Fifth Edition Classes Brian Berg, James Olchak, 2017-01-01 Fate is for those too weak to determine their own destiny. - Exerpts from the memoir of Talitha Shadowtongue, Tiefling Doom Herald Damned fate... cruelest destiny... bad luck... these are philosophical concepts that many know, but few are able to truly explain or prove. If destiny is pre-determined, inevitable and unchangeable, is there any hope for we mortals to set our own paths? What of those that seem to be damned by fate, always at the mercy of a higher power? Is there any hope for us at all? It is rumored that some mortals can choose their own fate by selecting the correct paths as they walk through life. Others think that all of life's events are predestined. There are rumors of those who understand fate's cruel whims and can free themselves and no longer be slaves to that harsh mistress. I can tell you those rumors are true... I have lived through perils that would kill even the most steeled warriors. I have slain many a fool that thought to prey upon me. I have danced with fate itself, and taken the lead. What was once my misery is now my salvation, and your damnation. I am an accursed, a doomgiver -- I am a Malefactor. CLASS DESCRIPTION Some children begin life cruelly afflicted. Soon after birth, they and their families are beset by random misfortune, injury, and loss.

Frequently they are abandoned by their communities for being born under an inauspicious sign, or sacrificed to allay curses seemingly brought down by dark Gods. In reality, the birth of these unfortunates was attended by intangible chaos-spirits known as Yla (EE-la). While the Yla are not inherently evil, they are prone to destruction, and ignorant of the pain and misfortune that they cause those whom they bond with. Sages do not know what causes the Yla to seek out an individual, but as of yet, no known spell or prayer can separate them from their chosen. Many afflicted by these spirits live lives of sorrowful destitution, sometimes taking their own lives in misery. A choice few however, realize that while their affliction cannot be suppressed, it can be commanded. Whether through study or epiphany, these few learn to channel and command the devious spirits that surround them, turning their hardship into a powerful weapon. These few are known collectively as the Malefactori. In order to preserve their own lives, they willingly bring misfortune and woe to those around them. They are dangerous to their allies and even more so to their adversaries. A Malefactor that has mastered the ability to transfer his own ill fate to others is truly a dangerous opponent... This sourcebook comes complete with a killer new class and abilities, archetypes, feats, favored class options and the complete stats for the iconic succubus spawned tiefling on the cover -- Talitha Shadowtongue. Compatible with the Pathfinder and Dungeons & Dragons (D&D) Fifth Edition (5E).

5e Mythic Classes Christopher Brazelton, 2017-08-27 Command the fury of storms, summon your own sentient weapon, learn the secrets of shapeshifting, or forge a wondrous suit of mechanical armor! For the first time, 5e Mythic Classes has the tools players and Game Masters need to create characters who can master all of these abilities (and more!), with five all-new mythic character classes. Each mythic class features a complete character advancement path that includes new abilities at every level, from 1st to 20th level.
