*Summary of The 7 Habits of Highly Effective People by Stephen R. Covey* QuickRead, Lea Schullery, The perfect guide to adopting seven habits of effective people that can improve your life and the lives of those around you. A self-improvement guide written by Stephen Covey, *The 7 Habits of Highly Effective People* details how you can change your life through changing your mindset. The way you view the world is based entirely on your own perceptions, and by adopting a perception that leads to action, you can change your life and the lives of those around you. In other words, if you want to change your current situation then you must learn to change yourself and learn to change your perceptions. The way you see the problem is the problem, so you must allow yourself to fundamentally change the way you think in order to see a true change in yourself. Covey will not only teach you how to adopt a new mindset, but he will also teach you how to become proactive and focus on the important tasks at hand. At the end of the day, by adopting the 7 habits of highly effective people, you can learn how to change your mindset and then change your life. Do you want more free book summaries like this? The 7 Habits of Highly Effective People Instaread, 2016-04-20 The 7 Habits of Highly Effective People by Stephen R. Covey | Summary & Analysis Preview: The 7 Habits of Highly Effective People is a self-help book that outlines seven skills to develop in order to increase efficiency and have more rewarding interpersonal relationships. Living according to the seven habits requires paradigm shifts that allow an individual to become flexible enough to change. One is the shift in associations when considering independence and interdependence. Independence, which is more valued by contemporary personality-driven trends, can cause problematic isolation and stifle cooperation. Interdependence describes a healthier approach that enables teamwork. The seven habits also require an understanding of the difference between production, or results, and production capacity, the processes that generate the results, neither of which can be prioritized at the cost of the other. The first three habits relate to private victories. First, people should restrict their efforts to the things that they can actually influence, and not waste energy on things that cause worry but cannot be directly controlled... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread Summary of The 7 Habits of Highly Effective People · Overview of the book · Important People · Key Takeaways · Analysis of Key Takeaways About the Author With Instaread, you can get the key takeaways, summary and analysis of a book in 15 minutes. Anxiety-Free Kids Bonnie Zucker, 2021-09-03 *Anxiety-Free Kids* (2nd ed.) offers parents strategies that help children become happy and worry-free, methods that relieve a child's excessive anxieties and phobias, and tools for fostering interaction and family-oriented solutions. Using a unique companion approach that offers two books in one—a practical, reader-friendly book for parents and a fun workbook for kids—this solutions-oriented guide utilizes the cognitive-behavioral approach to therapy and integrates the parent in the child's self-help process. Research has shown that if left untreated, children with anxiety disorders are at higher risk to perform poorly in school, to have less-developed social skills, and to be more vulnerable to substance abuse. Covering the six most commonly occurring anxiety disorders—generalized anxiety, separation anxiety, specific phobias, social phobias, panic disorder, and obsessive-compulsive disorder—this book gives kids

and parents successful strategies for achieving relaxation, conquering worries, challenging faulty thinking patterns, developing positive self-talk, and facing one's fears. Educational Resource
