James Merritt

Common and Uncommon Quotes: A Theory and History of Epigraphs Jared A. Griffin,2023-03-07 'Common and Uncommon Quotes: A Theory and History of Epigraphs' is a prolegomenon to the study of epigraphic paratextuality. Building on the work of Gerard Genette's paratextual studies, this volume contextualizes and traces the practice of epigraphy in Anglophone literary history, from the fifteenth to the early twentieth century. This study explores how epigraphs are used by author-functions as a hermeneutic for their text and to establish ethos with their audience, and how that paratextual relationship changed as publishing opportunities and literacy rates grew over four centuries. The first broad-reaching study of this kind, 'Common and Uncommon Quotes' seeks to understand how epigraphs work: through their privilege on the page, their appeal to conjured ideas of the past, and their calls to citizenship.

Speaking From Our Hearts Volume 4 - Back to Basics Paul D. Lowe,Andrew Batt,Deeksha Sahoo,Gurveer Khabra,Kristin Johnson,Paul Kelly,Sharon Griffiths,2021-08 Whenever we set-off on a journey, ever thought about why the vehicle always starts off and then finishes back in neutral? Perhaps we as humans, are exactly the same - we are constantly looking to reset, before embarking upon another phase of our life voyage. As the winds of change currently continue to blow throughout the world, there is an ever-increasing awareness of the all-important need for reflection upon life's experiences and lessons learnt - to stop racing ahead uncontrollably - and get back to basics, and neutrality. In getting back to basics, maybe the time is long overdue for humans to revert back to their natural gift of being storytellers - helping each other grow, by sharing inspirational insights and words of wisdom. Maybe it's also time to return to core values and unite as one world-wide family... ***** Through Speaking From Our Hearts, We Become World Game-Changers...

Character Still Counts James Merritt,2020-02-04 "I don't know of a more important topic now than this, and I don't know anyone more qualified to speak on it than James Merritt." —Rick Warren, New York Times bestselling author, *The Purpose Driven Life* Stop Protecting Your Reputation. Start Building Your Character. In a world of social media snapshots and cable news sound bites, we're often more concerned with our outer image than we are with our inner make up. But in

the end, integrity trumps image. You can look good on the outside without being good on the inside. If you long to commit yourself to what matters most—the content of your character—join bestselling author James Merritt as he explores 13 overlooked traits that form the bedrock of a godly life and a good society. Along the way, you'll encounter surprising role models—flawed people who failed spectacularly, overcame adversity, and went on to live lives worth imitating. In a world that has abandoned the virtues and values that matter, this book offers a clarion call to return to a simple message: Character still counts. It always has, and it always will.

Inarticulate Longings Jennifer R. Scanlon, 1989

Jeanne of the Marshes E. Phillips Oppenheim, 2019-12-04 In *Jeanne of the Marshes*, E. Phillips Oppenheim weaves a captivating narrative set against the backdrop of the English marshlands. The novel combines elements of intrigue, romance, and adventure, showcasing Oppenheim's mastery in creating atmospheric tension through rich, descriptive prose. Employing a blend of strong character development and suspenseful plotting, Oppenheim invites readers to explore themes of loyalty, deception, and the quest for personal identity within a captivating historical setting that reflects early 20th-century societal norms and expectations. Oppenheim, often dubbed the Prince of Storytellers, had a rich background as a writer of thrillers and adventure stories, gaining popularity for his keen understanding of human nature and social dynamics. His experiences and observations of the evolving English society during a time of rapid change undoubtedly influenced his work. This novel reflects his ingrained interest in the complexities of personal relationships against a landscape that is as treacherous as the human heart, fusing fact with fiction to create a compelling narrative tapestry. *Jeanne of the Marshes* is a must-read for those who appreciate intricately plotted stories rich in character and atmosphere. It offers an engaging exploration of the human condition and serves as a testament to Oppenheim's prowess as a storyteller. This timeless work will resonate with readers seeking both escapism and a deeper understanding of the subtleties of courage and sacrifice. In this enriched edition, we have carefully created added value for your reading experience: - A succinct Introduction situates the work's timeless appeal and themes. - The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. - A detailed Historical Context immerses you in the era's events and influences that shaped the writing. - A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. - Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. - Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. - Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

Teaching William Morris Jason D. Martinek, Elizabeth Carolyn Miller, 2019-10-16 A prolific artist, writer, designer, and political activist, William Morris remains remarkably powerful and relevant today. But how do you teach someone like Morris who made significant contributions to several different fields of study? And how, within the exigencies of the modern

educational system, can teachers capture the interdisciplinary spirit of Morris, whose various contributions hang so curiously together? Teaching William Morris gathers together the work of nineteen Morris scholars from a variety of fields, offering a wide array of perspectives on the challenges and the rewards of teaching William Morris. Across this book's five sections—"Pasts and Presents," "Political Contexts," "Literature," "Art and Design," and "Digital Humanities"—readers will learn the history of Morris's place in the modern curriculum, the current state of the field for teaching Morris's work today, and how this pedagogical effort is reaching well beyond the college classroom.

Love in the Days of Covid-20 Todd Daley, 2022-03-30 A virulent form of the corona virus has swept through the world - killing billions of people in 2026. Basic governmental services, such as police, fire, sanitation, and mail, no longer exist, There's no electricity or telephone service, and no internet. Basically, the world had regressed to 19th century technology. To deal with the prevailing anarchy, the two protagonists, Hal and Nancy, buy a 22-caliber pistol. With practice, Nancy becomes an accurate shooter. Her skill saves their lives during a melee at a St. George market. However, Hal realizes they've made deadly enemies. There are pleasant diversions in Elm Park. A red-haired dwarf and his dancing black bear, Bubba, entertain the folks. The old technology of the telegraph has been revived and Hal gets a job delivering telegrams by bicycle. An avid notebook keeper, Hal has recorded science, history, and philosophy in his marble note-books. Anxious to inculcate basic knowledge, and democratic values to the youngsters of the neighborhood, Hal launches his "Unstructured School." The book is filled with colorful characters - Freddy, the wide smiler, Hank, the terse talker, Billy and his invisible friend, Blanche the femme fatale, Jake, the turtle man, Thor Thorpson, the ex-boxer, and Stan Staller, the soapbox preacher.
