Jesus Spoke Aramaic Ewan MacLeod, 2015-12-03 Jesus Spoke ARAMAIC

Did Jesus Speak Greek G Scott Gleaves, 2015-09-24 Did Jesus speak Greek? An affirmative answer to the question will no doubt challenge traditional presuppositions. The question relates directly to the historical preservation of Jesus's words and theology. Traditionally, the authenticity of Jesus's teaching has been linked to the recovery of the original Aramaic that presumably underlies the Gospels. The Aramaic Hypothesis infers that the Gospels represent theological expansions, religious propaganda, or blatant distortions of Jesus's teachings. Consequently, uncovering the original Aramaic of Jesus's teachings will separate the historical Jesus from the mythical personality. G. Scott Gleaves, in *Did Jesus Speak Greek?*, contends that the Aramaic Hypothesis is inadequate as an exclusive criterion of historical Jesus studies and does not aptly take into consideration the multilingual culture of first-century Palestine. Evidence from archaeological, literary, and biblical data demonstrates Greek linguistic dominance in Roman Palestine during the first century CE. Such preponderance of evidence leads not only to the conclusion that Jesus and his disciples spoke Greek but also to the recognition that the Greek New Testament generally and the Gospel of Matthew in particular were original compositions and not translations of underlying Aramaic sources.

Jesus's Stenographers Ben van Noort, 2018-06-29 Are The Gospels Really Accurate? Here's How To Know Without A Doubt! We all want clarity about Jesus and the gospels. There is an ongoing research for details (theologians), an ongoing curiosity among the public and an ongoing need among Christians for clarity about the basics of the faith. It is time for a new and up to date story about Jesus and his words. After reading the book, you will: • Read the gospels with new interest and understanding. • Speak with conviction about the gospels. • Know how the spoken word was presented in the books. • Say No to the oral tradition prior to the gospels. • Understand that the gospels form the Testament of Jesus: reports were written before his death, and published in books shortly thereafter. Don't wait a day to discover the real story about the Gospels. Buy your copy now. Ben van Noort is a graduate (MA) from Utrecht University (Netherlands). In his third academic year he received the annual faculty award, with a study in history of early Christianity. His MA was focused on New Testament and Judaism (1975). He worked as a high school teacher in Christian Religion. He is a member of the Evangelical Theological

Society. "A compelling work of original biblical interpretation with significant theological implications." —Kirkus Review—
The International Standard Bible Encyclopaedia James Orr, 1915

Aramaic Sources of Mark's Gospel Maurice Casey, 1999-01-07 This 1999 book was the first to use all the Aramaic Dead Sea Scrolls to reconstruct original Aramaic sources from parts of Mark's Gospel. The scrolls enabled the author to revolutionize the methodology of such work, and to reconstruct whole passages which he interpreted in their original cultural context. The passages from which sources are reconstructed are Mark 9.11-13; 2.23-3.6; 10.35-45; and 14.12-26. A detailed discussion of each passage is offered, demonstrating that these sources are completely accurate accounts from the ministry of Jesus, from early sabbath disputes to his final Passover. An account of the translation process is given, showing how problems in Mark's text arose from the difficulty of translating some Aramaic expressions into Greek, including the notoriously difficult 'son of man'. A very early date for these sources is proposed, implying a date of c. 40 CE for Mark's Gospel.

The Jesus Handbook Jens Schröter, Christine Jacobi, 2022-11-17 An authoritative handbook on Jesus, his world, the outcomes of his life, and the quests to locate him in history. The Jesus Handbook is an indispensable reference work featuring essays from an international team of renowned scholars on the significance and meaning of the life of Jesus of Nazareth. Rooted in historical-critical methodology, it emphasizes a diversity of perspectives and provides a spectrum of possible interpretations rather than a single unified portrait of Jesus. The Handbook's dozens of authors—Jewish, Roman Catholic, and Protestant—all remain committed to the principle of interpreting the life of Jesus in context, while also giving due diligence to the implications of archaeological evidence and recent discourses in the hermeneutics of history. After an introduction that lays out the considerations of the task at hand, the authors survey the history of Jesus research and take a close look at the historical material itself—textual and otherwise. From this foundation, the Handbook then details the life of Jesus before at last exploring the reception and effects of Jesus's life after his death, especially in the first centuries CE. With this wealth of information available in a single volume, scholars and students of the New Testament and early Christianity—and anyone interested in the search for the historical Jesus—will find The Jesus Handbook to be a resource that they return to time and again for both its breadth and depth. HCSB Harmony of the Gospels Steven L. Cox, Kendell H. Easley, 2007-02-01 HCSB Harmony of the Gospels is a standard, four-column synchronized reading of the Gospels based on the work of John A. Broadus and A.T. Robertson. In addition to the harmony itself, articles are included to address issues that arise when one compares the four Gospels and seeks to give a harmonized account of the life and teachings of Jesus. Designed for pastors, lay Bible teachers, professors, and students, this edition also features eight four-color maps that illuminate Christ's life and ministry plus the full text of the four Gospels from the Holman Christian Standard Bible® translation.

