Oscar Wilde - The Portrait of MR W H Oscar Wilde, 2017-02-13 Oscar Fingal O'Flahertie Wills Wilde was born on the 16th October 1854 in Dublin Ireland. The son of Dublin intellectuals Oscar proved himself an outstanding classicist at Dublin, then at Oxford. With his education complete Wilde moved to London and its fashionable cultural and social circles. With his biting wit, flamboyant dress, and glittering conversation, Wilde became one of the most well-known personalities of his day. His only novel, *The Picture of Dorian Gray* was published in 1890 and he then moved on to writing for the stage with *Salome* in 1891. His society comedies produced enormous hits and turned him into one of the most successful writers of late Victorian London. Whilst his masterpiece, *The Importance of Being Earnest*, was on stage in London, Wilde had the Marquess of Queensberry, the father of his lover, Lord Alfred Douglas, prosecuted for libel. The trial unearthed evidence that caused Wilde to drop his charges and led to his own arrest and trial for gross indecency. He was convicted and imprisoned for two years' hard labour. It was to break him. On release he left for France, There he wrote his last work, *The Ballad of Reading Gaol* in 1898. He died destitute in Paris at the age of forty-six sipping champagne a friend had brought with the line 'Alas I am dying beyond my means'. Here we publish a collection of short stories that once again capture much of his genius for story telling in his own unique and individual way.

Coach Yourself: A Motivational Guide for Coaches and Leaders Dan Spainhour, 2007-11-01 As coaches and leaders it is easy to focus so much attention on others that we can lose sight of ourselves. Burnout, fatigue, and health issues are all too common occurrences. Coaching can be a tremendous amount of stress, and sometimes if you're not in control of it problems arise. Long hours, poor eating habits, loss of family time are just a few examples that can cause you to become out

of balance. This book is about maintaining a healthy balance. I have had the opportunity to observe successful coaches and some not so successful. I know coaches who love their job and some who hate what they do. I've worked with people who were consumed so much that they never took a vacation and others who seemed to be on permanent vacation. Coaches who are in balance and feel good do a better job. The purpose of this collection is to provide you with an instrument to help you maintain proper balance and motivation.

All the Rest Is Propaganda Mike Hockney, 2014-09-12 The world is always forcing its propaganda on you. Everyone is selling you something. At the least, they're selling you their story, their version of events, their view of the world, the way they want things to be. You're at it too. Facebook and Twitter are not social networking platforms. They're personal propaganda vehicles, which is why people lavish so much time on them. They're cyber self-portraits, and people will endlessly keep airbrushing them. What's the secret of making money? Pander to people's narcissism. Make it all about them - their favourite subject. We're saturated with propaganda. The media and advertising industries have no other function than to mass produce propaganda. Where is the truth? What and whom can you trust? What propaganda techniques should you be looking out for? How can you protect yourself? This is the gospel of anti-propaganda, the exposé of all the propagandists out to get you.

Take Morgue to the Morgue: Enter the Sinister World of a New Age Cult Joe Dixon, 2023-02-19 Freak, monster, Satanist, sicko, weirdo, idiot, Luciferian, demon, defiler, devil, necromancer, coward, creep, cult leader, pathological narcissist, psychopath, predator, pretentious poser, toxic malignancy ... rinse, repeat. The insults for shock artist Morgue come thick and fast. They seek him here, they seek him there, those critics, detractors and knockers seek him everywhere. Is he in heaven? Is he in hell? Is he a fraud? Has he gone rogue? That damned, elusive fiend who belongs in a prison cell. The denigrators are never short of abuse and vitriol for the man they love to hate. Who is Morgue? Why do so many people loathe him so much? Morgue is no ordinary shock artist. He has now graduated to sinister cult leader, grifting from the weak-minded and vulnerable. To his haters, he's shocking in every way, a shocking human being, a disgrace, an abomination ... an actual monster. Morgue will shock you to the core with his grotesque behavior, shock you out of your complacency with his nauseating conduct, shock you into seeing the reality of a cult that preys on all the suckers it can round up. You will feel the aftershock of his vileness. To his obsessive, manic fans, Morgue is Shock and Awe. To everyone else, it's shocking that this person isn't in jail, and they earnestly hope and expect that he soon will be given that he has been accused of serious crimes. This book is a commentary on these people - these sick, warped individuals who run cults - and the strange world they inhabit and strange people they attract. What makes them this way? Is there any cure? How should they be dealt with? What kind of people are drawn to them? Why are they able to fool so many people? Why don't their victims realize what is going on? It's time to take on the cult godfathers. Come and find out about the sinister world of the cult leader, one of the worst predators of the modern era. If humanity is not careful, these cult leaders will define the future. A future nightmare!

Lives in Transition Slobodan Randjelovic, 2018-10-30 Part of the ongoing series of photobooks published with the Arcus Foundation and Emerson, Wajdowicz Studios on queer communities around the world, a stunning portrait of a community battling homophobia in Serbia In June 2001, Serbia witnessed its first gay pride parade in history in Belgrade's central square. It was a short-lived march, as an ultranationalist mob quickly descended on the participants, chanting homophobic slurs and injuring dozens. For years afterward, fear of violence prevented further marches, and when, in October 2010, the

next pride march finally went ahead, it again devolved into violence as anti-gay rioters, firing shots and hurling petrol bombs, fought the police. It was only in 2014 that a pride march was held uninterrupted, albeit under heavy police protection. In *Lives in Transition*, photographer Slobodan Randjelovic captures the struggles and successes of twenty LGBTQ people living throughout Serbia—a conservative, religious country where, despite semi-progressive LGBTQ protection laws, homophobia fueled by religious authorities and right-wing political parties remains deeply entrenched. In a country where lack of employment opportunity and hostile families frequently drive queer people into poverty and isolation, these individuals have struggled to build a community that will offer solace, protection, and even joy. *Lives in Transition* portrays remarkable and inspiring resilience in the human struggle against a repressive social environment and demonstrates how friendship and community can help people shape their own futures. *Lives in Transition* was designed by Emerson, Wajdowicz Studios (EWS).

Minute by Minute Larry Carpenter, 2021-06-08 Being a scoutmaster can be one of the most rewarding things a person can do. But it can be a lot of work! Ask any scoutmaster what's the hardest part of the job, and one of the most common responses you will get would be coming up with the scoutmaster's minutes. Week after week, over fifty times a year, the scoutmaster must come up with an inspiring, educational, and entertainment message for the Scouts. Let's face it. Not every scoutmaster is the most gifted public speaker. Research shows that the number one fear of people is speaking in public. Just because a scoutmaster loves to hike, camp, teach, lead, and motivate, doesn't mean that they are comfortable speaking in front of a group. And how do you come up with inspiring stories, instructional words of wisdom and motivational messages, week after week? Long-time Scout leader, Larry Carpenter, has written a book that can be a lifesaver for any scoutmaster. This collection of 100 of the best scoutmaster's minutes offers brief messages that are themed to topics, including the Scout Oath, Law, Motto and Slogan. Additional minutes cover other topics, such as persistence, honesty, leadership, and other positive character traits. This book makes a perfect gift for your scoutmaster. Or, if you are a scoutmaster who is on the spot once a week, make it a gift to yourself!
