Re:Birth ALEXANDRA N. KULICK,2017-01-27 Re:Birth examines pregnancy and childbirth through the finished work of the cross. At Cavalry, Jesus bore the sins of the world for freedom, healing, and adoption into God's family. This redemption radically changes lives, but why not births too? Genesis explains that the reason for pain and travail during childbirth is sin. Yet, Jesus bore the penalty for all of our sins, even Eve's. Through the most beautiful tale of God's love and redemption presented to us through the life of Jesus, readers will uncover God's heart, love, and redemption of pregnancy and birth. From miraculous conceptions, to birth without pain, and even birth with few contractions, God has performed the miraculous in Scripture and in the real life testimonies of women all over the world. Join us on a path to discovering: * Your true created identity in Jesus * Freedom, peace, and redemption of birth* And encouragement to help you overcome life's storms! God has been a part of every birth in history, and He can't wait to be a part of yours!

Woman of God: What Is Your Report? W. R. Coleman,2019-02-20 In this first volume, W. R. Coleman calls some of her sister-friends together and offers a compilation of their stories of triumph, struggle, love, joy, heartache, and life. These women of God are from various walks of life, and some are not ministers in the traditional sense of the word. Medical professionals, managers, lawyers, educators, and entertainment industry personalities—they are truly diverse in their callings but are absolutely women of God and faith in every way. Inside these women of God share testimonies of God's healing of the physical body, deliverance from addictions and temptations, homelessness, and financial crisis, as well as the sweet joy of being led back to a long-separated love and the passion that God allows to still flame. While they have poured their hearts out for all the world to know, these women of God are fully secure and satisfied that their openness will lead to someone else's blessings.

Faith Of The Faithfull Dr Sipho P. Malapane,2012-09-01 Probably, one of the greatest identities and definitions of faith, this book stops at nothing and yields for no doubt. Faith Of The Faithful deals with the bones and tissues of faith and simplifies the realization of faith like in no other book. The revelation truths about this subject as contained herein are all bible based and relay the scriptures into one compound. The book's great specialty is that in between and across revelations and interpretations, it links various scriptures to attest evidence. The book focuses on God's character from the genesis of time, through the ministries of His servants across the scriptures, as well as the gospel of Jesus Christ, in finding evidence of faith still relevant to our lives today.
