Samantha watches over her elderly grandmother and pours a piece of herself into every floral creation she designs. Her crush on Reid has been blooming for a while now, but she's reluctant to act on it. A temporary fling isn't what she's looking for, even if Reid is smoking hot and super sexy. She wants a real, permanent, forever kind of love. Two people with different goals couldn't possibly work, and yet as their attraction grows into something deeper, maybe falling in love is the one thing Samantha and Reid can build a future on.
