, but no lack of resources, and moved in high social circles. He was a renowned conversationalist and a skilled musician. He dropped hints that he was centuries old and could grow diamonds. He never ate in public, was ambidextrous, and as far as anyone could tell, totally celibate. He served as a backchannel diplomat between England and France, and may have played some role in Freemasonry. He hobnobbed with Marie Antoinette, Catherine the Great, Voltaire, Rousseau, Mesmer, and Casanova. He dabbled in materials and textile technology as well as alchemy, as did many intellectuals of the time (e.g., Newton). These are established historical facts, documented by the extensive collection of contemporary accounts in this book. Less well understood are some of the other stories that have been made about the elusive Count: he always appeared about forty years old, popped up from time to time after his official death (on February 27th, 1784), made spot-on, unambiguous prophecies, could transmute

matter, and spontaneously teleported to distant locations. This has made him a subject of interest for students of the esoteric. The Theosophists, (of which Cooper-Oakley was a founding member), considered St. Germain to be one of the hidden immortals who manipulate history. In the 20th century, the 'I Am' Activity, and its successors such as Elizabeth Clare Prophet's adherents, elevated St. Germain to the status of a demigod, an 'Ascended Master.'

Count of Saint-Germain Isabel Cooper-Oakley,2014-03-29 This Is A New Release Of The Original 1912 Edition.

States of Grace Chelsea Quinn Yarbro,2005-09 It is the time of the Reformation. Henry VIII's England moves toward schism; Luther's precepts spread through Europe even as the Inquisition strives to wipe out any hint of heresy. Franzicco Ragoczy di Santo-Germano-the vampire Saint-Germain-is a successful merchant based in Venice. His lavish lifestyle and rumored cache of magnificent jewels have attracted the wrong sort of attention, and without Santo-Germano's noble-and papal-connections, he might be imprisoned, his property confiscated. Also under surveillance is his mistress, the lovely and talented musician Pier-Ariana Salier. In the Spanish Netherlands, Ragoczy's publishing business is being investigated by the Inquisition. Coming to the aid of his employees, Ragoczy becomes tarred with the brush of heresy, as does Erneste van Amsteljaxter, a writer whose intelligence Ragoczy finds attractive. Ragoczy does what he can to help her, but must return to Venice when he learns that his fortune there has been embezzled away and that Pier-Ariana has disappeared. In Venice, things are worse than Santo-Germano expected. Not only has his money disappeared, so has a young man who had been spying on the vampire and his mistress. Santo-Germano is accused of kidnapping and perhaps murder. Another spy has discovered Santo-Germano's true nature and intends to kill him before he can feast on all of Venice!

The Count of Saint Germain Isabel Cooper Oakley,1970

Commedia Della Morte Chelsea Quinn Yarbro,2012-03-13 Chelsea Quinn Yarbro's modern classic, *Hotel Transylvania*, introduced the Count Saint-Germain and his beloved, Madelaine de Montalia. The Count is one of the most critically acclaimed vampire characters ever created, with dedicated fans who have followed his adventures through more than twenty novels, dozens of short stories, and thousands of years of human history. But of all the women the Count has loved, the most popular is the beautiful, ever-youthful Madelaine. In *Commedia della Morte*, Saint-Germain learns that Madelaine—now a vampire—has been arrested by France's Revolutionary Tribunal and is soon to lose her head. Desperate to rescue her, the Count sneaks into France with a troupe of actors led by the glamorous Photine, who soon becomes Saint-Germain's mistress. Photine's teenage son, driven by jealousy and revolutionary fervor, betrays the Count. Now Saint-Germain's life, as well as Madelaine's, hangs in the balance, in this darkly romantic historical vampire novel.

