*I'll Burn That Bridge When I Get to It!* Norman Finkelstein,2023-12-25 Originating as a response to the 2020 publication of *A Letter on Justice and Open Debate* in Harper's, Finkelstein's new book *I'll Burn That Bridge When I Get to It* takes aim at both cancel culture and identity politics. Critiquing everyone from Robin DiAngelo to Barack Obama, Finkelstein delivers a rigorous argument for free expression along with a death blow to leftist hypocrisy. Norman Finkelstein's previous books include *The Holocaust Industry*, *Beyond Chutzpah*, and *Image and Reality of the Israel-Palestine Conflict* among others.

**Christian Nation** ,1908

*I'll Burn That Bridge When I Get to It* Norman G. Finkelstein,2025-04 America's most canceled intellectual presents a scorching defence of free thought and a devastating indictment of a left that has lost its way. Norman Finkelstein made his name debunking Israel's apologists and exposing the cynical weaponization of Jewish history. In this work, Finkelstein trains that same forensic eye on identity politics writ large. After methodically parsing the canonical identity-politics texts, Finkelstein concludes that they're lacking in intellectual substance. Instead, the real purpose of identity politics is to derail a

class-based movement bent on radical change. Finkelstein shows how the cult surrounding Barack Obama used identity politics to burnish a status quo president's radical sheen. When a truly progressive movement cohered around presidential candidate Bernie Sanders, these woke liberals mobilised identity politics to discredit him. Along the way, Finkelstein recalls his own life in radical politics and his close encounters with cancel culture, which left him unemployed and unemployable. He situates his personal story within broader debates on academic freedom and poignantly concludes that, although occasionally bitter, he harbors no regrets about the choices he made. If I can't laugh, I don't want your revolution, Finkelstein declares. Laced with his signature wit, readers of this book will get to laugh along with him. This revised edition of Finkelstein's instant classic features a new chapter dissecting the Supreme Court's landmark decisions on affirmative action. In a bracingly original analysis, Finkelstein shows the stark limits of affirmative action discourse in the face of an economic system that is fundamentally rigged.

*I Swear I'll Make It Up to You* Mishka Shubaly, 2016-03-08 An odyssey of family, heartbreak, violence, punk rock, brokenness, broke-ness, sex, love, loss, drinking, drinking, drinking, and an unlikely savior: distance running. A misfit kid at the best of times, Mishka Shubaly had his world shattered when, in a twenty-four-hour span in 1992, he survived a mass shooting on his school's campus, then learned that his parents were getting divorced. His father, a prominent rocket scientist, abandoned the family and their home was lost to foreclosure. Shubaly swore to avenge the wrongs against his mother, but instead plunged into a magnificently toxic love affair with alcohol. Almost two decades later, Shubaly's life changed again when a fateful five-mile run after a bar fight inspired him to clean up his life. And when he finally reconnected with his estranged father, he discovered the story of his childhood was radically different from what he thought he knew. In this fiercely honest, emotional, and self-laceratingly witty book, Shubaly relives his mistakes, misfortunes, and infrequent good decisions: the disastrous events that fractured his life; his incendiary romances; his hot-and-cold career as a rock musician; meeting his newborn nephew while out of his gourd on cough syrup. *I Swear I'll Make It Up to You* is an apology for choices Shubaly never thought he'd live long enough to regret, a journey so far down the low road that it took him years of running to claw his way back.
