Edward Bulwer Lytton Lytton

Stay with Me J. Lynn, Jennifer L. Armentrout, 2014-09-23 From the #1 New York Times bestselling author of *Wait for You* and *Be with Me* comes a daring tale that pushes boundaries . . . At 21, Calla hasn't done a lot of things. She's never been kissed, never seen the ocean, never gone to an amusement park. But growing up, she witnessed some things no child ever should. She still carries the physical and emotional scars of living with a strung-out mother, Mona—secrets she keeps from everyone, including her close circle of college friends. But the safe cocoon Calla has carefully built is shattered when she discovers her mom has stolen her college money and run up a huge credit card debt in her name. Now, Calla has to go back to the small town she thought she left behind and clean up her mom's mess again. Of course, when she arrives at her mother's bar, Mona is nowhere to be found. Instead, six feet of hotness named Jackson James is pouring drinks and keeping the place humming. Sexy and intense, Jax is in Calla's business from the moment they meet, giving her a job and helping her search for Mona. And the way he looks at her makes it clear he wants to get horizontal . . . and maybe something more. Before Calla can let him get close, though, she's got to deal with the pain of the past—and some very bad guys out to mess her up if she doesn't give them her mom.

Stay with Me Sandra Rodriguez Barron, 2010-11-30 "Stay With Me accomplishes all we might ask of a novel....It reminds readers what great pleasures and surprises are to be found inside such rare, fine, and atmospheric novels when we're lucky enough to find them." —Laura Kasischke, author of *In a Perfect World* *Stay With Me* by Sandra Rodriguez Barron is a gripping and deftly written novel about the meaning of family and the bonds that create one's history. Provocative and character-rich, *Stay With Me* grippingly explores the mystery behind the pasts of five toddlers who were stranded on a boat and left drifting in the ocean, and the aftermath, many years later. Despite the lavish weddings she organizes, Alecia is convinced that the idea of true love is a myth. Welcoming the handsome Italian into her bed, and her life, is a risk, but Dominic isn't used to taking no for an answer, and it's not long before these two are burning

up the sheets and discovering a connection that neither can deny.

Stay with Me (with Me Book 1) Elyssa Patrick, 2013-08-30 I've been famous since I can remember. Singing, acting, dancing--I've done it all. The tabloids cover my every move, but I don't want that anymore. I want to be normal, whatever that is. When I leave Hollywood for college in Vermont, I'm on my own for the first time in my life. This is my chance to figure out who I am and what I want in life. But it's a lot harder than I expected. I can't escape my image. Classes are difficult, and I'm struggling. And then there's Caleb Fox. Sexy, intriguing Caleb Fox. Caleb is the one man who doesn't want to use me. He breaks down my walls. He challenges me. He wants me. And I just don't know if I can give him the same--or if he'll stick around when he finds out my shameful secret that the tabloids haven't managed to uncover. Dating him is risky enough, but loving him could break me. Bonus: Now includes the first half of Go With Me, the second book in the With Me series!

Stay with Me Nicole Fiorina, 2023-08-03 Once upon a time, there lived a girl named Fallon, who was taken far away from home shortly after she was born.? A home that held more than strange traditions and bizarre superstitions. Twenty-four years later, she returned to Weeping Hollow, a haunting town she'd only heard about in stories during restless nights under a marble moon, to meet her last living relative.? They called her a freakshow--a ghost. They said I couldn't go near her. Still, there was this aching pull to Fallon Grimaldi that I couldn't escape. A nostalgic pull as if we'd been here before. Once upon a time, there lived a mysterious man named Julian with a curse as old as centuries wrapped around his soul.? He was one of the four Hollow Heathens, the very dark creatures who caused the town's people to live in fear.? And the Blackwell name was stained with darkness and death. They called him a monster. Cold and hollow. They said I shouldn't go near him. Still, there was this aching pull to Julian Blackwell that I couldn't escape. A nostalgic pull as if we'd been here before.

Stay With Me Alison Gaylin, 2014-06-24 A detective's missing daughter may be linked with her secretive past in Stay With Me from USA Today bestselling and award-winning author Alison Gaylin. When the past intersects with the future . . .

Brenna Spector is held prisoner by the past. She has perfect memory, which allows her to recall in vivid and remarkable detail every moment of every day of her adult life. If only she could remember more from her childhood . . . for she's still trying to unravel the mystery of her sister Clea's disappearance twenty-eight years ago when Clea was seventeen. But now her obsession with finding out what happened to Clea is taking a toll on her own teenage daughter, Maya, who's been very secretive lately. And when Maya goes missing, Brenna fears her worst nightmare has come true. . . . the outcome can be dangerous As Brenna relies on her P.I. skills to find her daughter before it's too late, evidence surfaces showing a possible link between Maya's disappearance and Clea's. But could a case from three decades ago really be connected to her daughter? Or is someone hoping that Brenna will play along in a twisted game—one that there's no chance of winning . . . or surviving? In the lineage of great works by Chinua Achebe and Chimamanda Ngozi Adichie.” —The New York Times Book Review Ilesa, Nigeria. Ever since they first met and fell in love at university, Yejide and Akin have agreed: polygamy is not for them. But four years into their marriage—after consulting fertility doctors and healers, and trying strange teas and unlikely cures—Yejide is still not pregnant. She assumes she still has time—until her in-laws arrive on her doorstep with a young woman they introduce as Akin's second wife. Furious, shocked, and livid with jealousy, Yejide knows the only way to save her marriage is to get pregnant. Which, finally, she does—but at a cost far greater than she could have dared to imagine.
