**The Brethren; The Chamber** John Grisham, 2001-09-01 A combined edition containing two of Grisham's bestselling titles.

*The Firm & the Chamber* John Grisham, 1995-10-01

*John Grisham* Mary Beth Pringle, 1997-05-28 With his seven legal thrillers, all published since 1989, John Grisham has won a huge following of readers and set a standard few contributors to the genre can match. Because of the success of his novels, the legal thriller is the most popular genre in American fiction today. In this study, Pringle explains how Grisham's legal thriller evolved from the thriller tradition and borrowed from the heroic romance novel, gothic novel, crime novel, and detective fiction. She shows how his novels examine contemporary social and legal problems that do not have simple solutions—ecology, ethnic relations, capital punishment, corporate greed, and health insurance—and how he depicts both the legal system and lawyers in their best and worst lights. Following a biographical chapter that focuses on Grisham's childhood in Arkansas, education, political career, and development as a writer, Pringle examines the legal thriller, its antecedents, and Grisham's contribution to the genre. An individual chapter is devoted to analysis of each of his novels. Each chapter synthesizes the novel, discusses its reception by critics, and features sections on plot development, character development, social/historical context and issues, and an alternative critical perspective from which to approach the novel, such as psychoanalytic theory or feminist criticism. The work includes a complete bibliography of Grisham's work, critical sources, and list of reviews of all of his novels. Because of Grisham's popularity with adults and young adults and the contemporary issues he raises, this study is valuable to students, book discussion group participants, and other interested readers, and is an essential purchase for school and public libraries.

*The John Grisham Story* Libby Hughes, 2004-09 John Grisham is the home run king of legal thrillers. Fans devour his

books and can't wait for each blockbuster book every February. Since 2001, he has written a second, lightweight novella in the fall. This is gourmet Grisham. But who is John Grisham--the real John Grisham? He is an illusive, private, and mysterious person, who shuns publicity. The author of *The John Grisham Story: from baseball to bestsellers* peels away the layers of this fascinating Mississippi boy, who longed to be a professional baseball player. Grisham was a criminal lawyer, a Mississippi legislator, and is presently a novelist. Grisham came from a family of storytellers. His gypsy life as a child, moving from Arkansas to many small towns in Mississippi, was fodder for many of his ideas. Life experiences for Grisham left him full of disdain for lawyers, politicians, and government. Yet, he is a spiritual man, a family man, and an anonymous giver to charities. Buried behind his acres of land in the rolling hills of Virginia, Grisham coaches Little League and uses his novels to espouse his causes against homelessness, insurance scams, and crooked lawyers. Here is the inside story of John Grisham, written in a lively, informative, and colorful style.

**Three Classic Thrillers 3-Book Bundle** John Grisham, 2011-12-19 The #1 New York Times bestselling master of legal suspense, John Grisham has electrified readers with his white-knuckle narratives for more than two decades. Assembled here in a convenient eBook bundle are three of his classic thrillers: *The Firm*, the runaway hit that ignited his writing career, *The Appeal*, and *The Chamber*. Read back-to-back or enjoyed separately, these edge-of-your-seat novels show why John Grisham is—beyond a reasonable doubt—one of the most beloved authors of all time. **THE FIRM** When Mitch McDeere signed on with Bendini, Lambert & Locke of Memphis, he thought that he and his beautiful wife, Abby, were on their way. The firm leased him a BMW, paid off his school loans, arranged a mortgage, and hired the McDeeres a decorator. Mitch should have remembered what his brother Ray—doing fifteen years in a Tennessee jail—already knew: You never get nothing for nothing. Now the FBI has the lowdown on Mitch's firm and needs his help. Mitch is caught between a rock and a hard place, with no choice—if he wants to live. **THE APPEAL** In a crowded courtroom in Mississippi, a jury returns a shocking verdict against a chemical company accused of dumping toxic waste into a small town's water supply, causing the worst "cancer cluster" in history. The company appeals to the Mississippi Supreme Court, whose nine justices will one day either approve the verdict—or reverse it. The chemical company is owned by a Wall Street predator named Carl Trudeau, and Mr. Trudeau is convinced the Court is not friendly enough to his interests. With judicial elections looming, he decides to try to purchase himself a seat on the Court. The cost is a few million dollars, a drop in the bucket for a billionaire like Mr. Trudeau. Through an intricate web of conspiracy and deceit, his political operatives recruit a young, unsuspecting candidate. They finance him, manipulate him, market him, and mold him into a potential Supreme Court justice. **THE CHAMBER** In Chicago's top law firm, a young lawyer stands on the brink of a brilliant career. Now twenty-six-year-old Adam Hall is risking it all for a death-row killer and an impossible case: Sam Cayhall is a former Klansman and unrepentant racist facing the death penalty for a fatal bombing in 1967. Cayhall has run out of chances—except for one: a determined lawyer

