He grew up in the thriving coastal city of Portland, Maine, spending much of his summers at his grandfather's farm. His first poem was published in the Portland Gazette in 1820. BIG BOOK OF HENRY WADSWORTH LONGFELLOW QUOTES. M. K.,2023

Henry Wadsworth Longfellow Harry West,2022-10-05 (First American poet to translate Dante Alighieri's Divine Comedy)

Henry Wadsworth Longfellow was a celebrated nineteenth century American poet, remembered for such works as The Song of Hiawatha and Paul Revere's Ride. From his early childhood, he showed an interest in literature and although his father wanted him to become a lawyer, by the time he was in college he knew that if he ever succeeded in life, it would be only in that field. Eventually, Henry Wadsworth Longfellow joined his alma mater as a professor of French, Spanish and Italian, before being appointed to the Smith Professorship of Modern Languages at Harvard College. Although by then he had started publishing his works, his actual creative life began in Cambridge and for next fifteen years, he wrote all the works on which his extraordinary fame came to rest. However, after the accidental death of his second wife, he produced few original works and instead concentrated on translation; Dante's Divine Comedy being one of them.

Common and Uncommon Quotes: A Theory and History of Epigraphs Jared A. Griffin,2023-03-07 'Common and Uncommon Quotes: A Theory and History of Epigraphs' is a prolegomenon to the study of epigraphic paratextuality. Building on the work of Gerard Genette's paratextual studies, this volume contextualizes and traces the practice of epigraphy in Anglophone literary history, from the fifteenth to the early twentieth century. This study explores how epigraphs are used by author-functions as a hermeneutic for their text and to establish ethos with their audience, and how that paratextual relationship changed as publishing opportunities and literacy rates grew over four centuries. The first broad-reaching study of this kind, 'Common and Uncommon Quotes' seeks to understand how epigraphs work: through their privilege on the page, their appeal to conjured ideas of the past, and their calls to citizenship.
