Could Have Been Us - Special Edition Corinne Michaels, 2022-02-15 New York Times Bestselling author Corinne Michaels returns to the small town of Willow Creek Valley in this stunning brother's best friend/secret child romance. Fifteen years ago, I fell for Jack O'Donnell. I was just a girl, but I knew my brother's best friend was the only man I'd ever love. On my eighteenth birthday, when I asked him to kiss me, I never imagined it would change my life so completely. I gave Jack everything that night. In order to move on, we had to go our separate ways and pretend like nothing happened... as though it wasn't the greatest moment of my life. But even that wasn't as heartbreaking as the secret we were forced to keep. I've tried not to think about how much I still love him. How I long to be back in his strong arms or the way his hazel eyes make my heart race. Until he kisses me again. And this time there's no turning back. This time I know what it means. We belong together and there's no use denying it any longer. But our feelings aren't the only thing that won't stay buried, our past resurfaces and threatens to destroy our second chance at happiness. When our love is tested once again, will we be strong enough to stand together?

One by One Nicholas Bush, 2018-11-13 As seen on The Today Show A page-turning memoir from a former opioid addict in an opioid addicted community—and an up-close look at America's new health crisis. Behind closed doors, millions of people abuse opioids. Nicholas Bush was one of them. In this beautifully raw and refreshingly honest memoir, Nicholas Bush boldly allows readers into his addiction-ravaged community. We see how heroin nearly claimed his life on multiple occasions, how it stole the lives of his young siblings and friends, and how it continues to wage a deadly toll on American neighborhoods—claiming thousands of lives and decreasing the average lifespan. But we also see that there is a way off of the devastating rollercoaster of opioid addiction, even for the most afflicted. Nicholas fights for recovery, claws his way out of a criminal livelihood, and finds his footing with faith and family, providing Americans with the inspirational story that is deeply needed today.