The Golden Book of Saint Germain Saint German,2024-08-26 This expanded and illustrated edition of *The Golden Book of Saint Germain* offers more than just spiritual teachings; it delves deeply into the visual and profound legacy of the Count of Saint Germain. Enriching the original teachings, this edition incorporates a detailed biography, *The Man Who Never Dies* and

Knows Everything, and a timeline of his reincarnations, enhancing the reader's understanding of this enigmatic figure. The work plunges into spiritual knowledge and alchemy, emphasizing personal transformation and spiritual awakening. Known for his wisdom and alleged immortality, Saint Germain provides, through this book, a path of enlightenment, teaching about the mastery of I Am, the mysteries of internal transmutation, and the power of the spoken word. These teachings, beyond theoretical concepts, are presented as practical life applications, inviting readers to elevate their vibration and understand the ethereal nature of our existence. The book navigates between the microcosm of the individual self and the macrocosm of the universe, offering a view of spiritual alchemy as a pathway to freedom and personal power. This perspective is not only historical and mystical but also deeply practical, urging readers to apply these timeless truths to their everyday lives. The editor's postface provides a modern reflection on these teachings, contextualizing them in today's world and highlighting their ongoing relevance. This edition is a source of wisdom and inspiration, not only honoring Master Saint Germain's journey through time but also serving as a guide for those on their spiritual path. The work transforms into a beacon for introspection, recognition of our divinity, and discovery of the infinite potential within. Thus, *The Golden Book of Saint Germain* becomes a vital encounter for those seeking meaning, purpose, and spiritual fulfillment, merging ancient wisdom with the contemporary quest for inner light.

The Comte de St. Germain Isabel Cooper-Oakley, 2016-12-09 An updated edition of this classic biography - with a NEW FOREWORD by Solomon James. The Count of St. Germain, or rather the Comte de Saint Germain, is one of the most mysterious figures from eighteenth century Europe. By turns he was an aristocratic nobleman; a diplomat; a spy; a composer; or, as some like to claim - a charlatan. The fact that he never ate in public, or give credible sources for his background, education, and wealth, only adds to the mystery that surrounded the Comte de Saint Germain during his lifetime. Some saw him as an ascended Master, a wandering immortal, or as an emissary from the Great Brotherhood. In recent decades, with the popular rise of occultism and attendant New Age systems, the Count has received renewed attention. This book by Isabel Cooper-Oakley remains the best known biography of this illusive figure. It is a biographical sketch compiled from letters, diaries, and private records written about the Count by members of the French aristocracy who knew him in the 18th century. It is a testimony, to both the recorders and to Isabel Cooper-Oakley, that such sketches were able to be collated when taken into account that the Count made deliberate efforts to obscure and mystify his own movements. NOTE: This edition by Azafran Books was published in December 2016 and has been re-edited and formatted by a team of dedicated real people - not an algorithm! This edition is NOT from a scanned copy with original errors. PLEASE regard all reviews prior to our publication date as referring to other editions, which may have typographical errors. Our books have been carefully re-published to the highest of standards.

An Embarrassment of Riches Chelsea Quinn Yarbro, 2011-03-01 More than two decades strong, the Saint-Germain cycle is one of the most compelling works of dark fantasy and horror of our age. Historically accurate, often involving key events or figures from throughout world history, these deeply emotional novels have a devoted readership. Each novel is written as a stand-alone and they are not chronologically consecutive, so readers may enter the saga with any book and move backward or forward in time as they choose, from Pharaonic Egypt to Paris in the 1700s, from the fall of the Roman Empire to World War II Europe. In An Embarrassment of Riches, the vampire Count finds himself a virtual prisoner in the Court of Kunigunde in Bohemia in the 1200s. Rakoczy Ferncsi, as Saint-Germain is known, passes his days making jewels to delight Queen Kunigunde and trying not to become involved in the Court's intrigues. In this, the vampire fails. Handsome, apparently wealthy, and obviously unmarried, he soon finds himself being sexually blackmailed by Rozsa, an ambitious lady-in-waiting. If he does not satisfy her, she will denounce him to the priests and he'll be burned at the stake, resulting in his True Death. Despite his care, the vampire makes more than one enemy at the Bohemian Court, and by the end of An Embarrassment of Riches, the Count can see only one road to freedom...through death. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Saint Germain, 2010

The Comte De St. Germain Isabel Cooper-Oakley, 2017-04-07 St. Germain was an Alchemist of the highest order. He fascinated the world and took the noble elite by storm. He created a mythos that surrounds him to this day. In fact some believe that St. Germain the Alchemist is still alive to this day.
