**Meet Me at the Lake** Carley Fortune, 2024-03-26 "Completely addicting. . . . Every Summer After fans, this will not disappoint!" —Ashley Audrain, New York Times bestselling author of *The Push* **INSTANT #1 NATIONAL BESTSELLER INSTANT #1 NEW YORK TIMES BESTSELLER** In this breathtaking novel from the #1 bestselling author of *Every Summer After*, a random connection sends two strangers on a daylong adventure where they make a promise one keeps and the other breaks, with life-changing effects. Fern Brookbanks has wasted far too much of her adult life thinking about Will Baxter. She spent just twenty-four hours in her early twenties with the aggravatingly attractive, idealistic artist, a chance encounter that spiraled into a daylong adventure in Toronto. The timing was wrong, but their connection was undeniable: they shared every secret, every dream, and made a pact to meet one year later. Fern showed up. Will didn't. At thirty-two, Fern's life doesn't look at all how she once imagined it would. Instead of living in the city, Fern's back home, running her mother's Muskoka lakeside resort—something she vowed never to do. The place is in disarray, her ex-boyfriend's the manager, and Fern doesn't know where to begin. She needs a plan—a lifeline. To her surprise, it comes in the form of Will, who arrives nine years too late, with a suitcase in tow and an offer to help on his lips. Will may be the only person who understands what Fern's going through. But how could she possibly trust this expensive-suit wearing mirage who seems nothing like the young man she met all those years ago. Will is hiding something, and Fern's not sure she wants to know what it is. But ten years ago, Will Baxter rescued Fern. Can she do the same for him?

Pen to Paper Adriel T. Davis, 2012-03-07 As a former athlete unable to express himself the way he wanted to, Adriel found comfort in expressing his love, his pain and the passion he has for basketball and for life through his poetry. *Pen to Paper: A Transfer of Emotions* is the manifestation of Adriel's passion for life, love and basketball. In college and throughout his life, he was a shoulder to many of his family and friends' deepest and darkest secrets. Unable to tell others of the problems he

faced and the struggles of people who had confided in him, he learned to put his pen to paper and a book was born. A deep look into a man's soul who so desperately wanted to heal himself and those who would seek his advice, Adriel began to search deep into his heart and soul to express those feelings for others. Pen to Paper is a book that will show you tears of joy, laughter and pain until the game is over.

Days of Glory Birendra Bhattacharjee, 2020-03-26 In the early twentieth century the British Empire was at its zenith- the sun never set on the empire, which spread all over the globe from Australia, New Zealand to Malay, Burma and India, to Yemen, Transjordan, Egypt, Africa, Guyana and on to Canada. Birendra lost faith in endless street agitations, conferences, meetings, the boycotting of British made goods and patriotic songs. He did not think these could ever achieve Independence. Birendra wanted to hit the mighty empire directly and did so independently with his faithful brave associates. "Days of Glory" is a Memoir of Birendra Bhattacharjee who played a prominent role in the revolutionary cadres of the time in Bengal. Seeking more action and impact, he formed his own small organisation with some faithful associates and went on to strike out at the British Empire. Providence however did not grant him much time. His one act of insurrection became a prominent and celebrated case, but he was betrayed and turned over to the authorities, arrested, tortured and imprisoned. There is considerable debate about how exactly India gained its freedom. In the late 1940's and 50's it was taught and widely accepted that it was Gandhi who gained the independence. It was said that the British were afraid of the damage that would be caused to their reputations by the sight of non-violent Indians being willingly beaten by stick-wielding policemen in the Raj's employment. Over time this belief has changed based on new facts and attitudes. Although this will be criticised as an unpatriotic stance, Independence did not turn out to be a matter of gaining a glorious freedom but was rather a transfer of power, leaving everything intact from the British administration and transferring the levers of power to the new rulers. This included placing Indian Governors / Rashtrapati in the Vice-regal palace. At the outset there was only an administration that was selected by the preferences of a single man Gandhi, who won the hearts of millions of Indians. He preferred a simple agrarian life, cleaning latrines and spinning cloth and viewed all industrial progress with suspicion. It all started with great

enthusiasm. Mahatma Gandhi started the full independence movement in 1921 but after the violence in Chourichoura he abandoned the movement altogether. Bengal had steered its own course in the early part of the century. In 1905, it was Curzon, a staunch imperialist who undertook the division of Bengal. With the acquiescence of the Nawab of Dhaka, who was himself suspicious of the Hindu population and the prospect of a loss of power should the British leave. Curzon divided Bengal into the Muslim dominant east and the Hindu majority west. 1908 saw Arabinda and Barin Ghosh convicted in the Alipore bombing case. That was the year when Khudiram Bose was hanged for another bomb-throwing case. The Bengali youth lost confidence in Gandhi's approach. His approach of non-violence with its attendant motivations to embarrass the British, were not making sufficient progress in their eyes. The Bengali youth wanted action. Birendra was born with the surname Bhattacharjee. His ancestors were all Gangopadhyay, but in native Bramhanbaria they took the title of Bhattacharjee. His was a lower middle-class family from an obscure village and the family income came from what little land they owned, supplemented by his father Mahendra Chandra's salary from a Dhaka landlord's office. The family was always financially constrained. Mahendra would disembark from the train several stops before his destination and walk up to twenty miles to save a few annas. Birendra was the great hope for the family. From a young age his intelligence, charm and charisma were remarked upon. But he left his family, his home and a comfortable professional path for a life of ideology, action, danger and ultimately arrest, torture and imprisonment. This sacrifice is impossible to understand in today's world.