Easter: Everything You Need To Know About Lent and Easter Emma J. Lee, 2023-01-01 Unlock the secrets of Easter with our comprehensive guide. Perfect for anyone looking to deepen their understanding of this beloved holiday. Easter is a holiday that holds a special place in the hearts of people across the world. It is known for its rich history and cultural significance, and for many, it is a time of reflection, renewal, and new beginnings. For Christians, Easter is a time to commemorate the resurrection of Jesus Christ, a central event in the faith. It signifies the triumph of good over evil and the promise of eternal life. The story of Easter, as told in the Bible, is a powerful reminder of hope and faith in the face of adversity. However, Easter is not just a religious holiday. It is also a time of celebration and joy, marked by colorful decorations, delicious food, and fun activities. From Easter egg hunts to parades and carnivals, people around the world come together to celebrate this special time of year. In this book, we will take a closer look at the history, significance, and traditions of Easter. We will delve into the ancient pagan roots of the holiday and trace its evolution over time. We will explore the various customs and practices associated with Easter, from the iconic Easter bunny and colorful eggs to the traditional Easter feast. We will also examine the biblical accounts of the events leading up to the resurrection of Jesus Christ, exploring the profound spiritual meaning behind this pivotal moment in history. We will look at the ways in which Easter is celebrated around the world, from the solemn processions of Holy Week to the lively festivities of Easter Monday. Whether you are a Christian celebrating the resurrection of Jesus Christ or simply looking to learn more about this fascinating holiday, this book is the perfect guide to the history, significance, and traditions of Easter.

The Quest of the Historical Jesus Albert Schweitzer,1910

No Hell Before the Resurrection or the Judgment Stanley Jackson,2023-12-26 Before Jesus left this planet over two thousand years ago, He promised He would return to receive all believers onto Himself--believers who are dead and then believers who will be alive at the time of His return. All the things Jesus promised regarding the judgment, the punishment of the unrighteous, the experience of eternal life, and the completion and inheritance of His everlasting kingdom totally rely on the fact that Jesus must first come back to the planet He left, which is the Earth. This book presents biblical facts that refute the things we have been told about judgment day and the place of eternal punishment that is better known as hell. I present from the Holy Scriptures the fact that no one is presently burning in hell. I also prove by what is stated in the Scriptures that Christ must return, then the dead must be raised, and Judgment must occur first before any person will experience the punishment of hell. I also refute the nonbiblical assumption that says good people go to heaven and bad people go to hell. I also provide information that will help any and all serious Bible students (even some casual Bible readers) to understand certain Bible words--words that are important in correctly understanding particular passages of Scripture the way they are intended to be understood. I present what the Bible reveals and what it actually says about the dead and what it says about the resurrection of the unsaved and salvation--salvation that can only be received through faith in Christ. I also show how those three things are relative to the coming of Christ, the judgment, and the punishment of all who reject God's love and mercy. This book is informative and challenging and gets straight to the point--no bloviating. The content of this book should either cause a reader to make the decision to receive Christ or inspire a believer to tell someone who is on the road to destruction about God's love and mercy that are received through faith in His Son, Jesus, who died and was resurrected to save and justify every person who would accept His gift of mercy and eternal life.

Dictionary of New Testament Background Craig A. Evans, Stanley E. Porter,2010-05-11 Written by known experts and edited by Craig A. Evans and Stanley E. Porter, this reference work with its full bibliographies and cross-references to other volumes in the series is the best for researching the New Testament in its ancient setting.
