Through the Sands of Time Judah M. Cohen, 2004 An enlightening look at a unique and remarkable Jewish community.

Enduring Jewish Communities around the World Joshua N. Azriel, 2023-12-06 Enduring Jewish Communities around the World: Models of Effective Communication employs an organizational communication perspective to examine how strong internal and external communications have helped Jewish communities survive globally in unlikely locations, harsh circumstances, and periods of violent antisemitism. Drawing on in-depth interviews with religious and community leaders of nine international Jewish communities, Joshua Azriel contends that communication is a part of Judaism's core and a powerful, informal tool that has been used over millennia by its followers to sustain their communities, culture, and religion. Scholars of communication, religion, history, and Jewish studies will find this book of particular interest.

1914 Huly 1st 1939: silver jubilee of Reverend M. D. Sasso as minister of the Hebrew congregation at St Thomas, Virgin Islands of the United States: thanksgiving service at the Synagogue, Sunday morning July 2 1939 at nine o'clock Synagogue, St Thomas, Virgin Islands of the United States, 1939

The Jews in the Caribbean Jane S. Gerber, 2013-11-28 The Jewish diaspora of the Caribbean constantly redefined itself under changing circumstances. This volume looks at many aspects of this complex past and suggests different ways to understand it: as a Jewish diaspora dispersed under different European colonial empires; as a Jewish body joined together by

a set of shared Jewish traditions and historical memories; and as one component in a web of relationships that characterized the Atlantic world.

National Historic Landmarks Network ,1998

A Travel Guide to the Jewish Caribbean and South America Ben G. Frank,2004-12-31 A Travel Guide to the Jewish Caribbean and South America is a tremendous work encompassing history, culture, and modern travel to some of the most important sites in these places. This is a practical, anecdotal, and adventurous journey including kosher restaurants, cafes, synagogues, and museums, plus cultural and heritage sites. Though many understand American Jewish history as beginning with the East European mass immigration of the nineteenth and early twentieth centuries, Jews in the Americas planted roots as early as 1654, when twenty-three Jews fleeing the Inquisition arrived in New Amsterdam. While the European roots of American Jews are often explored, less discussed are the still-vibrant Jewish communities throughout the Caribbean and Latin America. Explored here are the oldest surviving synagogue in the Western Hemisphere, Mikve Israel in Curaçao; the largest Jewish community in the Caribbean, in Puerto Rico; the three synagogues in Havana, Cuba; the Israeli cafe in Cuzco, Peru, near the historic Inca site, Machu Picchu; and other Jewish sites from Buenos Aires to Mexico City. Also included are general travel information and tips.

Jews Across the Americas Adriana M. Brodsky,Laura Arnold Leibman,2023-09-26 An overview of the history of American Jewry using primary sources from Latin America, the Caribbean, Canada, and the United States *Jews Across the Americas* is a groundbreaking sourcebook capturing the historical diversity and cultural breadth of American Jews across Latin America, the Caribbean, Canada, and the United States. Featuring primary documents as well as scholarly interpretations, *Jews Across the Americas* builds upon new developments in Jewish Studies, engaging with transnationalism, race, sexuality, and gender, and highlighting the lived experiences of those often left out of Jewish history. *Jews Across the Americas* features an impressively broad and far-reaching range of historical sources, including artifacts and objects that have not previously been featured as integral to Jewish history in the Western hemisphere. Entries teach readers how to understand everything from wills and advertisements to sermons, and how to interpret photographs, domestic architecture, and comics. Whether it's a recipe from Brazil that blends Moroccan and Amazonian foodways, or a text about the first non-binary Jew to cross the Atlantic in the eighteenth century, each entry broadens our understanding of Jewish American history.
