

# Oliver As Long As He Needs Me

**Peter Filichia**

Really Easy Piano: Great Showstoppers Wise Publications, 2009-07-23 Really Easy Piano: Great Showstoppers contains easy arrangements for twenty fabulous stage songs. These simplified arrangements are accompanied by background notes on the songs as well as handy playing hints and tips. Suitable for beginners of all ages, including grades 1-3, this book will make learning the hits as stress-free as possible, ensuring that you master every song with ease. Song List: - A Whole New World (Aladdin) - Beauty And The Beast (Beauty And The Beast) - Cabaret (Cabaret) - Can't Help Lovin' Dat Man (Show Boat) - Circle Of Life (The Lion King) - Close Every Door (Joseph And The Amazing Technicolor Dreamcoat) - Don't Cry For Me Argentina (Evita) - Happy Talk (South Pacific) - If I Were A Rich Man (Fiddler On The Roof) - Luck Be A Lady (Guys And Dolls) - Matchmaker (Fiddler On The Roof) - Memory (Cats) - My Favourite Things (The Sound Of Music) - On My Own (Les Misérables) - One (A Chorus Line) - Superstar (Jesus Christ Superstar) - Tell Me It's Not True (Blood Brothers) - The Bare Necessities (The Jungle Book) - The Candy Man (Willie Wonka And The Chocolate Factory) - The Last Night Of The World (Miss Saigon) - The Music Of The Night (The Phantom Of The Opera) - The Phantom Of The Opera (The Phantom Of The Opera) - The Time Warp (The Rocky Horror Show) - Who Will Buy (Oliver!)

*The Complete Book of 1980s Broadway Musicals* Dan Dietz, 2016-02-18 For Broadway audiences of the 1980s, the decade was perhaps most notable for the so-called "British invasion." While concept musicals such as *Nine* and Stephen Sondheim's *Sunday in the Park with George* continued to be produced, several London hits came to New York. In addition to shows like *Chess*, *Me and My Girl*, and *Les Misérables*, the decade's most successful composer Andrew Lloyd Webber was also well represented by *Cats*, *The Phantom of the Opera*, *Song & Dance*, and *Starlight Express*. There were also many revivals (such as *Show Boat* and *Gypsy*), surprise hits (*The Pirates of Penzance*), huge hits (*42nd Street*), and notorious flops (*Into the Light*, *Carrie*, and *Annie 2: Miss Hannigan's Revenge*). In *The Complete Book of 1980s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1980s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sid Caesar, Barry Manilow, Jackie Mason, and Shirley MacLaine. Each entry includes the following information: Opening and closing dates, Plot summaries, Cast members, Number of performances, Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors, Musical numbers and the names of performers who introduced the

songsProduction data, including information about tryoutsSource materialCritical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

**Broadway Musicals** Peter Filichia, 2010-09 When *Evita* opened on Broadway during the 1979-1980 season, it was (as one of its songs said) *High Flying Adored*. But in the 1970-71 season, the producers of *Lolita*, *My Love* saw their show (as one of its songs said) *Going, Gone, Gone* after its torturous Philadelphia and Boston tryouts. It didn't even try to brave Broadway, although the bookwriter-lyricist of *My Fair Lady* had written it. It happens every season. Broadway has one, two, or a few hit musicals, but many, many more flops. Here's a look at the extreme cases from each season of the past half-century. The musicals that everyone knew would be hits - *The Sound of Music*, *The Phantom of the Opera*, *The Producers* - and were. The tuners that sounded terrible from the moment they were announced - *Via Galactica*, *The Civil War*, *Lestat* - and turned out to be even worse than anyone expected. The shows that were destined to succeed - *Breakfast at Tiffany's*, *1600 Pennsylvania Avenue*, *Merrily We Roll Along* - but didn't. The ones that didn't have a chance - *Man of La Mancha*, *1776*, *Grease* - but went on to household-name status. Yes, Broadway is the oldest established permanent non-floating crap game in New York, and Peter Filichia takes a look at 100 shows that met either the most glorious or the most ignominious fates.

**The Routledge Research Companion to Popular Music and Gender** Stan Hawkins, 2017-03-16 Why is gender inseparable from pop songs? What can gender representations in musical performances mean? Why are there strong links between gender, sexuality and popular music? The sound of the voice, the mix, the arrangement, the lyrics and images, all link our impressions of gender to music. Numerous scholars writing about gender in popular music to date are concerned with the music industry's impact on fans, and how tastes and preferences become associated with gender. This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender. The contributors are drawn from a range of disciplines including musicology, sociology, anthropology, gender studies, philosophy, and media studies, providing new reference points for studies in this interdisciplinary field. Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working, where the focus falls primarily on gender roles. Amongst the innovative approaches taken up in this collection are: queer performativity, gender theory, gay and lesbian agency, the female pop celebrity, masculinities, transculturalism, queering, transgenderism and androgyny. This Research Companion is required reading for scholars and teachers of popular music, whatever their disciplinary background.

As Long As He Needs Me (Reprise). ,

Children, Childhood, and Musical Theater Donelle Ruwe, James Leve, 2020-02-19 Bringing together scholars from musicology, literature, childhood studies, and theater, this volume examines the ways in which children's musicals tap into adult nostalgia for childhood while appealing to the needs and consumer potential of the child. The contributors take up a wide range of musicals, including works inspired by the books of children's authors such as Roald Dahl, P.L. Travers, and Francis Hodgson Burnett; created by Rodgers and Hammerstein, Lionel Bart, and other leading lights of musical theater; or conceived for a cast made up entirely of children. The collection examines musicals that propagate or complicate normative attitudes regarding what childhood is or should be. It also considers the child performer in movie musicals as well as in professional and amateur stage musicals. This far-ranging collection highlights the special place that musical theater occupies in the imaginations and lives of children as well as adults. The collection comes at a time of increased importance of musical theater in the lives of children and young adults.

**This is the Ultimate Broadway Fake Book** Stanley Green, 1989

**A Tanner's Worth of Tune** Adrian Wright, 2010 This book is not an encyclopaedia of the British musical in the twentieth century, but an examination of its progress as it struggled to find an identity. It shows how the British musical has reacted to social and cultural forces, suggesting that some of its leading composers such as Lionel Bart and Julian Slade contributed much more to the genre than has previously been acknowledged. As the British musical veered between opera, light opera, operetta, spectacle with music, kitchen-sink musical, *recherché* musical, adaptations of classic novels, socially conscious musicals et al., this fresh assessment of the writers and their work offers a new understanding of the art -- publisher description.

**Dickens Adapted** John Glavin, 2017-03-02 From their first appearance in print, Dickens's fictions immediately migrated into other media, and particularly, in his own time, to the stage. Since then Dickens has continuously, apparently inexhaustibly, functioned as the wellspring for a robust mini-industry, sourcing plays, films, television specials and series, operas, new novels and even miniature and model villages. If in his lifetime he was justly called 'The Inimitable', since his death he has become just the reverse: the Infinitely Imitable. The essays in this volume, all appearing within the past twenty years, cover the full spectrum of genres. Their major shared claim to attention is their break from earlier mimetic criteria - does the film follow the novel? - to take the new works seriously within their own generic and historical contexts. Collectively, they reveal an entirely 'other' Dickensian oeuvre, which ironically has perhaps made Dickens better known to an audience of non-readers than to those who know the books themselves.