who just happens to be his grandson. While the executioners prepare the gas chamber, while the protesters gather, and while the TV cameras wait, Adam has only days, hours, minutes to save his client. For between the two men is a chasm of shame, family lies, and secrets—including the one secret that could save Sam Cayhall's life . . . or cost Adam his.

**PENGUIN READERS 6: CHAMBER, THE BOOK AND MP3 PACK** John Grisham, 2011-03-18 Contemporary / American English The horror of death row is that you die a little each day. The waiting kills you. Seventy-year-old Sam Cayhall is on Mississippi's death row. Sam hates lawyers but his date with the gas chamber is close, and time is running out. Then Adam Hall, a young lawyer arrives. Can he and his secret persuade Sam to accept his help? This Pack contains a Book and MP3

*The Broker* John Grisham, 2005 The outgoing President grants a controversial last-minute pardon to Joel Backman, a notorious Washington power broker who has spent the last six years hidden away in a federal prison. The President issued a pardon under pressure by the CIA. Given a new home, new name, in Italy. Who will kill him?

**Lights, Camera, Execution!** Helen J. Knowles-Gardner, Bruce E. Altschuler, Jaclyn Schildkraut, 2019-10-16 Lights, Camera, Execution!: Cinematic Portrayals of Capital Punishment fills a prominent void in the existing film studies and death penalty literature. Each chapter focuses on a particular cinematic portrayal of the death penalty in the United States. Some of the analyzed films are well-known Hollywood blockbusters, such as *Dead Man Walking* (1995); others are more obscure, such as the made-for-television movie *Murder in Coweta County* (1983). By contrasting different portrayals where appropriate and identifying themes common to many of the studied films – such as the concept of dignity and the role of race (and racial discrimination) – the volume strengthens the reader's ability to engage in comparative analysis of topics, stories, and cinematic techniques. Written by three professors with extensive experience teaching, and writing about the death penalty, film studies, and criminal justice, *Lights, Camera, Execution!* is deliberately designed for both classroom use and general readership.

**The Chamber (Classic Reprint)** John Grisham, 2017-10-12 Excerpt from *The Chamber* I was a lawyer once, and represented people charged with all sorts of crimes. Fortunately, I never had a client convicted of capital murder and sentenced to death. I never had to go to death row, never had to do the things the lawyers do in this story. Since I despise research, I did what I normally do when writing a novel. I found lawyers with expertise, and I befriended them. I called them at all hours and picked their brains. And it is here that I thank them. Leonard Vincent has been the attorney for the Mississippi Department of Corrections for many years, and he opened his office to me. He helped me with the law, showed me his files, took me to death row, and toured me around the vast state penitentiary known simply as Parchman. He told me many stories that somehow found their way into this one. Leonard and I are still struggling with the moral perplexities of the death penalty, and I suspect we always will. Thanks also to his staff, and to the guards and personnel at Parchman. About the
