## Ross Parmenter

**Miss One Thousand Spring Blossoms** John Ball,

A Long Walk Home Joan Grindley, 2010-05-20 A Long Walk Home is the third book in a trilogy written about the women in the author's life the first being Julia, her maternal grandmother; the second Emma, her mother, and concluding with the author's own story. As with her forebears, it is a story of faith, determination and survival in a world fraught with challenges.

**The Wheels of Friend** Eric Norland, 2020-05-11 This book is one man's attempt to make peace with a world that was on the brink of mutually agreed upon destruction. He chose a bicycle as his medium of expression and named it Friend. His intent was to go from California and head east until going to The Soviet Union. He wanted to meet Soviets and show others that they were alright. He made it as far as East Germany but was not allowed to travel any farther east. From there the traveling cyclist heads for the Mediterranean and the Middle East. And then onward around the world. He ran out of money after one year of traveling. He traveled across large continents like Australia and China and circumvented the Philippines, Taiwan, South Korea and Japan. In all he comes away with a world experience and a new way of looking at the planet.

A House for Buddha Ross Parmenter, 1994 This book describes the author's pilgrimage that coincided with his mid-life crisis. Ishiteji, a Buddhist temple in Matsuyama on Shikoku is the focus of his three-month stay in Japan. He begins drawings of buildings that slowly unfold an understanding not only of Japanese ecclesiastical style, but also of the part nature plays in such architecture. At the same time the book bears witness to the author's changes from his Western pre-conceptions of the Japanese to developing deep friendships there.

Orphaned at eight years old, Kate grew up to be resourceful, strong willed and defiant. She is tougher than your average heroine - and she needs to be to survive the worst the Alaskan wilds can throw at her. Kate investigates murders. She's worked under cover in the Arctic Circle, gone to sea, signed up as a bodyguard, tracked missing tribal relics and she continues to fight for the Aleut way of life. In this epic box set, Kate will track an unknown mass murderer, go undercover to apprehend a drug dealer and face extreme peril herself. Just as well that she'll have Mutt at her side throughout it all. And with this Box Set, you'll save

**A Cold Blooded Business** Dana Stabenow, 2018-09-01 The Edgar Award-winning, New York Times-bestselling series by Dana Stabenow set in Alaska. In *A Cold Blooded Business*, Kate Shugak investigates a drugs ring at an oil company – at great personal risk... Prudhoe Bay, Alaska: population 2,000. Approximate number of families: zero. And America's largest oilfield... In three months, the Prudhoe Bay oil operation has logged half a dozen drug overdoses, and one death: a man found floating face down in the company pool wearing full flight gear. Now the Alaskan Royal Petroleum Company is in need of a discreet investigator on the inside. Someone who can navigate a flat-bed truck against Arctic wind at forty degrees below freezing and find out who is running a narcotic ring from within the company. Sounds like a job for Kate Shugak... **A Moment of Silence** Sister Souljah, 2015-11-10 In this electrifying novel, New York Times bestselling author and “an important voice in American literature” (Jada Pinkett Smith) Sister Souljah returns to the story of her beloved character, Midnight. Handsome, young, Muslim, and married to two women living in one house along with his mother, Umma, and sister, Naja: can Midnight manage all that he has on his plate? He is surrounded by Americans who don’t share or understand his faith or culture, and adults who are offended by his maturity, intelligence, and his natural ability to make his hard work turn into real money. He is calm, confident, and cool, Ninja-trained and powerful, but one moment of rage throws this Brooklyn youth into a dark world of dirty police, gangs, guns, drugs, prisons, and dangerous inmates. Everything he ever believed, every dollar he ever earned, and all of the women he ever loved—including his mother—are at risk. Will his manhood be taken, broken, or altered? Can he maintain his faith? Outnumbered, overruled, and deeply envied—how can he possibly survive? Will the streets convert him? What can he keep? What must he lose?
