*God's Work-In-Progress Writing with the Scars* Christine A. Vassell-Morgan,2010-03-25 This book, a compilation of poems, written for the purpose of capturing and relating the story of an everyday soul. A soul whose life journey experienced, witnessed and envisioned the struggles and unexpected unfoldings of God. These incidents and events are as real as the air we breathe. Some of the depictions may be terrifying. They were equally terrifying and eventually humbling for this soul. The book offers solace and escape, as it shares anguish and happiness, miracles and bewilderment. God used these trials to fashion the free-spirited soul of a child into a strong, empathetic, and prudent woman. The details captured in each stanza reveal the faithfulness of the Lord. When the woman inside plunged into the deep abyss of life and groped in the parched desert, she discovered her only source of escape from lifes harshness and drudge was found in Gods mercy. The underlying stories may cause you to cry, laugh, agonize, and sympathize. They will share Gods Glory, experienced by a soulwho was belittled, rejected, ridiculed, battered and torn. However,like items at a garage sale this once tattered soul was repurchased and is now being used by God anew! ----- Christine, you have made Jesus so proud of you, his light is shining through your eyes and you set a perfect example of the way he would like for us all to live our lives. I am thankful he has brought in my pathway, you are an inspiration to me and I'm sure others. Thank you for sharing your diary with us, I know that it was not easy, but Jesus is going to use it for his good as well as keep you inspired to write more. GOD BLESS YOU and YOURS - Barbara Ferguson Gods Work-In-Progress Writing With The Scars Gods Glory in short, easy-to-read poems, is truly full of heartfelt emotions. The death of a precious nurturing grandmother described through the heart of a child with the tenderness and truthfulness only a small child would know. The raw emotions spilled out after being severely

beaten by her mother; the hurt following through her life until her heavenly father freed her from the emotional baggage taught through forgiveness. I would rate this book on a scale of 1 5 a well earned 5 for the freshness and style of this new author. - Pam Watson Christine Morgan has shared from her heart the life experiences that make her the person she is today a beautiful, God loving, God fearing and God reverencing woman. When you read this book, you will be moved by the events that shaped not only her life but will impact your life. At times you will be moved to tears and at other times will experience pure joy. This is truly a book to read and enjoy. Blessings to you as you unfold the pages of life in her poems. Sharan Robinson, RN

**Turn A New Life** John Wanjiku, 2022-06-29 A SYNOPSIS. (This is a poetry book that is societal based. In that it's centered in the community and reveals the vices that we should turn from in order to excel. It also advises us on the things we should come in good terms or compromise with in order to succeed. It encourages us not to abolish our norms, customs, morals, traditions and values which over the years have yielded positive results. While at the same time discouraging us from holding onto those which have resulted to nothing but discouragement, separation, hatred and even lack of developments and self motivation in our lives as societal members hence abolishing negativity. It's like a saw balance in that it helps us weigh between this and that and leave us in a better position to either choose this and forego that based on its merit. If we choose to forego that based on its demerit then we can say we are turning a new life hence the book title turn a new life).
