Her One True Love Rachel Brimble,2016-03-15 She Can't Forget Him... Jane Charlotte Danes has loved the squire of her idyllic country town for as long as she can remember. He is good, kind, and alluring beyond words... and he chose to marry another. Tired of dwelling on her futile longings, Jane plans a move to Bath, where she dreams of a new beginning. But the man who has so imprisoned her heart is only a few steps behind... He Can't Let Her Go... Until now, Matthew Cleaves has endeavored to meet the responsibilities of his position with dignity and good spirits--including his dutiful marriage. But when his wife leaves him for another man, Matthew is at last free to pursue his one true love. Only one vital question remains: will the captivating, stubborn, beautiful Jane allow him the challenge, and the pleasure, of winning her back?.. An entertaining read. --Library Journal on *The Temptation of Laura*

And I've said it once, and will now say it faithfully and once more again. That without a touching; and a compelling healing story, one wouldn't be able to tell others of the Grace, and the Goodness of God's Ultimate and Testimonial Glory.

Some places change our life unexpectedly Dondapati Srilaxmi,2022-04-04 In the end, only three things matter: How much you loved, how gently you lived, and how gracefully you let go of things not meant for you. Sometimes we have to lose the connection with people who don't know our worth and even it's hurtful we have to move on. If a teenage girl came to know her boyfriend is cheating on her, what will she do? Will she act mature and go out of the relationship? or beg him to love her back? If so, how it will change her life? let's find out...

Ballads of Mystery and Miracle and Fyttes of Mirth Frank Sidgwick, 2019-12-04 In *Ballads of Mystery and Miracle and Fyttes of Mirth*, Frank Sidgwick masterfully weaves together a collection of lyrical ballads that celebrate the intrigue of the supernatural alongside the joy of human experience. Employing a traditional folk ballad style characterized by rhythmic verse and vivid imagery, Sidgwick evokes themes of mystery, faith, and the whimsical delight of life's absurdities. Set against the backdrop of early 20th-century England, this anthology not only reflects the rich tapestry of English folklore but also engages with the prevailing literary trends of romanticism and realism, creating a work that resonates with both depth and charm. Frank Sidgwick, an eminent scholar and editor, drew upon his extensive knowledge of folk literature as well as his passion for the oral traditions of storytelling. His scholarly background and profound interest in the intersection of language, culture, and folklore are palpable throughout this collection. Sidgwick's commitment to preserving and reviving the ballad form speaks to his desire to connect contemporary readers with the timeless narratives that shaped English literary heritage. This book is highly recommended for those who seek to immerse themselves in the enchanting world of ballads, as well as for anyone interested in exploring the complexities of human emotion and the supernatural within a poetic framework. *Ballads of Mystery and Miracle and Fyttes of Mirth* will appeal to scholars, folklore enthusiasts, and casual readers alike, offering a delightful journey through the wonders of imagination and tradition. Ek Pyar Ka Nagma Hai Durga Prasad, DESCRIPTION (The story is in English) On the eve of “Valentine Day” the author has written a story defining from the different angles actually what love is. Love is an inborn quality of man. It is a feeling expressed by someone. It comes from within one’s heart. Thus it responsive and reciprocal as well. Love is spiritual. It is universal as the whole universe is considered as good as family. We should give love much more than we receive from others. We can make the world a peaceful place to live and lead our life happily only when we love each other. The author has also explained about the thought of Pablo Neruda – a Nobel Laureate 1971 on love beside other three Nobel Laureates – Earnest Hemingway 1954 Bertrand Russel 1950 and Rabindranath Tagore 1913 – all got Nobel Prizes in literature. Taking over the Family Business Dominique Otten-Pappas,2015-09-16 Why do successors decide to join the family business? The current study investigated the hitherto largely ignored perspective of the successor on succession as career decision process. Grounded on family business and career development theory, insights gained from the qualitative analysis of 16 in-depth interviews with successors were used to develop a successor profiling tool. It is composed of three main elements: the succession decision as process, influences of facilitating and inhibiting factors as well as underlying successor commitment over time. A gender sensitive perspective was adopted in order to account for gender differences during tool development. The tool developed offers a practical contribution by helping young family business members to consider succession in relation to their career development.
