My Senior Year Jim Towne, 2021-09-30 My Senior Year is the story of a seventeen-year-old boy whose life is turned upside down when he is forced to move to a new city one day before the beginning of his senior year of high school. But more than that, the story of Nick Bradford and the Belmont Street Boys is one of friendship that grows into lasting community. Along the way, Nick sees what life can become when people of influence use their power to serve others. Told in the style of a memoir, My Senior Year is a coming-of-age story filled with laughter, pathos, surprises, and the kind of interesting people found in the mixed culture of Pueblo, Colorado.

Early Broadway Sheet Music Donald J. Stubblebine, 2002 This work, a companion to Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (1996, \$75), provides information about sheet music published over the 75-year period from June 1, 1843, to May 31, 1918--the early days of modern American theatre. It covers all sheet music published from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway. Also included are all the major musicals from Chicago, which rivaled Broadway in original productions during that period. Each piece of sheet music has been assigned a number by the author, and the following information is given: production title (as listed on sheet music cover), year the production officially opened or tour began, name of the theatre (applicable only to New York productions), number of performances (applicable only to New York productions), performers, song titles, composer and lyricist, original publisher of each song, and cover description. Also included are comments from the author.

The Tourmaline Paul Park, 2024-08-06 The sequel to Park's stunning fantasy debut, A Princess of Roumania. Teenager Miranda Popescu is at the fulcrum of a deadly political and diplomatic battle between conjurers in an alternate fantasy world where Roumania is a leading European power. Miranda was hidden by her aunt in our world. An American couple adopted and raised her in their quiet Massachusetts college town, but she had been translated by magic back to her own world, and is

at large, five years in the future. The mad Baroness Ceaucescu in Bucharest, and the sinister alchemist, the Elector of Ratisbon, who holds her true mother prisoner in Germany are her enemies. This is the story of how Miranda—separated from her two best friends, Peter and Andromeda who have been left behind in the forests of an alternate America—begins to grow into her own personality. And how Peter and Andromeda are shockingly changed in the process of making their way to Roumania to find Miranda again at the end of this book.

Great Men of American Popular Song David Ewen,1972 The American popular song has undergone as many changes and developments as America herself. Here David Ewen explores the whole history and evolution of American popular music from 1746 to the present day. Through the biographies, personal portraits, and critical evaluations of thirty of its leading creators, the reader is given a perspective on how the American popular song developed over the years and gains an insight into the birth and evolution of the media (theater, radio, television, movies, etc.) in which these songs came into being. Within the biographies, such basic styles as the national ballad, the war song, ragtime songs, the blues, show tunes, movie tunes, and the songs of protest are described, while more than passing notice is given to the changing song lyric and the men who brought about this change. The result is a crisply-written, exceedingly knowledgeable work of encyclopedic scope and range that discusses and explains the currents and crosscurrents in the evolution of American popular music. -- From publisher's description.
